

SUMMARY RESULTS IDP REGISTRATION – FEBRUARY 2006 TO JULY 2008

Edition 8 – Basic Tables and Statistics for post-February 2006 Internally Displaced Persons

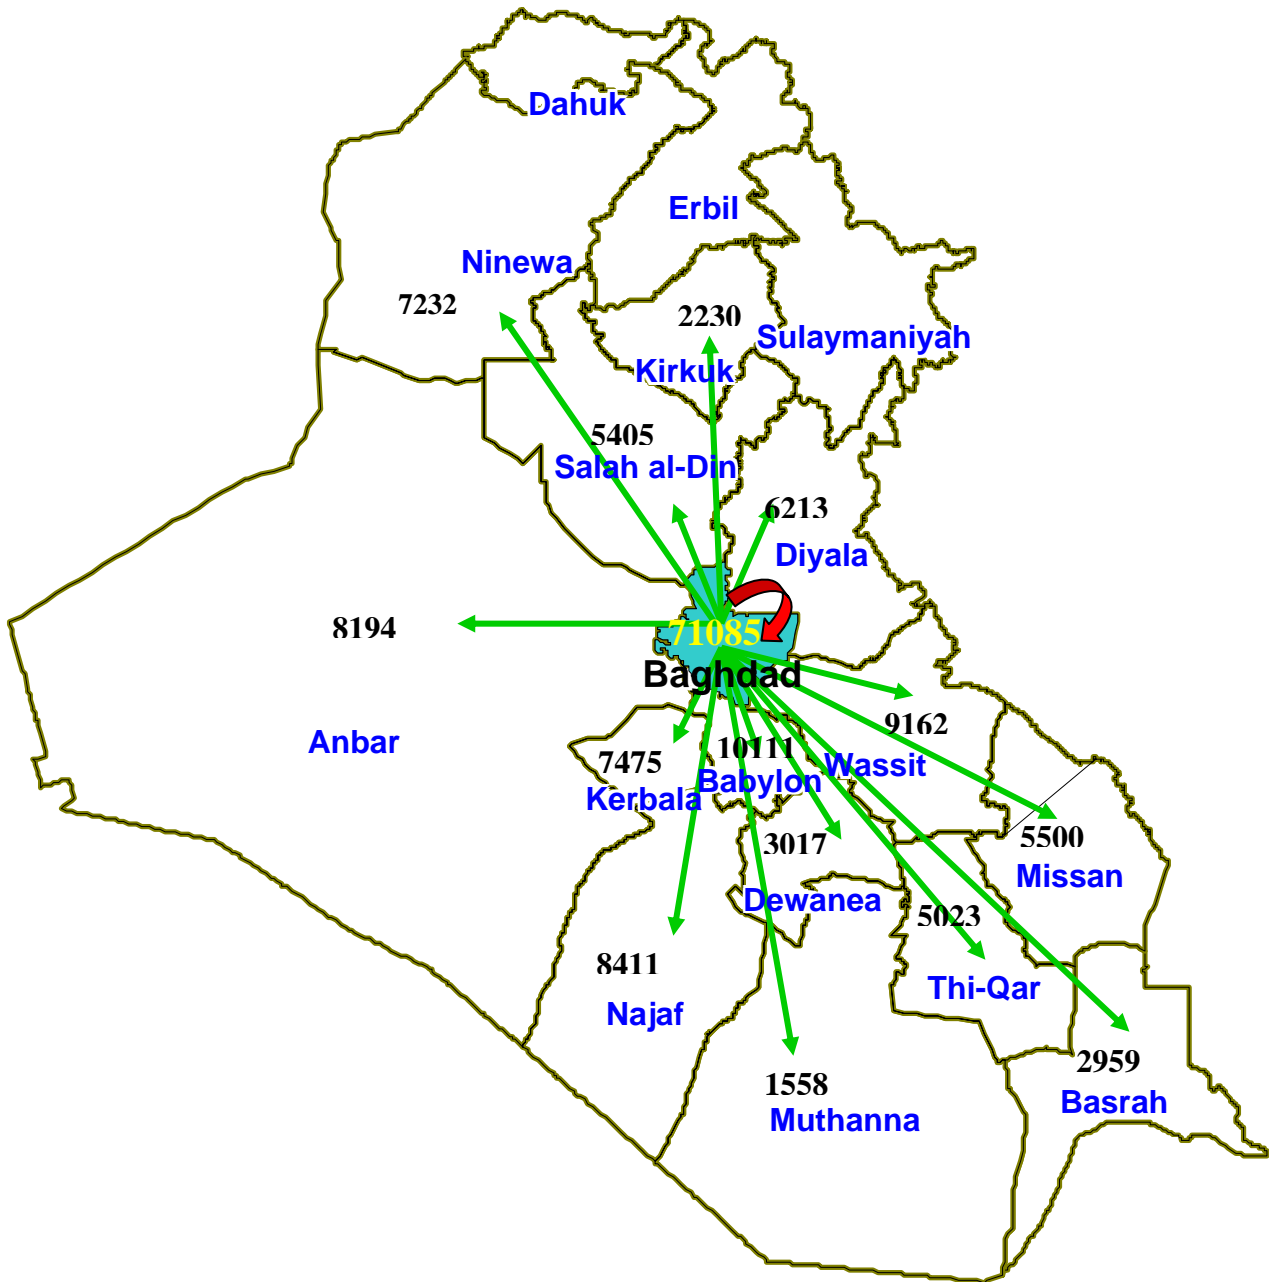

Prepared by the Ministry of Migration, Information Department
Baghdad, JULY 22th 2008

Introduction

MoDM Information Department has developed first edition of the IDPs preparation report of (15) governorates as from 22/2/2006, where they adopted the data(name, number of family members, PDS number, location of origin and location of displacement) , so , in order to ensure provision of accurate and valid data, they have adopted a mechanism in direct coordination with MoT by adopting No. of the ration card (PDS No.) for verification.

To ensure provision of updated data, this report was prepared to be the eighth edition, we'd like to refer to the difference between numbers of the displaced families shown in the eight reports, which does not mean there is any event through which such figures changed, but what has been presented of date are the same verified and handled in the Information Department.

Fleeing Map for (153575) Displaced Families from Baghdad to another areas in Baghdad and other governorates.

Results

Table 1: Total number of IDPs by current location (governorate), number of families, number of family members and average family size

Governorate	Families	Family Members	Average Family Size
