**USA Freedom Corps – Volunteering PSA**

**(:60)**

Hello, my name is Jean Case. As part of our work in communities across the nation, my husband, Steve, and I have witnessed firsthand the power of volunteer service in helping to build stronger communities.

We've learned through our own volunteer service that if you can swing a hammer or hold a paintbrush you can help build a home for a family in need or help build a playground in a neighborhood that lacks one. Even if you have just a little time to give each week, you can teach a child computer skills or read with a child.

No matter your skill or how much time you have to give, there's a volunteer opportunity just waiting for you. Volunteering is for everyone and it starts with you and me.

Won't you join us? Just go online and visit [volunteer.gov](http://volunteer.gov) to find out how you can begin to make a difference today.

**PRESIDENT'S TAG:** This is President George W. Bush. USA Freedom Corps has a volunteer opportunity that's just right for you. Visit [volunteer.gov](http://volunteer.gov). When you help your neighbor, you help your nation.
