**USA Freedom Corps – Volunteering PSA**

**(:60)**

This is Mark Yudof, Chancellor of the University of Texas System, law professor, Longhorn fan, and volunteer.

I volunteer because I believe that we all have an obligation to help others succeed, what in Hebrew is called *tikkun olam*. We must give part of ourselves – our knowledge, our compassion, our time – to heal the world by helping others.

So, whether I'm on campus organizing students for community cleanup, joining employees to repaint a community center, or in my Dr. Seuss hat reading to low income children, I know that I'm using *my* abilities to make a contribution.

Giving of yourself makes you a more genuine person. Find an opportunity to put *your* abilities to use at [volunteer.gov](http://volunteer.gov).

Make a difference. Volunteer.

On and off campus, I enjoy mentoring young people or reading to underprivileged children. I volunteer because I believe that we all have an obligation to help others succeed.
