## September 2008

The screenshot shows the homepage of the Central Contractor Registration (CCR) website. At the top left is the CCR logo, which consists of a stylized 'C' and 'R' in a circle next to the text 'CENTRAL CONTRACTOR REGISTRATION'. To the right of the logo is a large image of the American flag. Below the logo and flag is a dark blue navigation bar with white text: 'Home | Contractors | Grantees | International Registrants | Small Businesses | Help | 91814 Active Registrants'. On the left side of the page is a vertical sidebar with several menu items: 'Start New Registration', 'Update or Renew Registration', 'Search CCR', 'Dynamic Small Business Search', 'Request Access to CCR Data', and 'Security Notice'. Below the 'Security Notice' is a small icon of a person in a wheelchair. The main content area features a red heading 'Welcome to Central Contractor Registration (CCR)'. Below this heading is a paragraph of text: 'Central Contractor Registration (CCR) is the primary registrant database for the U.S. Federal Government. CCR collects, validates, stores and disseminates data in support of agency acquisition missions. Click [here](#) to learn more about CCR Policy and Background.' To the right of this text is a box titled 'Related Links' containing three links: 'Online Representation and Certification (ORCA)', 'Small Business Administration (SBA)', and 'D&B Web Form for DUNS Number Request'. Below the welcome message is a red 'NOTICE TO ACTIVE REGISTRANTS IN CCR: A Trading Partner Identification Number (TPIN) is a password that is used to access your Central Contractor Registration (CCR) data. Vendors that become active in CCR are issued a TPIN (password) to access and maintain their data. Because of the sensitivity of this data, CCR recommends that you do not disclose your TPIN to anyone under any circumstances. (Full Security Notice)'. Below the notice is a section titled 'Most Recent Changes' which contains two entries. The first entry is titled 'New CCR Update Change:' and describes an update to the CCR system on November 5, 2007, including information for banking, petroleum, and power generation NAICS codes. The second entry is titled 'This is the Development version of the CCR.GOV website.' and is dated 5/21/2007. At the bottom of the page is another dark blue navigation bar with white text: 'Home | Contractors | Grantees | International Registrants | Small Businesses | Help |'. To the right of this bar is the USA.gov logo with the tagline 'Government Made Easy'. In the bottom left corner of the page is a small logo for 'Integrated Acquisition Environment'.

**How to Complete Your CCR Registration**

In order to complete a minimum registration, enter a valid value for all of the required data fields, then press the "Validate/Save Data" button located at the bottom of each page to save your data. You must do this for each Required Information page in order to save the data. Once you have completed all of the Required Information pages with 0 errors, the Registration Status box (located at the bottom left of your screen) will say "CCR Update Accepted." At this time you will have completed your registration and may quit or add additional information.

If you quit without completing all required fields with zero errors, you can return at any time and finish your registration by using your confirmation number. The registration will not process until all errors have been corrected, and all mandatory fields have been entered.

Upon successful registration of your Trading Partner Profile (TPP) into CCR, validation will take approximately 24-48 hours to complete. If approved, you will receive an email with instructions on how to obtain your Trading Partner Identification Number (TPIN), which will be used as your password for all future updates. Any CCR correspondence regarding your TPP will be sent via email to the CCR Primary and Alternate Points of Contact (POC). If you do not receive email from ccremail@bpn.gov within 72 hours, please contact the CCR Helpdesk at 1-888-227-2423 or 269-961-5757 for international calls.

The maintenance and accuracy of your TPP is your responsibility. To maintain an Active status in CCR and to ensure continued payments on existing contracts, you must renew your registration annually.
