

requires either under or overestimating the number of small businesses affected by the proposed rule. For example, for many construction establishments the SBA defines small businesses as having revenues of less than \$12 million. With respect to those establishments, the U.S. Economic Census data groups all establishments with revenues of \$10 million or more into one revenue bracket. On the one hand, using data for the entire industry would overestimate the number of small businesses affected by the proposed rule and would defeat the purpose of estimating impacts on small business. It would also underestimate the proposed rule's impact on small businesses because the impacts would be calculated using the revenues of large businesses in addition to small businesses. On the other hand, applying the closest, albeit lower, revenue bracket would underestimate the number of small businesses affected by the proposed rule while at the same time overestimating the impacts. Comments on the Economic Analysis should be submitted to the docket for the proposed rule. The comment period on the proposed rule (and therefore this Economic Analysis) currently ends on April 10, 2006.

Statutory and Executive Order Reviews

Executive Order 12866

The Corporation has determined that this proposed rule, while a significant regulatory action, is not an "economically significant" rule within the meaning of E.O. 12866 because it is not likely to result in: (1) An annual effect on the economy of \$100 million or more, or an adverse and material effect on a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal government or communities; (2) the creation of a serious inconsistency or interference with an action taken or planned by another agency; (3) a material alteration in the budgetary impacts of entitlement, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) the raising of novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in E.O. 12866. As a "significant" regulatory action, this proposed rule was reviewed by the Office of Management and Budget (OMB).

Regulatory Flexibility Act

The Corporation has determined that this regulatory action, if promulgated, will not result in a significant impact on a substantial number of small entities. Therefore, the Corporation has not performed the initial regulatory flexibility analysis that is required under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) for major rules that are expected to have such results.

Other Impact Analyses

This action does not impose any new information collection burden under the provisions of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

For purposes of Title II of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1531-1538, as well as Executive Order 12875, this regulatory action does not contain any Federal mandate that may result in increased expenditures in either Federal, State, local, or tribal governments in the aggregate, or impose an annual burden exceeding \$100 million on the private sector.

DEPARTMENT OF THE INTERIOR**Fish and Wildlife Service****50 CFR Part 17**

RIN 1018–AU58

Endangered and Threatened Wildlife and Plants; Reinstated Proposed Rule To List the Flat-Tailed Horned Lizard as Threatened

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rule; reopening of comment period.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), announce the reopening of the public comment period for the reinstated proposed rule to list the flat-tailed horned lizard (*Phrynosoma mcallii*) as a threatened species pursuant to the Endangered Species Act of 1973, as amended (Act). On November 17, 2005, the U.S. District

Court for the District of Arizona vacated the January 3, 2003, withdrawal of the proposed rule to list the flat-tailed horned lizard, remanded the matter to us for further consideration in accordance with its August 30, 2005, and November 17, 2005, orders, and ordered us to make a new listing decision by April 30, 2006. Pursuant to the Court's November 17, 2005, order, on remand we "need only address the matters on which the court's August 30, 2005, Order * * * found the January 3, 2003, Withdrawal unlawful, which may summarily be identified as whether the lizard's lost historical habitat renders the species in danger of extinction in a significant portion of its range." To ensure our new final listing decision is based on the best scientific and commercial data currently available, we are reopening the public comment period on the 1993 proposed listing rule to solicit information and comment regarding the flat-tailed horned lizard's lost historical habitat.

DATES: We will accept comments from all interested parties until March 16, 2006. Comments received after the closing date may not be considered in the final decision on this action.

ADDRESSES: If you wish to comment on the specific issue identified by the District Court in its November 17, 2005, order for remand of the January 3, 2003, withdrawal of the proposed rule to list the flat-tailed horned lizard, you may submit your comments and materials by any one of several methods:

1. You may submit written comments and information to Jim Bartel, Field Supervisor, U.S. Fish and Wildlife Service, Carlsbad Fish and Wildlife Office (CFWO), 6010 Hidden Valley Road, Carlsbad CA 92011.

2. You may hand-deliver written comments to the CFWO, at the address given above.

3. You may send comments by electronic mail (e-mail) to fw8CFWOCOMMENTS@fws.gov. Please submit Internet comments in ASCII format and avoid the use of special characters or any form of encryption. Please also include "ATTN: Flat-Tailed Horned Lizard" in your e-mail subject header and your name and return address in the body of your message. If you do not receive a confirmation from the system that we have received your Internet message, contact us directly by calling our CFWO at phone number 760–431–9440. Please note that this Internet address will be closed at the termination of the public comment period.

4. You may fax your comments to 760–431–9624.

Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours.

Individual respondents may request that we withhold their home addresses from the rulemaking record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the rulemaking record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

Comments and materials received will be available for public inspection, by appointment, during normal business hours at the CFWO at the above address.

FOR FURTHER INFORMATION CONTACT: Jim Bartel, Field Supervisor, at the above address, by telephone at 760–431–9440, or by facsimile at 760–431–9624.

SUPPLEMENTARY INFORMATION:**Public Comments Solicited**

To assist us in making a final listing determination based on the best scientific and commercial data available, we are reopening the public comment period on the proposed rule to list the flat-tailed horned lizard for 14 days to accept public comment on the specific issue identified in the District Court's November 17, 2005, order, namely whether the flat-tailed horned lizard's lost historical habitat renders the species likely to become in danger of extinction within the foreseeable future throughout all or a significant portion of its range.

Comments relevant to the identified issue for consideration during the remand of the January 3, 2003, withdrawal of the proposed rule to list the flat-tailed horned lizard that were previously submitted during prior comment periods on the proposed rule need not be resubmitted as they have been incorporated into the public record and will be fully considered in preparation of the final determination.

Background

On November 29, 1993, we published a proposed rule to list the flat-tailed horned lizard as a threatened species pursuant to the Act (58 FR 62624). On July 15, 1997, we withdrew the 1993 proposed rule (62 FR 37852). Defenders
