Join in the launching of an innovative new population, health, and environmental alliance

ALLIANCE PARTNERS:

U.S. Agency for International Development
Johnson & Johnson

IMPLEMENTING PARTNER:

World Wildlife Fund

Signing of the Memorandum of Understanding

10:00 AM – Noon
Wednesday, October 8, 2008
National Press Club
First Amendment Room
529 14th Street, 13th Floor
Washington, DC

This three-year public-private partnership will deliver integrated population, health, and environmental activities to remote, rural, underserved communities in areas of high biodiversity in Kenya, Nepal, and the Democratic Republic of Congo.
