DAC Ex Ante Notification Requirements

The following is a summary of the information required for the notification in the DAC Recommendation. This information will be obtained from the FedBizOpps notice and supplemental information obtained from the originating office or Mission. From this information, PPC creates a notification.

- a. Notifying member, agency, and contact point
- b. Recipient country
- c. Project description
- d. Sector/activity and DAC purpose code
- e. Project Value (the amount of the covered activity in terms of \$US currency and Special Drawing Rights (SDR))
- f. Bidding period (start and closing dates)
- g. Procurement regime (if not international competitive bidding, state regime and justification)
- h. Details of agency responsible for procurement and from which further information or details (e.g., bidding periods, procurement regime, and bidding documentation) can be requested
