What is the Mini-University?

The Mini-University is a forum that features 53 presentations highlighting “best practices” in a range of technical areas. Participants attend a total of four sessions based on their own interests. Sessions are 60 minutes in length and emphasize interactive group discussion and exploration of the various topics.

Who Should Attend?

The Mini-University is FREE and open to anyone and everyone who is interested in attending.

How do I Register for this Event?

Register by April 29, 2004. Registration will be done on the MAQ website. **To register, go to <http://www.maqweb.org/miniu/index.php>** Registration is on a first come, first served basis. When a session has reached capacity, it will be closed for registration. Therefore, sign-up now to get your first choices! **In order to receive a Mini-University certificate, you must register by April 29.**
