

Career Opportunities

from the lab...

...to the field

Please send a letter of interest to:

Jeffery Kohler, Ph.D.
Associate Director
Office of Mine Safety
and Health Research
NIOSH
626 Cochran's Mill Road
P.O. Box 18070
Pittsburgh, PA 15236

The National Institute for Occupational Safety and Health is recruiting scientists and engineers to join the world-class staff of its mining research laboratories. Candidates in all mining-applicable disciplines are encouraged to apply, including chemistry, physics, and engineering (mining, chemical, mechanical, electrical and biomechanical). Currently, we are looking to hire highly motivated professionals for 35 positions at our locations in Pittsburgh, PA, and Spokane, WA.

Please visit our Web site to learn more about our research programs and unique facilities:

www.cdc.gov/niosh/mining

Earned Master's or Doctorate degrees are preferred for domestic applicants and required for international applicants. NIOSH is an equal opportunity employer.
