

CONSOLIDATED STATE PERFORMANCE REPORT:

Parts I and II

for
STATE FORMULA GRANT PROGRAMS
under the
ELEMENTARY AND SECONDARY EDUCATION ACT
As amended by the
No Child Left Behind Act of 2001

For reporting on
School Year 2006-07

MAINE

PART I DUE FRIDAY, DECEMBER 28, 2007
PART II DUE FRIDAY, FEBRUARY 22, 2008

U.S. DEPARTMENT OF EDUCATION
WASHINGTON, DC 20202

INTRODUCTION

Sections 9302 and 9303 of the Elementary and Secondary Education Act (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB) provide to States the option of applying for and reporting on multiple ESEA programs through a single consolidated application and report. Although a central, practical purpose of the Consolidated State Application and Report is to reduce "red tape" and burden on States, the Consolidated State Application and Report are also intended to have the important purpose of encouraging the integration of State, local, and ESEA programs in comprehensive planning and service delivery and enhancing the likelihood that the State will coordinate planning and service delivery across multiple State and local programs. The combined goal of all educational agencies—State, local, and Federal—is a more coherent, well-integrated educational plan that will result in improved teaching and learning.

The Consolidated State Application and Report includes the following ESEA programs:

- Title I, Part A – Improving Basic Programs Operated by Local Educational Agencies
- Title I, Part B, Subpart 3 – William F. Goodling Even Start Family Literacy Programs
- Title I, Part C – Education of Migratory Children
- Title I, Part D – Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At-Risk
- Title I, Part F – Comprehensive School Reform
- Title II, Part A – Improving Teacher Quality State Grants (Teacher and Principal Training and Recruiting Fund)
- Title II, Part D – Enhancing Education through Technology
- Title III, Part A – English Language Acquisition, Language Enhancement, and Academic Achievement Act
- Title IV, Part A, Subpart 1 – Safe and Drug-Free Schools and Communities State Grants
- Title IV, Part A, Subpart 2 – Safe and Drug-Free Schools and Communities National Activities (Community Service Grant Program)
- Title IV, Part B – 21st Century Community Learning Centers.
- Title V, Part A – Innovative Programs
- Title VI, Section 6111 – Grants for State Assessments and Related Activities
- Title VI, Part B – Rural Education Achievement Program
- Title X, Part C – Education for Homeless Children and Youths

The NCLB Consolidated State Performance Report (CSPR) for school year (SY) 2006-07 consists of two information collections.

PART I

Part I of the CSPR requests information related to the five ESEA Goals, established in the June 2002 Consolidated State Application, and information required for the Annual State Report to the Secretary, as described in Section 1111(h)(4) of the ESEA. The five ESEA Goals established in the June 2002 Consolidated State Application are:

Performance Goal 1: By SY 2013-14, all students will reach high standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.

Performance Goal 2: All limited English proficient students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.

Performance Goal 3: By SY 2005-06, all students will be taught by highly qualified teachers.

Performance Goal 4: All students will be educated in learning environments that are safe, drug free, and conducive to learning.

Performance Goal 5: All students will graduate from high school.

Starting with SY 2005-06, collection of data for the Education of Homeless Children and Youths was added to Part I in order to provide timely data for the program's performance measures. This change allowed ED to retire OMB collection 1810-0650. For SY 2006-07, Migrant Education Program child count information that is used for funding purposes is now collected via Part I. This change allowed ED to retire OMB collection 1810-0519

PART II

Part II of the CSPR consists of information related to State activities and outcomes of specific ESEA programs. While the information requested varies from program to program, the specific information requested for this report meets the following criteria:

1. The information is needed for Department program performance plans or for other program needs.
2. The information is not available from another source, including program evaluations.
3. The information will provide valid evidence of program outcomes or results.
4. The CSPR is the best vehicle for collection of the data.

GENERAL INSTRUCTIONS AND TIMELINES

All States that received funding on the basis of the Consolidated State Application for the SY 2006-07 must respond to this Consolidated State Performance Report (CSPR). Part I of the Report is due to the Department by Friday, December 28, 2007. Part II of the Report is due to the Department by Friday, February 22, 2008. Both Part I and Part II should reflect data from the SY 2006-07, unless otherwise noted.

The format states will use to submit the Consolidated State Performance Report has changed to an online submission starting with SY 2004-05. This online submission system is being developed through the Education Data Exchange Network (EDEN) and will make the submission process less burdensome. Please see the following section on transmittal instructions for more information on how to submit this year's Consolidated State Performance Report.

TRANSMITTAL INSTRUCTIONS

The Consolidated State Performance Report (CSPR) data will be collected online from the SEAs, using the EDEN web site. The EDEN web site will be modified to include a separate area (sub-domain) for CSPR data entry. This area will utilize EDEN formatting to the extent possible and the data will be entered in the order of the current CSPR forms. The data entry screens will include or provide access to all instructions and notes on the current CSPR forms; additionally, an effort will be made to design the screens to balance efficient data collection and reduction of visual clutter.

Initially, a state user will log onto EDEN and be provided with an option that takes him or her to the "SY 2006-07 CSPR". The main CSPR screen will allow the user to select the section of the CSPR that he or she needs to either view or enter data. After selecting a section of the CSPR, the user will be presented with a screen or set of screens where the user can input the data for that section of the CSPR. A user can only select one section of the CSPR at a time. After a state has included all available data in the designated sections of a particular CSPR Part, a lead state user will certify that Part and transmit it to the Department. Once a Part has been transmitted, ED will have access to the data. States may still make changes or additions to the transmitted data, by creating an updated version of the CSPR. Detailed instructions for transmitting the SY

2006-07 CSPR will be found on the main CSPR page of the EDEN web site (<https://EDEN.ED.GOV/EDENPortal/>).

According to the Paperwork Reduction Act of 1965, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0614. The time required to complete this information collection is estimated to average 111 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimates(s) contact School Support and Technology Programs, 400 Maryland Avenue, SW, Washington DC 20202-6140. Questions about the new electronic CSPR submission process, should be directed to the EDEN Partner Support Center at 1-877-HLP-EDEN (1-877-457-3336).

**CONSOLIDATED STATE PERFORMANCE REPORT:
PART II**

For reporting on
School Year 2006-07

PART II DUE FEBRUARY 22, 2008

2.1 IMPROVING BASIC PROGRAMS OPERATED BY LOCAL EDUCATIONAL AGENCIES (TITLE I, PART A)

This section collects data on Title I, Part A programs.

2.1.1 Student Achievement in Schools with Title I, Part A Programs

The following sections collect data on student academic achievement on the State's NCLB assessments in schools that receive Title I, Part A funds and operate either Schoolwide programs or Targeted Assistance programs.

2.1.1.1 Student Achievement in Mathematics in Schoolwide Schools (SWP)

In the format of the table below, provide the number of students in SWP schools who completed the assessment and for whom a performance level was reported, in grades 3 through 8 and high school, on the State's NCLB mathematics assessments under Section 1111(b)(3) of ESEA. Also, provide the number of those students who scored at or above proficient. The percentage of students who scored at or above proficient is calculated automatically.

Grade	# Students Who Completed the Assessment & a Performance Level Reported	# Students Scoring At or Above Proficient	Percentage At or Above Proficient
3	743	368	49.5
4	740	362	48.9
5	704	335	47.6
6	534	272	50.9
7	286	172	60.1
8	318	154	48.4
High School	105	27	25.7
Total	3430	1690	49.3
Comments:			

Source – The table above is produced through EDfacts. The SEA submits the data in file N/X075 that is data group 583. In addition, the SEA submits the data in file N/X101 that includes data group 22.

Note: New data collection for the SY 2006-07 CSPR.

2.1.1.2 Student Achievement in Reading/Language Arts in Schoolwide Schools (SWP)

This section is similar to 2.1.1.1. The only difference is that this section collects data on performance on the State's NCLB reading/language arts assessment in SWP.

Grade	# Students Who Completed the Assessment & a Performance Level Reported	# Students Scoring At or Above Proficient	Percentage At or Above Proficient
3	739	378	51.2
4	733	402	54.8
5	702	340	48.4
6	528	319	60.4
7	284	201	70.8
8	316	189	59.8
High School	105	31	29.5
Total	3407	1860	54.6
Comments:			

Source – The table above is produced through EDfacts. The SEA submits the data in files N/X076, N/X077, or N/X078 that

are data group 584. In addition, the SEA submits the data in file N/X101 that includes data group 22.

Note: New data collection for the SY 2006-07 CSPR.

2.1.1.3 Student Achievement in Mathematics in Targeted Assistance Schools (TAS)

In the table below, provide the number of students in TAS who completed the assessment and for whom a performance level was reported, in grades 3 through 8 and high school, on the State's NCLB mathematics assessments under Section 1111(b) (3) of ESEA. Also, provide the number of those students who scored at or above proficient. The percentage of students who scored at or above proficient is calculated automatically.

Grade	# Students Who Completed the Assessment & a Performance Level Reported	# Students Scoring At or Above Proficient	Percentage At or Above Proficient
3	11725	7622	65.0
4	11427	6899	60.4
5	10819	6415	59.3
6	7338	3768	51.3
7	5840	2840	48.6
8	5922	2948	49.8
High School	1817	578	31.8
Total	54888	31070	56.6
Comments:			

Source – The table above is produced through ED Facts. The SEA submits the data in file N/X075 that is data group 583. In addition, the SEA submits the data in file N/X101 that includes data group 22.

Note: New data collection for the SY 2006-07 CSPR.

2.1.1.4 Student Achievement in Reading/Language Arts in Targeted Assistance Schools (TAS)

This section is similar to 2.1.1.3. The only difference is that this section collects data on performance on the State's NCLB reading/language arts assessment in TAS.

Grade	# Students Who Completed the Assessment & a Performance Level Reported	# Students Scoring At or Above Proficient	Percentage At or Above Proficient
3	11718	7643	65.2
4	11418	7572	66.3
5	10804	6338	58.7
6	7330	4500	61.4
7	5836	3833	65.7
8	5927	3841	64.8
High School	1772	668	37.7
Total	54805	34395	62.8
Comments:			

Source – The table above is produced through ED Facts. The SEA submits the data in files N/X076, N/X077, or N/X078 that are data group 584. In addition, the SEA submits the data in file N/X101 that includes data group 22.

Note: New data collection for the SY 2006-07 CSPR.

2.1.2 Title I, Part A Student Participation

The following sections collect data on students participating in Title I, Part A by various student characteristics.

2.1.2.1 Student Participation in Public Title I, Part A by Special Services or Programs

In the table below, provide the number of public school students served by either Public Title I SWP or TAS programs at any time during the regular school year for each category listed. Count each student only once in each category even if the student participated during more than one term or in more than one school or district in the State. Count each student in as many of the categories that are applicable to the student. Include pre-kindergarten through grade 12. Do not include the following individuals: (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

	# Students Served
Children with disabilities (IDEA)	3356
Limited English proficient students	1354
Students who are homeless	555
Migratory students	20
Comments:	

Source – Initially, pre-populated by EDFacts file N/X037 that is data group 538, category sets C-F. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This table was formerly section 2.1.3.1.1 of the SY 2005-06 CSPR.

2.1.2.2 Student Participation in Public Title I, Part A by Racial/Ethnic Group

In the table below, provide the unduplicated number of public school students served by either public Title I SWP or TAS at any time during the regular school year. Each student should be reported in only one racial/ethnic category. Include pre-kindergarten through grade 12. The total number of students served will be calculated automatically.

Do not include: (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

Race/Ethnicity	# Students Served
American Indian or Alaska Native	175
Asian or Pacific Islander	358
Black, non-Hispanic	1450
Hispanic	409
White, non-Hispanic	23233
Total	25625
Comments:	

Source – The table above is produced through EDFacts. The SEA submits the data in file N/X037, that is data group ID 548, category set B.

Note: This table was formerly section 2.1.3.1.2 of the SY 2005-06 CSPR. The total row is new for the SY 2006-07 CSPR.

2.1.2.3 Student Participation in Title I, Part A by Grade Level

In the table below, provide the unduplicated number of students participating in Title I, Part A programs by grade level and by type of program: Title I public targeted assistance programs (Public TAS), Title I schoolwide programs (Public SWP), private school students participating in Title I programs (private), and Part A local neglected programs (local neglected). The totals column by type of program will be automatically calculated.

Age/Grade	Public TAS	Public SWP	Private	Local Neglected	Total
Age 0-2	0	N<10	N<10	0	N<10
Age 3-5 (not Kindergarten)	79	158	0	0	237
K	2025	830	28	0	2883
1	3851	814	71	N<10	4737
2	3034	775	58	N<10	3868
3	2572	767	30	N<10	3373
4	2203	763	28	N<10	2996
5	1778	724	26	N<10	2535
6	1027	585	11	N<10	1626
7	785	330	N<10	9	1129
8	698	356	N<10	22	1084
9	355	64	N<10	48	471
10	240	31	N<10	48	327
11	95	34	N<10	40	174
12	63	36	N<10	13	114
Ungraded	55	0	N<10	13	75
TOTALS	18860	6269	292	211	25632
Comments:					

Source – The table above is produced through ED Facts. The SEA submits the data in file N/X037, that is data group ID 548, category set A.

Note: This table was formerly section 2.1.3.2 of the SY 2005-06 CSPR. The percent of total column has been deleted for the SY 2006-07 CSPR.

2.1.2.4 Student Participation in Title I, Part A Targeted Assistance Programs by Instructional and Support Services

The following sections request data about the participation of students in TAS.

2.1.2.4.1 Student Participation in Title I, Part A Targeted Assistance Programs by Instructional Services

In the table below, provide the number of students receiving each of the listed instructional services through a TAS program funded by Title I, Part A. Students may be reported as receiving more than one instructional service. However, students should be reported only once for each instructional service regardless of the frequency with which they received the service.

	# Students Served
Mathematics	7487
Reading/language arts	15858
Science	
Social studies	
Vocational/career	
Other instructional services	992
Comments: Only math, reading are targeted.	

Source – The table above is produced through ED Facts. The SEA submits the data in file N/X036 that is data group ID 549, category set A.

Note: This table was formerly part of section 2.1.3.3 of the SY 2005-06 CSPR.

2.1.2.4.2 Student Participation in Title I, Part A Targeted Assistance Programs by Support Services

In the table below, provide the number of students receiving each of the listed support services through a TAS program funded by Title I, Part A. Students may be reported as receiving more than one support service. However, students should be reported only once for each support service regardless of the frequency with which they received the service.

	# Students Served
Health, dental, and eye care	N<10
Supporting guidance/advocacy	217
Other support services	101
Comments:	

Source – The table above is produced through ED Facts. The SEA submits the data in file N/X036 that is data group ID 549, category set B.

Note: This table was formerly part of section 2.1.3.3 of the SY 2005-06 CSPR.

2.1.3 Staff Information for Title I, Part A Targeted Assistance Programs (TAS)

In the table below, provide the number of full-time equivalent (FTE) staff funded by a Title I, Part A TAS in each of the staff categories. For staff who work with both TAS and SWP, report only the FTE attributable to their TAS responsibilities.

For paraprofessionals only, provide the percentage of paraprofessionals who were qualified in accordance with Section 1119 (c) and (d) of the Elementary and Secondary Education Act (ESEA) as amended by the No Child Left Behind Act (NCLB) of 2002.

See the FAQs following the table for additional information.

Staff Category	Staff FTE	Percentage Qualified
Teachers	432.4	
Paraprofessionals ¹	628.7	100.0
Other paraprofessionals (translators, parental involvement, computer assistance) ²	15.6	
Clerical support staff	11.4	
Administrators (non-clerical)	26.4	
Comments:		

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.1.4 of the SY 2005-06 CSPR. The following changes have been made to this table for the SY 2006-07 CSPR: Instructional Paraprofessionals has been relabeled to paraprofessionals, Non-instructional paraprofessionals has been relabeled to other paraprofessionals(translators, parental involvement, computer assistance), Support staff (clerical and non-clerical) has been relabeled to Clerical support staff, Other (specify) has been deleted, and percentage qualified has been added.

FAQs on staff information

- a. *What is a "paraprofessional?" An employee of an LEA who provides instructional support in a program supported with Title I, Part A funds. Instructional support includes the following activities:*
 - (1) Providing one-on-one tutoring for eligible students, if the tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher;
 - (2) Providing assistance with classroom management, such as organizing instructional and other materials;
 - (3) Providing assistance in a computer laboratory;
 - (4) Conducting parental involvement activities;
 - (5) Providing support in a library or media center;
 - (6) Acting as a translator; or
 - (7) Providing instructional services to students.
- b. *What is an "other paraprofessional?" Paraprofessionals who do not provide instructional support, for example, paraprofessionals who are translators or who work with parental involvement or computer assistance.*
- c. *Who is a qualified paraprofessional? A paraprofessional who has (1) completed 2 years of study at an institution of higher education; (2) obtained an associate's (or higher) degree; or (3) met a rigorous standard of quality and been able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness) (Section 1119(c) and (d).) For more information on qualified paraprofessionals, please refer to the Title I paraprofessionals Guidance, available at: <http://www.ed.gov/policy/elsec/guid/paraguidance.doc>.*

1 Consistent with ESEA as amended by NCLB, Title I, Section 1119(g)(2).

2 Consistent with ESEA as amended by NCLB, Title I, Section 1119(e).

2.1.3.1 Paraprofessional Information for Title I, Part A Schoolwide Programs (formerly 1.5.4.)

In the table below, provide the number of FTE paraprofessionals who served in SWP and the percentage of these paraprofessionals who were qualified in accordance with Section 1119 (c) and (d) of ESEA. Use the additional guidance found below the previous table.

	Paraprofessionals FTE	Percentage Qualified
Paraprofessionals3	207.00	100.0
Comments:		

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly section 1.5.4 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the paraprofessional FTE count has been added to this data collection.

3 Consistent with ESEA as amended by NCLB, Title I, Section 1119(g)(2).

2.2 WILLIAM F. GOODLING EVEN START FAMILY LITERACY PROGRAMS (TITLE I, PART B, SUBPART 3)

2.2.1 Subgrants and Even Start Program Participants

For the reporting program year July 1, 2006 to June 30, 2007, please provide the following information:

2.2.1.1 Federally Funded Even Start Subgrants in the State

Number of federally funded Even Start subgrants	5
Comments:	

Source – Manual entry by SEA into the online collection tool

2.2.1.2 Even Start Families Participating During the Year

In the table below, provide the number of participants for each of the groups listed below. The following terms apply:

1. "Participating" means enrolled and participating in all required core services.
2. "Adults" include teen parents. The number of participating children will be calculated automatically.

	# Participants
1. Families participating	95
2. Adults participating	99
3. Adults participating who are limited English proficient (LEP)	38
4. Participating children	118
a. Infants and toddlers (birth through 2 years)	43
b. Preschool age (age 3 through 5)	32
c. School age (age 6 through 8)	43
Comments:	

Source – Manual entry by SEA into the online collection tool. Note: The participating children subcategories have been added to this data collection for the SY 2006-07 CSPR.

2.2.1.3 Characteristics of Newly Enrolled Families at the Time of Enrollment

In the table below, provide the number of families at the time of enrollment for each of the groups listed below. The term "newly enrolled family" means a family who enrolls for the first time in the Even Start project at any time during the year.

	#
1. Number of newly enrolled families	58
2. Number of newly enrolled adult participants	56
3. Number of newly enrolled families at or below the federal poverty level	57
4. Number of newly enrolled adult participants without a high school diploma or GED at the time of enrollment	46
5. Number of newly enrolled adult participants who have not gone beyond the 9th grade	33
Comments:	

Source – Manual entry by SEA into the online collection tool.

Note: For the SY 2006-07 CSPR, three new rows have been added: the number of newly enrolled families at or below the federal poverty level, the number of newly enrolled adult participants without a high school diploma or GED at the time of enrollment, and the number of newly enrolled adult participants who have not gone beyond the 9th grade data collections have been changed from percent to number.

2.2.1.4 Retention of Families

In the table below, provide the number of families who are newly enrolled, those who exited the program during the year, and those continuing in the program. For families who have exited, count the time between the family's start date and exit date. For families still participating, count the time between the family's start date and the end of the reporting year (June 30, 2007). Report each family only once in lines 1-4. The total number of families participating will be automatically calculated.

Time in Program	# Families
1. Number of families participating 3 months or less	19
2. Number of families participating more than 3 months and fewer than 6 months	21
3. Number of families participating more than 6 months and fewer than 12 months	20
4. Number of families participating 12 months or longer	35
5. Total families participating	95
Comments:	

Source – Manual entry by SEA into the online collection tool.

Note: The additional calculation of total families participating is new for the SY 2006-07 CSPR. This data collection has been changed from collecting percent of families to collecting number of families for the SY 2006-07 CSPR.

2.2.2 Federal Even Start Performance Indicators

This section collects data about the federal Even Start Performance Indicators.

Describe your State's progress in meeting the federal performance indicators listed for Even Start participants. States should always provide an explanation if they are using measures that differ from what is specified.

This data includes all five federally funded Even Start programs in Maine. Of the 99 parents enrolled, only 46 attended more than 75 hours and were eligible for pre-post testing per our State assessment policy. Retention of parents and families is an area that we are addressing in our three remaining programs this year. Some of the parents did attend enough hours in numeracy instruction to be pre-post tested. It is unclear whether these parents are also parents who pre-post tested in reading.

In PY 2006-2007 programs incorporated only the PEP profiles I and II. This was our first year with PEP and we elected to begin with only two profiles due to the number of new assessment that programs were being asked to implement that year (CASAS, PPVT, EVT, PEP, and PALS). Programs continuing in PY 2007-2008 have received training and are currently implementing PEP Scales III and IV.

Note: This is a new data collection for the SY 2006-07 CSPR.

2.2.2.1 Adults Showing Significant Learning Gains on Measures of Reading

In the table below, provide the number of adults who showed significant learning gains on measures of reading. To be counted under "pre-and post-test", an individual must have completed both the pre-and post-tests. Do not include LEP adults.

The definition of "significant learning gains" for adult education is determined by your State's adult education program in conjunction with the Department of Education's Office of Vocational and Adult Education (OVAE).

These instructions/definitions apply to both 2.2.2.1 and 2.2.2.2.

	# Pre-and Post-Tested	# Who Met Goal	Explanation (if applicable)
TABE	0	0	Maine does not use the TABE test
CASAS	28	23	12 parents were also pre-post tested in math and 9 met their goals
Other	0	0	Not applicable
Comments: No further information available.			

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the number of adults pre-and post-tested has been added, but the number participating (cohort) has been deleted. This data collection requests the number of adults who showed significant gains. This is different from the SY 2005-06 CSPR, which requested the percentage of adults who showed significant gains.

2.2.2.2 LEP Adults Showing Significant Learning Gains on Measures of Reading

In the table below, provide the number of LEP adults who showed significant learning gains on measures of reading.

	# Pre-and Post-Tested	# Who Met Goal	Explanation (if applicable)
TABE	0	0	NOT APPLICABLE
CASAS	18	15	LEP parents were primarily Sudanese, Somali, and Bantu, with one or two Southeast Asians. Many of these parents were not literate in their primary language when entering the program.
Other	0	0	NOT APPLICABLE
Comments: Maine does not use the TABE.			

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the number of adults pre-and post-tested has been added, but the number participating (cohort) has been deleted. This data collection requests the number of adults who showed significant gains. This is different from the SY 2005-06 CSPR, which requested the percentage of adults who showed significant gains.

2.2.2.3 Adults Earning a High School Diploma or GED

In the table below, provide the number of school-age adults who earned a high school diploma or GED.

The following terms apply:

1. "School-age adults" is defined as any parent attending an elementary or secondary school. This also includes those adults within the State's compulsory attendance range who are being served in an alternative school setting, such as directly through the Even Start program.
2. "Non-school-age" adults are any adults who do not meet the definition of "school-age."
3. "Cohort" includes only those adult participants who had a realistic goal of earning a high school diploma or GED.

Note that age limitations on taking the GED differ by State, so you should include only those adult participants for whom attainment of a GED or high school diploma is a possibility.

School-Age Adults	# In Cohort	# Who Met Goal	Explanation (if applicable)
Diploma	N<10	N<10	No further information available
GED	0	0	No further information available
Other	0	0	No further information available.
Comments: No further information available.			

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. This data collection is requesting the number of school age adults earning a diploma or GED, which is a change from the SY 2005-06 CSPR where it requested the percentage.

Non-School-Age Adults	# In Cohort	# Who Met Goal	Explanation (if applicable)
Diploma	0	0	No further information available
GED	N<10	N<10	No further information available.
Other	0	0	No further information available.
Comments: No further information available.			

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. This data collection is requesting the number of non-school age adults earning a diploma or GED, which is a change from the SY 2005-06 CSPR where it requested the percentage. For the SY 2006-07 CSPR, the collection of diploma or GED data has been split into two rows, which is a change from the SY 2005-06 CSPR where it was collected together.

2.2.2.4 Children Entering Kindergarten Who Are Achieving Significant Learning Gains on Measures of Language Development

In the table below, provide the number of children who are achieving significant learning gains on measures of language development.

The following terms apply to 2.2.2.4 through 2.2.2.7:

1. A "significant learning gain" is considered to be a standard score increase of 4 or more points with a minimum 6 months between pre-and post-test.
2. "Age-Eligible" includes the total number of children who are expected to enter kindergarten in the school year following the reporting year.
3. "Tested" includes the number of age-eligible children who took both a pre-and post-test with at least 6 months of services in between.
4. "Exempted" includes the number of children exempted from testing due to a severe disability or inability to understand the directions in English.

	# Age-Eligible	#Tested	# Who Met Goal	# Exempted	Explanation (if applicable)
PPVT-III	13	13	10	0	3 of the children tested were LEP
Comments:					

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the number age eligible, the number tested and the number exempted have been added, but the number participating (cohort) has been deleted. This data collection is requesting the number of children entering kindergarten who are achieving significant learning gains, which is a change from the SY 2005-06 CSPR where it requested the percentage.

2.2.2.5 The Average Number of Letters Children Can Identify as Measured by the PALS Pre-K Upper Case Letter Naming Subtask

In the table below, provide the average number of letters children can identify as measured by the PALS Pre-K Upper Case Letter Naming Subtask.

The term "average number of letters" includes the average score for the children in your State who participated in this assessment. This should be provided as a weighted average and rounded to one decimal.

	# Age-Eligible	# Tested	Average Number of Letters (Weighted Average)	Explanation (if applicable)
PALS PreK Upper Case	13	12	17.0	8 of 13 tested were LEP
Comments:				

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the number age eligible, the number tested and the average number of letters (weighted average) have been added, but the number participating (cohort) has been deleted. This data collection is requesting the average number of letters children can identify, which is a change from the SY 2005-06 CSPR where it requested the percentage.

2.2.2.6 School-Aged Children Reading on Grade Level

In the table below, provide the number of school-age children who read on grade level. The source of these data is usually determined by the State and, in some cases, by school district. Please indicate the source(s) of the data in the "Explanation" field.

Grade	# In Cohort	# Who Met Goal	Explanation (include source of data)
K	N<10	N<10	Local school district assessments
1	11	N<10	Local school district assessments
2	N<10	N<10	Local school district assessments
3	11	N<10	Local school district assessments
Comments: No further information available.			

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. This data collection is requesting the number of school-age children reading on grade level, which is a change from the SY 2005-06 CSPR where it requested the percentage. The breakdown of grades K through 3rd is new for the SY 2006-07 CSPR.

2.2.2.7 Parents Who Show Improvement on Measures of Parental Support for Children's Learning in the Home, School Environment, and Through Interactive Learning Activities

In the table below, provide the number of parents who show improvement on measures of parental support for children's learning in the home, school environment, and through interactive learning activities.

While many states are using the PEP, other assessments of parenting education are acceptable. Please describe results and the source(s) of any non-PEP data in the "Other" field, with appropriate information in the Explanation field.

	# In Cohort	# Who Met Goal	Explanation (if applicable)
PEP Scale I	63	55	No further information available
PEP Scale II	63	53	No further information available
PEP Scale III	0	0	Not implemented in PY 06-07. See comment in 2.2.2
PEP Scale IV	0	0	Not implemented in PY 06-07. See comment in 2.2.2
Other	0	0	No further information available
Comments:			

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.2.2 of the SY 2005-06 CSPR. This data collection is requesting the number of parents who show improvement on measures of parental support, which is a change from the SY 2005-06 CSPR where it requested the percentage. The breakdown of PEP scales is new for the SY 2006-07 CSPR.

2.3 EDUCATION OF MIGRATORY CHILDREN (TITLE I, PART C)

This section collects data on the Migrant Education Program (Title I, Part C) for the reporting period of September 1, 2006 through August 31, 2007. This section is composed of the following subsections:

- Population data of eligible migrant children;
- Academic data of eligible migrant students;
- Participation data – migrant children served during either the regular school year, summer/intersession term, or program year;
- School data;
- Project data;
- Personnel data.

Where the table collects data by age/grade, report children in the highest age/grade that they attained during the reporting period. For example, a child who turns 3 during the reporting period would only be reported in the "Age 3 through 5 (not Kindergarten)" row.

FAQs at 1.10 contain definitions of out-of-school and ungraded that are used in this section.

2.3.1 Population Data

The following questions collect data on eligible migrant children.

2.3.1.1 Eligible Migrant Children

In the table below, provide the unduplicated number of eligible migrant children by age/grade. The total is calculated automatically.

Age/Grade	Eligible Migrant Children
Age birth through 2	N<10
Age 3 through 5 (not Kindergarten)	23
K	26
1	30
2	28
3	25
4	34
5	28
6	34
7	24
8	18
9	13
10	13
11	12
12	N<10
Ungraded	29
Out-of-school	0
Total	348
Comments: Based on current data	

Source – All rows except for "age birth through 2" are populated with the data provided in Part I, Section 1.10, Question 1.10.1. Initially, the row "age birth through 2" is pre-populated by ED Facts file N/X121 that is data group 634, subtotal 1. If necessary, it is updated through manual entry by the SEA into the online collection tool.

2.3.1.2 Priority for Services

In the table below, provide the unduplicated number of eligible migrant children who have been classified as having "Priority for Services." The total is calculated automatically. Below the table is a FAQ about the data collected in this table.

Age/Grade	Priority for Services
Age 3 through 5 (not Kindergarten)

Total	
Comments: Data has not been collected. Beginning in 2008, new efforts are being made to ensure that all relevant data are collected and maintained.	

Source – Initially, pre-populated by EDFacts file N/X121 that is data group 634, category set B. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This table was formerly part of section 2.3.1.1 of the SY 2005-06 CSPR.

FAQ on priority for services:

Who is classified as having "priority for service?" Migratory children who are failing, or most at risk of failing to meet the State's challenging academic content standards and student academic achievement standards, and whose education has been interrupted during the regular school year.

2.3.1.3 Limited English Proficient

In the table below, provide the unduplicated number of eligible migrant children who are also limited English proficient (LEP). The total is calculated automatically.

Age/Grade	Limited English Proficient (LEP)
Age 3 through 5 (not Kindergarten)	0

Comments: Data not available at state level. Data should be available in May of 2008.	

Source – Initially, pre-populated by EDFacts file N/X032 that is data group 326, category set E. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This table was formerly part of section 2.3.1.2 of the SY 2005-06 CSPR.

FAQ on Dropouts:

How is "dropped out of school" defined? The term used for students, who, during the reporting period, were enrolled in a public or private school for at least one day, but who subsequently left school with no plans on returning to enroll in a school and continue toward a high school diploma. Students who dropped out-of-school prior to the 2006-07 reporting period should be classified NOT as "dropped-out-of-school" but as "out-of-school youth."

2.3.2.2 GED

In the table below, provide the total unduplicated number of eligible migrant students who obtained a General Education Development (GED) Certificate in your state.

Obtained a GED in your state	0
Comments:	

Source – Manual entry by SEA into the online collection tool. Note: This table was formerly part of section 2.3.1.2 of the SY 2005-06 CSPR.

2.3.2.3 Participation in State NCLB Assessments

The following questions collect data about the participation of eligible migrant students in State NCLB Assessments.

2.3.2.3.1 Reading/Language Arts Participation

In the table below, provide the unduplicated number of eligible migrant students enrolled in school during the State testing window and tested by the State NCLB reading/language arts assessment by grade level. The totals are calculated automatically.

Grade	Enrolled	Tested
3	N<10	N<10
4	N<10	N<10
5	N<10	N<10
6	N<10	N<10

2.3.3 MEP Participation Data

The following questions collect data about the participation of migrant students served during the regular school year, summer/intersession term, or program year.

Unless otherwise indicated, participating migrant children include:

- Children who received instructional or support services funded in whole or in part with MEP funds.
- Children who received a MEP-funded service, even those children who continued to receive services (1) during the term their eligibility ended, (2) for one additional school year after their eligibility ended, if comparable services were not available through other programs, and (3) in secondary school after their eligibility ended, and served through credit accrual programs until graduation (e.g., children served under the continuation of services authority, Section 1304(e)(1– 3)).

Do not include:

- Children who were served through a Title I SWP where MEP funds were consolidated with those of other programs.
- Children who were served by a "referred" service only.

2.3.3.1 MEP Participation – Regular School Year

The following questions collect data on migrant children who participated in the MEP during the regular school year. Do not include:

- Children who were only served during the summer/intersession term.

2.3.3.1.1 MEP Students Served During the Regular School Year

In the table below, provide the unduplicated number of participating migrant children who received MEP-funded instructional or support services during the regular school year. Do not count the number of times an individual child received a service intervention. The total number of students served is calculated automatically.

2.3.3.1.4 Services

The following questions collect data on the services provided to participating migrant children during the regular school year.

FAQ on Services:

*What are services? Services are a subset of all allowable activities that the MEP can provide through its programs and projects. "Services" are those educational or educationally related activities that: (1) directly benefit a migrant child; (2) address a need of a migrant child consistent with the SEA's comprehensive needs assessment and service delivery plan; (3) are grounded in scientifically based research or, in the case of support services, are a generally accepted practice; and (4) are designed to enable the program to meet its measurable outcomes and contribute to the achievement of the State's performance targets. Activities related to identification and recruitment activities, parental involvement, program evaluation, professional development, or administration of the program are examples of allowable activities that are **NOT** considered services. Other examples of an allowable activity that would not be considered a service would be the one-time act of providing instructional packets to a child or family, and handing out leaflets to migrant families on available reading programs as part of an effort to increase the reading skills of migrant children. Although these are allowable activities, they are not services because they do not meet all of the criteria above.*

2.3.3.1.4.1 Instructional Service – During the Regular School Year

In the table below, provide the unduplicated number of participating migrant children who received any type of MEP-funded instructional service during the regular school year. Include children who received instructional services provided by either a teacher or a paraprofessional. Children should be reported only once regardless of the frequency with which they received a service intervention. The total is calculated automatically.

Age/Grade	Children Receiving an Instructional Service

2.3.3.1.4.2 Type of Instructional Service

In the table below, provide the number of participating migrant children reported in the table above who received reading instruction, mathematics instruction, or high school credit accrual during the regular school year. Include children who received such instructional services provided by a teacher only. Children may be reported as having received more than one type of instructional service in the table. However, children should be reported only once within each type of instructional service that they received regardless of the frequency with which they received the instructional service. The totals are calculated automatically.

2.3.3.1.4.3 Support Services with Breakout for Counseling Service

In the table below, in the column titled Support Services, provide the unduplicated number of participating migrant children who received any MEP-funded support service during the regular school year. In the column titled Counseling Service, provide the unduplicated number of participating migrant children who received a counseling service during the regular school year. Children should be reported only once in each column regardless of the frequency with which they received a support service intervention. The totals are calculated automatically.

Note: This table was formerly part of section 2.3.1.3.1 of the SY 2005-06 CSPR.

FAQs on Support Services:

- a. *What are support services? These MEP-funded services include, but are not limited to, health, nutrition, counseling, and social services for migrant families; necessary educational supplies, and transportation. The one-time act of providing instructional or informational packets to a child or family does not constitute a support service.*
- b. *What are counseling services? Services to help a student to better identify and enhance his or her educational, personal, or occupational potential; relate his or her abilities, emotions, and aptitudes to educational and career opportunities; utilize his or her abilities in formulating realistic plans; and achieve satisfying personal and social development. These activities take place between one or more counselors and one or more students as counselees, between students and students, and between counselors and other staff members. The services can also help the child address life problems or personal crisis that result from the culture of migrancy.*

2.3.3.1.4.4 Referred Service – During the Regular School Year

In the table below, provide the unduplicated number of participating migrant children who, during the regular school year, received an educational or educationally related service funded by another non-MEP program/organization that they would not have otherwise received without efforts supported by MEP funds. Children should be reported only once regardless of the frequency with which they received a referred service. Include children who were served by a referred service only or who received both a referred service and MEP-funded services. Do not include children who were referred, but received no services. The total is calculated automatically.

2.3.3.2 MEP Participation – Summer/Intersession Term

The questions in this subsection are similar to the questions in the previous section. There are two differences. First, the questions in this subsection collect data on the summer/intersession term instead of the regular school year. The second is the source for the table on migrant students served during the summer/intersession is EDFacts file N/X124 that includes data group 637.

2.3.3.2.1 MEP Students Served During the Summer/Intersession Term

In the table below, provide the unduplicated number of participating migrant children who received MEP-funded instructional or support services during the summer/intersession term. Do not count the number of times an individual child received a service intervention. The total number of students served is calculated automatically.

Age/Grade	Served During Summer/Intersession Term

2.3.3.2.4 Services

The following questions collect data on the services provided to participating migrant children during the summer/intersession term.

FAQ on Services:

*What are services? Services are a subset of all allowable activities that the MEP can provide through its programs and projects. "Services" are those educational or educationally related activities that: (1) directly benefit a migrant child; (2) address a need of a migrant child consistent with the SEA's comprehensive needs assessment and service delivery plan; (3) are grounded in scientifically based research or, in the case of support services, are a generally accepted practice; and (4) are designed to enable the program to meet its measurable outcomes and contribute to the achievement of the State's performance targets. Activities related to identification and recruitment activities, parental involvement, program evaluation, professional development, or administration of the program are examples of allowable activities that are **NOT** considered services. Other examples of an allowable activity that would not be considered a service would be the one-time act of providing instructional packets to a child or family, and handing out leaflets to migrant families on available reading programs as part of an effort to increase the reading skills of migrant children. Although these are allowable activities, they are not services because they do not meet all of the criteria above.*

2.3.3.2.4.1 Instructional Service – During the Summer/Intersession Term

In the table below, provide the unduplicated number of participating migrant children who received any type of MEP-funded instructional service during the summer/intersession term. Include children who received instructional services provided by either a teacher or a paraprofessional. Children should be reported only once regardless of the frequency with which they received a service intervention. The total is calculated automatically.

2.3.3.2.4.2 Type of Instructional Service

In the table below, provide the number of participating migrant children reported in the table above who received reading instruction, mathematics instruction, or high school credit accrual during the summer/intersession term. Include children who received such instructional services provided by a teacher only. Children may be reported as having received more than one type of instructional service in the table. However, children should be reported only once within each type of instructional service that they received regardless of the frequency with which they received the instructional service. The totals are calculated automatically.

Age/Grade	Reading Instruction	Mathematics Instruction	High School Credit Accrual

2.3.4 School Data

The following questions are about the enrollment of eligible migrant children in schools during the regular school year.

2.3.4.1 Schools and Enrollment

In the table below, provide the number of public schools that enrolled eligible migrant children at any time during the regular school year. Schools include public schools that serve school age (e.g., grades K through 12) children. Also, provide the number of eligible migrant children who were enrolled in those schools. Since more than one school in a State may enroll the same migrant child at some time during the year, the number of children may include duplicates.

	Number
Number of schools that enrolled eligible migrant children	53
Number of eligible migrant children enrolled in those schools	126
Comments: Correct based on current data available	

Source – Initially, pre-populated by EDFacts file N/X102 that includes data group 110. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This table was formerly part of section 2.3.1.4 of the SY 2005-06 CSPR. This data collection has been changed to include public schools only.

2.3.4.2 Schools Where MEP Funds Were Consolidated in Schoolwide Programs

In the table below, provide the number of schools where MEP funds were consolidated in an SWP. Also, provide the number of eligible migrant children who were enrolled in those schools at any time during the regular school year. Since more than one school in a State may enroll the same migrant child at some time during the year, the number of children may include duplicates.

	Number
Number of schools where MEP funds were consolidated in a schoolwide program	0
Number of eligible migrant children enrolled in those schools	0
Comments:	

Source – Initially, pre-populated by EDFacts file N/X102 that includes data groups 110 and 514. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This table was formerly part of section 2.3.1.4 of the SY 2005-06 CSPR.

2.3.5 MEP Project Data

The following questions collect data on MEP projects.

2.3.5.1 Type of MEP Project

In the table below, provide the number of projects that are funded in whole or in part with MEP funds. A MEP project is the entity that receives MEP funds by a subgrant from the State or through an intermediate entity that receives the subgrant and provides services directly to the migrant child. Do not include projects where MEP funds were consolidated in SWP.

Also, provide the number of migrant children participating in the projects. Since children may participate in more than one project, the number of children may include duplicates.

Below the table are FAQs about the data collected in this table.

Type of MEP Project	Number of MEP Projects	Number of Migrant Children Participating in the Projects
1. Regular school year – school day only	0	0
2. Regular school year – school day/extended day	0	0
3. Summer/intersession only	1	169
4. Year round	1	10
Comments: Based on current data		

Source – Manual entry by SEA into the online collection tool. Note: This table was formerly part of section 2.3.1.5.1 of the SY 2005-06 CSPR. FAQs on type of MEP project:

- a. *What is a project? A project is any entity that receives MEP funds either as a subgrantee or from a subgrantee and provides services directly to migrant children in accordance with the State Service Delivery Plan and State approved subgrant applications. A project's services may be provided in one or more sites.*
- b. *What are Regular School Year – School Day Only projects? Projects where all MEP services are provided during the school day during the regular school year.*
- c. *What are Regular School Year – School Day/Extended Day projects? Projects where some or all MEP services are provided during an extended day or week during the regular school year (e.g., some services are provided during the school day and some outside of the school day; e.g., all services are provided outside of the school day).*
- d. *What are Summer/Intersession Only projects? Projects where all MEP services are provided during the summer/intersession term.*
- e. *What are Year Round projects? Projects where all MEP services are provided during the regular school year and summer/intersession term.*

2.3.6 MEP Personnel Data

The following questions collect data on MEP personnel data.

2.3.6.1 Key MEP Personnel

The following questions collect data about the key MEP personnel.

2.3.6.1.1 MEP State Director

In the table below, provide the FTE amount of time the State director performs MEP duties (regardless of whether the director is funded by State, MEP, or other funds) during the reporting period (e.g., September 1 through August 31). Below the table are FAQs about the data collected in this table.

State Director FTE	0.5
Comments: The reporting period of Sept. 1, 2006 to August 31, 2007, was split between two full-time directors. Director #1 (Juliana Bean) worked a total of 86 days during the reporting period. Director #2 (Danna Lee) worked a total of 38 days during the reporting period. The calculation is based on a FTE of 260 days annually. During the remaining 136, the Director's position remained vacant.	

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.3.1.5.2 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the number of MEP funded staff in the regular school year, the number of MEP funded staff in summer term/intersession and the FTE amount of time in summer term/intersession have been deleted.

FAQs on the MEP State director

- a. *How is the FTE calculated for the State director? Calculate the FTE using the number of days worked for the MEP. To do so, first define how many full-time days constitute one FTE for the State director in your State for the reporting period. To calculate the FTE number, sum the total days the State director worked for the MEP during the reporting period and divide this sum by the number of full-time days that constitute one FTE in the reporting period.*
- b. *Who is the State director? The manager within the SEA who administers the MEP on a statewide basis.*

2.3.6.1.2 MEP Staff

In the table below, provide the headcount and FTE by job classification of the staff funded by the MEP. Do not include staff employed in SWP where MEP funds were combined with those of other programs. Below the table are FAQs about the data collected in this table.

Job Classification	Regular School Year		Summer/Intersession Term	
	Headcount	FTE	Headcount	FTE
Teachers	1	0.04	16	7.67
Counselors	0	0.00	0	0.00
All paraprofessionals	2	0.06	14	7.62
Recruiters	0	0.00	3	1.5
Records transfer staff	1	0.04	0	0.00
Comments: Based on current data.				

Source – Initially, pre-populated by ED Facts file N/X065 that includes data groups 515 and 625, category A. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This table was formerly part of section 2.3.1.5.2 of the SY 2005-06 CSPR.

FAQs on MEP staff:

a. *How is the FTE calculated? The FTE may be calculated using one of two methods:*

To calculate the FTE, in each job category, sum the percentage of time that staff were funded by the MEP and enter the total FTE for that category.

Calculate the FTE using the number of days worked. To do so, first define how many full-time days constitute one FTE for each job classification in your State for each term. (For example, one regular-term FTE may equal 180 full-time (8 hour) work days; one summer term FTE may equal 30 full-time work days; or one intersession FTE may equal 45 full-time work days split between three 15-day non-contiguous blocks throughout the year.) To calculate the FTE number, sum the total days the individuals worked in a particular job classification for a term and divide this sum by the number of full-time days that constitute one FTE in that term.

b. *Who is a teacher? A classroom instructor who is licensed and meets any other teaching requirements in the State.*

c. *Who is a counselor? A professional staff member who guides individuals, families, groups, and communities by assisting them in problem-solving, decision-making, discovering meaning, and articulating goals related to personal, educational, and career development.*

d. *Who is a paraprofessional? An individual who: (1) provides one-on-one tutoring if such tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher; (2) assists with classroom management, such as organizing instructional and other materials; (3) provides instructional assistance in a computer laboratory; (4) conducts parental involvement activities; (5) provides support in a library or media center; (6) acts as a translator; or (7) provides instructional support services under the direct supervision of a teacher (Title I, Section 1119(g)(2)). Because a paraprofessional provides instructional support, he/she should not be providing planned direct instruction or introducing to students new skills, concepts, or academic content. Individuals who work in food services, cafeteria or playground supervision, personal care services, non-instructional computer assistance, and similar positions are not considered paraprofessionals under Title I.*

e. *Who is a recruiter? A staff person responsible for identifying and recruiting children as eligible for the MEP and documenting their eligibility on the Certificate of Eligibility.*

f. *Who is a record transfer staffer? An individual who is responsible for entering, retrieving, or sending student records from or to another school or student records system.*

2.3.6.1.3 Qualified Paraprofessionals

In the table below, provide the headcount and FTE of the qualified paraprofessionals funded by the MEP. Do not include staff employed in SWP where MEP funds were combined with those of other programs. Below the table are FAQs about the data collected in this table.

Job Classification	Regular School Year		Summer/Intersession Term	
	Headcount	FTE	Headcount	FTE
Qualified paraprofessionals	1	0.04	8	4.02
Comments: Based on current data.				

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly part of section 2.3.1.5.2 of the SY 2005-06 CSPR.

FAQs on qualified paraprofessionals:

a. *How is the FTE calculated? The FTE may be calculated using one of two methods:*

To calculate the FTE, sum the percentage of time that staff were funded by the MEP and enter the total FTE for that category.

Calculate the FTE using the number of days worked. To do so, first define how many full-time days constitute one FTE in your State for each term. (For example, one regular-term FTE may equal 180 full-time (8 hour) work days; one summer term FTE may equal 30 full-time work days; or one intersession FTE may equal 45 full-time work days split between three 15-day non-contiguous blocks throughout the year.) To calculate the FTE number, sum the total days the individuals worked for a term and divide this sum by the number of full-time days that constitute one FTE in that term.

b. *Who is a qualified paraprofessional? A qualified paraprofessional must have a secondary school diploma or its recognized equivalent and have (1) completed 2 years of study at an institution of higher education; (2) obtained an associate's (or higher) degree; or (3) met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness) (Section 1119(c) and (d) of ESEA).*

2.4 PREVENTION AND INTERVENTION PROGRAMS FOR CHILDREN AND YOUTH WHO ARE NEGLECTED, DELINQUENT, OR AT RISK (TITLE I, PART D, SUBPARTS 1 AND 2)

This section collects data on programs and facilities that serve students who are neglected, delinquent, or at risk under Title I, Part D, and characteristics about and services provided to these students.

Throughout this section:

- Report data for the program year of July 1, 2006 through June 30, 2007.
- Count programs/facilities based on how the program was classified to ED for funding purposes.
- Do not include programs funded solely through Title I, Part A.

Use the definitions listed below:

Adult Corrections: An adult correctional institution is a facility in which persons, including persons 21 or under, are confined as a result of conviction for a criminal offense.

At-Risk Programs: Programs operated (through LEAs) that target students who are at risk of academic failure, have a drug or alcohol problem, are pregnant or parenting, have been in contact with the juvenile justice system in the past, are at least 1 year behind the expected age/grade level, have limited English proficiency, are gang members, have dropped out of school in the past, or have a high absenteeism rate at school.

Juvenile Corrections: An institution for delinquent children and youth is a public or private residential facility other than a foster home that is operated for the care of children and youth who have been adjudicated delinquent or in need of supervision. Include any programs serving adjudicated youth (including non-secure facilities and group homes) in this category.

Juvenile Detention Facilities: Detention facilities are shorter-term institutions that provide care to children who require secure custody pending court adjudication, court disposition, or execution of a court order, or care to children after commitment.

Multiple Purpose Facility: An institution/facility/program that serves more than one programming purpose. For example, the same facility may run both a juvenile correction program and a juvenile detention program.

Neglected Programs: An institution for neglected children and youth is a public or private residential facility, other than a foster home, that is operated primarily for the care of children who have been committed to the institution or voluntarily placed under applicable State law due to abandonment, neglect, or death of their parents or guardians.

Other: Any other programs, not defined above, which receive Title I, Part D funds and serve non-adjudicated children and youth.

2.4.1 State Agency Title I, Part D Programs and Facilities – Subpart 1

The following questions collect data on Title I, Part D, Subpart 1 programs and facilities.

2.4.1.1 Programs and Facilities -Subpart 1

In the table below, provide the number of State agency Title I, Part D, Subpart 1 programs and facilities that serve neglected and delinquent students and the average length of stay by program/facility type, for these students. Report only programs and facilities that received Title I, Part D, Subpart 1 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. Make sure to identify the number of multipurpose facilities that were included in the facility/program count in the second table. The total number of programs/facilities will be automatically calculated. Below the table is a FAQ about the data collected in this table.

State Program/Facility Type	# Programs/Facilities	Average Length of Stay in Days
1. Neglected programs	0	0
2. Juvenile detention	2	19
3. Juvenile corrections	2	310
4. Adult corrections	1	180
5. Other	0	0
Total	5	102

Source – Manual entry by SEA into the online collection tool.

How many of the programs listed in the table above are in a multiple purpose facility?

	#
Programs in a multiple purpose facility	4
Comments: These data are correct based on our current information.	

Note: This table was formerly part of section 2.4.1.1 of the SY 2005-06 CSPR. The unduplicated count of Neglected and Delinquent students has been moved for the SY 2006-07 CSPR. The additional calculation of total number of programs/facilities is new for the SY 2006-07 CSPR.

FAQ on Programs and Facilities -Subpart I:

How is average length of stay calculated? The average length of stay should be weighted by number of students and should include the number of days, per visit, for each student enrolled during the reporting year, regardless of entry or exit date. Multiple visits for students who entered more than once during the reporting year can be included. The average length of stay in days should not exceed 365.

2.4.1.1.1 Programs and Facilities That Reported -Subpart 1

In the table below, provide the number of State agency programs/facilities that reported data on neglected and delinquent students.

The total row will be automatically calculated.

State Program/Facility Type	# Reporting Data
1. Neglected Programs	0
2. Juvenile Detention	1
3. Juvenile Corrections	2
4. Adult Corrections	1
5. Other	0
Total	4
Comments: This is correct based on our current knowledge	

Source – Manual entry by SEA into the online collection tool. Note: This is a new data collection for the SY 2006-07 CSPR.

2.4.1.2 Students Served – Subpart 1

In the tables below, provide the number of neglected and delinquent students served in State agency Title I, Part D, Subpart 1 programs and facilities. Report only students who received Title I, Part D, Subpart 1 services during the reporting year. In the first table, provide in row 1 the unduplicated number of students served by each program, and in row 2, the total number of students in row 1 that are long-term. In the subsequent tables provide the number of students served by race/ethnicity, by sex, and by age. The total number of students by race/ethnicity, by sex and by age will be automatically calculated.

# of Students Served	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
Total Unduplicated Students Served	0	336	326	38	0
Long Term Students Served	0	0	326	28	0

Race/Ethnicity	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
American Indian or Alaska Native	0	14	12	N<10	0
Asian or Pacific Islander	0	N<10	N<10	0	0
Black, non-Hispanic	0	10	10	0	0
Hispanic	0	N<10	N<10	N<10	0
White, non-Hispanic	0	309	299	36	0
Total	0	336	326	38	0

Sex	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
Male	0	281	297	38	
Female	0	55	29	0	
Total	0	336	326	38	

Age	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
3 through 5	0	0	0	0	0
6	0	0	0	0	0
7	0	0	0	0	0
8	0	0	0	0	0
9	0	0	0	0	0
10	0	0	0	0	0
11	0	N<10	0	0	0
12	0	N<10	0	0	0
13	0	12	N<10	0	0
14	0	27	N<10	0	0
15	0	58	46	0	0
16	0	73	56	0	0
17	0	118	156	0	0
18	0	34	45	N<10	0
19	0	N<10	11	N<10	0
20	0	3	4	12	0
21	0	1	0	22	0
Total	0	336	326	38	0

If the total number of students differs by demographics, please explain.

Comments: This is correct based on current information Note: For the SY 2006-07 CSPR, the age groupings that were present in the SY 2005-06 CSPR have been changed to collect data by each age year.

FAQ on Unduplicated Count:

What is an unduplicated count? An unduplicated count is one that counts students only once, even if they were admitted to a facility or program multiple times within the reporting year.

FAQ on long-term:

What is long-term? Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2006 through June 30, 2007.

Note: In the remaining tables, report numbers for juvenile detention and correctional facilities together in a single column.

2.4.1.3 Programs/Facilities Academic Offerings – Subpart 1

In the table below, provide the number of programs/facilities (not students) that received Title I, Part D, Subpart 1 funds and awarded at least one high school course credit, one high school diploma, and/or one GED within the reporting year. Include programs/facilities that directly awarded a credit, diploma, or GED, as well as programs/facilities that made awards through another agency. The numbers should not exceed those reported earlier in the facility counts.

# Programs That	Neglected Programs	Juvenile Corrections/Detention Facilities	Adult Corrections Facilities	Other Programs
1. Awarded high school course credit(s)	0	2	0	0
2. Awarded high school diploma(s)	0	2	0	0
3. Awarded GED(s)	0	3	1	0
Comments: This is correct based on current information				

Source – Manual entry by the SEA into the online collection tool.

2.4.1.4 Academic Outcomes – Subpart 1

The following questions collect academic outcome data on students served through Title I, Part D, Subpart 1.

2.4.1.4.1 Academic Outcomes While in the State Agency Program/Facility

In the table below, provide the unduplicated number of students who attained academic outcomes while in the State agency program/facility by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/Detention Facilities	Adult Corrections Facilities	Other Programs
1. Earned high school course credits	0	278	0	0
2. Enrolled in a GED program	0	71	38	0
Comments: This is correct based on current information.				

Source – Manual entry by the SEA into the online collection tool. Note: This

was formerly part of section 2.4.1.3 of the SY 2005-06 CSPR.

2.4.1.4.2 Academic Outcomes While in the State Agency Program/Facility or Within 30 Calendar Days After Exit

In the table below, provide the unduplicated number of students who attained academic outcomes while in the State agency program/facility or within 30 calendar days after exit, by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/Detention Facilities	Adult Corrections Facilities	Other Programs
1. Enrolled in their local district school	0	176	0	0
2. Earned a GED	0	63	22	0
3. Obtained high school diploma	0	12	0	0
4. Were accepted into post-secondary education	0	34	N<10	0
5. Enrolled in post-secondary education	0	34	N<10	
Comments: Correct based on current information				

Source – Manual entry by the SEA into the online collection tool. Note: This was formerly part of section 2.4.1.3 of the SY

2005-06 CSPR.

2.4.1.5 Vocational Outcomes – Subpart 1

The following questions collect data on vocational outcomes of students served through Title I, Part D, Subpart 1.

2.4.1.5.1 Vocational Outcomes While in the State Agency Program/Facility

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the State agency program by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/Detention Facilities	Adult Corrections Facilities	Other Programs
Enrolled in elective job training courses/programs	0	118	0	0
Comments: Correct based on current information.				

Source – Manual entry by the SEA into the online collection tool. Note: This was formerly part of section 2.4.1.3 of the SY 2005-06 CSPR.

2.4.1.5.2 Vocational Outcomes While in the State Agency Program/Facility or Within 30 Days After Exit

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the State agency program/facility or within 30 days after exit, by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/Detention Facilities	Adult Corrections Facilities	Other Programs
1. Enrolled in external job training education	0	0	0	0
2. Obtained employment	0	60	0	0
Comments: Correct based on current information				

Source – Manual entry by the SEA into the online collection tool. Note: This was formerly part of section 2.4.1.3 of the SY 2005-06 CSPR.

2.4.1.6 Academic Performance – Subpart 1

The following questions collect data on the academic performance of neglected and delinquent students served by Title I, Part D, Subpart 1 in reading and mathematics.

2.4.1.6.1 Academic Performance in Reading – Subpart 1

In the format of the table below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 1, who participated in pre-and post-testing in reading. Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2006, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Throughout the table, report numbers for juvenile detention and correctional facilities together in a single column. Students should be reported in only one of the five change categories (rows 3 through 7). Below the table is a FAQ about the data collected in this table.

Performance Data (Based on most recent pre/post-test data)	Neglected Programs	Juvenile Corrections/ Detention	Adult Corrections	Other Programs
1. Long-term students who tested below grade level upon entry	0	73	21	0
2. Long-term students who have complete pre- and post-test results (data)	0	55	21	0

Of the students reported in row 2 above, indicate the number who showed:

Performance Data (Based on most recent pre/post-test data)	Neglected Programs	Juvenile Corrections/ Detention	Adult Corrections	Other Programs
3. Negative grade level change from the pre-to post-test exams	0	N<10	N<10	0
4. No change in grade level from the pre-to post-test exams	0	N<10	N<10	0
5. Improvement of up to 1/2 grade level from the pre-to post-test exams	0	16	N<10	0
6. Improvement from 1/2 up to one full grade level from the pre-to post-test exams	0	15	N<10	0
7. Improvement of more than one full grade level from the pre-to post-test exams	0	17	10	0
Comments: Correct based on current information				

Source – Initially, pre-populated by ED Facts file N/X113 that is data group 628, category sets A and B. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This was formerly part of section 2.4.1.6 of the SY 2005-06 CSPR.

FAQ on long-term students:

What is long-term? Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2006 through June 30, 2007.

2.4.1.6.2 Academic Performance in Mathematics – Subpart 1

This section is similar to 2.4.1.6.1. The only difference is that this section collects data on mathematics performance.

Performance Data (Based on most recent pre/post-test data)	Neglected Programs	Juvenile Corrections/ Detention	Adult Corrections	Other Programs
1. Long-term students who tested below grade level upon entry	0	82	23	0
2. Long-term students who have complete pre-and post-test results (data)	0	55	14	0

Of the students reported in row 2 above, indicate the number who showed:

Performance Data (Based on most recent pre/post-test data)	Neglected Programs	Juvenile Corrections/ Detention	Adult Corrections	Other Programs
3. Negative grade level change from the pre-to post-test exams	0	N<10	N<10	0
4. No change in grade level from the pre-to post-test exams	0	N<10	N<10	0
5. Improvement of up to 1/2 grade level from the pre-to post-test exams	0	22	N<10	0
6. Improvement from 1/2 up to one full grade level from the pre-to post-test exams	0	22	0	0
7. Improvement of more than one full grade level from the pre-to post-test exams	0	N<10	N<10	0
Comments: Correct based on current information				

Source – Initially, pre-populated by EDFacts file N/X113 that is data group 628, category sets A and B. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This was formerly part of section 2.4.1.6 of the SY 2005-06 CSPR.

2.4.2 LEA Title I, Part D Programs and Facilities – Subpart 2

The following questions collect data on Title I, Part D, Subpart 2 programs and facilities.

2.4.2.1 Programs and Facilities – Subpart 2

In the table below, provide the number of LEA Title I, Part D, Subpart 2 programs and facilities that serve neglected and delinquent students and the yearly average length of stay by program/facility type for these students. Report only the programs and facilities that received Title I, Part D, Subpart 2 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. Make sure to identify the number of multipurpose facilities that were included in the facility/program count in the second table. The total number of programs/ facilities will be automatically calculated. Below the table is a FAQ about the data collected in this table.

State Program/Facility Type	# Programs/Facilities	Average Length of Stay in Days
1. At-risk programs	0	0
2. Neglected programs	0	0
3. Juvenile detention	0	0
4. Juvenile corrections	0	0
5. Other	0	0
Total	0	0

Source – Manual entry by SEA into the online collection tool.

How many of the programs listed in the table above are in a multiple purpose facility?

	#
Programs in a multiple purpose facility	0
Comments: Correct based on current information	

Note: This table was formerly part of section 2.4.2.1 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the unduplicated count of neglected and delinquent children has been moved. The category At-risk or Other has been split into two separate categories for the SY 2006-07 CSPR.

FAQ on average length of stay:

How is average length of stay calculated? The average length of stay should be weighted by number of students and should include the number of days, per visit for each student enrolled during the reporting year, regardless of entry or exit date. Multiple visits for students who entered more than once during the reporting year can be included. The average length of stay in days should not exceed 365.

2.4.2.1.1 Programs and Facilities That Reported -Subpart 2

In the table below, provide the number of LEAs that reported data on neglected and delinquent students. The total row will be automatically calculated.

State Program/Facility Type	# Reporting Data
1. At-risk programs	0
2. Neglected programs	0
3. Juvenile detention	0
4. Juvenile corrections	0
5. Other	0
Total	0
Comments: Correct based on current information	

Source – Manual entry by SEA into the online collection tool. Note: This is a new data collection for the SY 2006-07 CSPR.

2.4.2.2 Students Served – Subpart 2

In the tables below, provide the number of neglected and delinquent students served in LEA Title I, Part D, Subpart 2 programs and facilities. Report only students who received Title I, Part D, Subpart 2 services during the reporting year. In the first table, provide in row 1 the unduplicated number of students served by each program, and in row 2, the total number of students in row 1 who are long-term. In the subsequent tables, provide the number of students served by race/ethnicity, by sex, and by age. The total number of students by race/ethnicity, by sex, and by age will be automatically calculated.

# of Students Served	At-Risk Programs	Neglected Programs	Juvenile Detention	Juvenile Corrections	Other Programs
Total Unduplicated Students Served	0	0	0	0	0
Total Long Term Students Served	0	0	0	0	0

Race/Ethnicity	At-Risk Programs	Neglected Programs	Juvenile Detention	Juvenile Corrections	Other Programs
American Indian or Alaska Native	0	0	0	0	0
Asian or Pacific Islander	0	0	0	0	0
Black, non-Hispanic	0	0	0	0	0
Hispanic	0	0	0	0	0
White, non-Hispanic	0	0	0	0	0
Total	0	0	0	0	0

Sex	At-Risk Programs	Neglected Programs	Juvenile Detention	Juvenile Corrections	Other Programs
Male	0	0	0	0	0
Female	0	0	0	0	0
Total	0	0	0	0	0

Age	At-Risk Programs	Neglected Programs	Juvenile Detention	Juvenile Corrections	Other Programs

18	0	0	0	0	0
19	0	0	0	0	0
20	0	0	0	0	0
21	0	0	0	0	0
Total	0	0	0	0	0

If the total number of students differs by demographics, please explain.

Comments: Correct data based on current information Note: For this data collection, the age groupings that were present in the SY 2005-06 CSPR have been changed to collect data by each age year. In addition, the column At-risk and Other was split into two separate columns.

FAQ on Unduplicated Count:

What is an unduplicated count? An unduplicated count is one that counts students only once, even if they were admitted to a facility or program multiple times within the reporting year.

FAQ on long-term:

What is long-term? Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2006 through June 30, 2007.

Note: In the remaining tables, report numbers for juvenile detention and correctional facilities together in a single column.

2.4.2.3 Programs/Facilities Academic Offerings – Subpart 2

In the table below, provide the number of programs/facilities (not students) that received Title I, Part D, Subpart 2 funds and awarded at least one high school course credit, one high school diploma, and/or one GED within the reporting year. Include programs/facilities that directly awarded a credit, diploma, or GED, as well as programs/facilities that made awards through another agency. The numbers should not exceed those reported earlier in the facility counts.

LEA Programs That	At-Risk Programs	Neglected Programs	Juvenile Detention/Corrections	Other Programs
1. Awarded high school course credit(s)	0	0	0	0
2. Awarded high school diploma(s)	0	0	0	0
3. Awarded GED(s)	0	0	0	0
Comments: Correct based on current information				

Source – Manual entry by the SEA into the online collection tool.

Note: This was formerly part of section 2.4.2.3 of the SY 2005-06 CSPR. In addition, the column At-risk and Other was split into two separate columns.

2.4.2.4 Academic Outcomes – Subpart 2

The following questions collect academic outcome data on students served through Title I, Part D, Subpart 2.

2.4.2.4.1 Academic Outcomes While in the LEA Program/Facility

In the table below, provide the unduplicated number of students who attained academic outcomes while in the LEA program/facility by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/Detention	Other Programs
1. Earned high school course credits	0	0	0	0
2. Enrolled in a GED program	0	0	0	0
Comments: Correct based on current information				

Source – Manual entry by the SEA into the online collection tool. Note: This was formerly part of section 2.4.1.3 of the SY 2005-06 CSPR.

2.4.2.4.2 Academic Outcomes While in the LEA Program/Facility or Within 30 Calendar Days After Exit

In the table below, provide the unduplicated number of students who attained academic outcomes while in the LEA program/facility or within 30 calendar days after exit, by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/Detention	Other Programs
1. Enrolled in their local district school	0	0	0	0
2. Earned a GED	0	0	0	0
3. Obtained high school diploma	0	0	0	0
4. Were accepted into post-secondary education	0	0	0	0
5. Enrolled in post-secondary education	0	0	0	0
Comments: Correct based on current information				

Source – Manual entry by the SEA into the online collection tool.

Note: This was formerly part of section 2.4.2.3 of the SY 2005-06 CSPR. In addition, the column At-risk and Other was split into two separate columns.

2.4.2.5 Vocational Outcomes – Subpart 2

The following questions collect data on vocational outcomes of students served through Title I, Part D, Subpart 2.

2.4.2.5.1 Vocational Outcomes While in the LEA Program/Facility

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the LEA program by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/Detention	Other Programs
1. Enrolled in elective job training courses/programs	0	0	0	0
Comments: Correct based on current information				

Source – Manual entry by the SEA into the online collection tool.

Note: This was formerly part of section 2.4.2.3 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the column At-risk and Other was split into two separate columns.

2.4.2.5.2 Vocational Outcomes While in the LEA Program/Facility or Within 30 Days After Exit

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the LEA program/facility or within 30 days after exit, by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/Detention	Other Programs
1. Enrolled in external job training education	0	0	0	0
2. Obtained employment	0	0	0	0
Comments: Correct based on current information				

Source – Manual entry by the SEA into the online collection tool.

Note: This was formerly part of section 2.4.2.3 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the column At-risk and Other was split into two separate columns.

2.4.2.6 Academic Performance – Subpart 2

The following questions collect data on the academic performance of neglected and delinquent students served by Title I, Part D, Subpart 2 in reading and mathematics.

2.4.2.6.1 Academic Performance in Reading – Subpart 2

In the format of the table below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 2, who participated in pre-and post-testing in reading. Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2006, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Throughout the table, report numbers for juvenile detention and correctional facilities together in a single column. Students should be reported in only one of the five change categories (rows 3 through 7). Below the table is a FAQ about the data collected in this table.

Performance Data (Based on most recent pre/post-test data)	At-Risk Programs	Neglected Programs	Juvenile Corrections/ Detention	Other Programs
1. Long-term students who tested below grade level upon entry	0	0	0	0
2. Long-term students who have complete pre-and post-test results (data)	0	0	0	0

Of the students reported in row 2 above, indicate the number who showed:

Performance Data (Based on most recent pre/post-test data)	At-Risk Programs	Neglected Programs	Juvenile Corrections/ Detention	Other Programs
3. Negative grade level change from the pre-to post-test exams	0	0	0	0
4. No change in grade level from the pre-to post-test exams	0	0	0	0
5. Improvement of up to 1/2 grade level from the pre-to post-test exams	0	0	0	0
6. Improvement from 1/2 up to one full grade level from the pre-to post-test exams	0	0	0	0
7. Improvement of more than one full grade level from the pre-to post-test exams	0	0	0	0
Comments: Correct based on current information				

Source – Initially, pre-populated by EDFacts file N/X125 that is data group 629, category sets A and B. If necessary, it is updated through manual entry by the SEA into the online collection tool.

Note: This was formerly part of section 2.4.2.6 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the column At-risk and Other was split into two separate columns.

FAQ on long-term:

What is long-term? Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2006, through June 30, 2007.

2.4.2.6.2 Academic Performance in Mathematics – Subpart 2

This section is similar to 2.4.2.6.1. The only difference is that this section collects data on mathematics performance.

Performance Data (Based on most recent pre/post-test data)	At-Risk Programs	Neglected Programs	C Juvenile orrections/ Detention	Other Programs
1. Long-term students who tested below grade level upon entry	0	0	0	0
2. Long-term students who have complete pre-and post-test results (data)	0	0	0	0

Of the students reported in row 2 above, indicate the number who showed:

Performance Data (Based on most recent pre/post-test data)	At-Risk Programs	Neglected Programs	Juvenile Corrections/ Detention	Other Programs
3. Negative grade level change from the pre-to post-test exams	0	0	0	0
4. No change in grade level from the pre-to post-test exams	0	0	0	0
5. Improvement of up to 1/2 grade level from the pre-to post-test exams	0	0	0	0
6. Improvement from 1/2 up to one full grade level from the pre-to post-test exams	0	0	0	0
7. Improvement of more than one full grade level from the pre-to post-test exams	0	0	0	0
Comments: Correct based on current information				

Source – Initially, pre-populated by EDFacts file N/X125 that is data group 629, category sets A and B. If necessary, it is updated through manual entry by the SEA into the online collection tool.

2.5 COMPREHENSIVE SCHOOL REFORM (CSR) (TITLE I, PART F)

This section collects information on Comprehensive School Reform.

2.5.1 CSR Grantee Schools Making AYP

In the table below, provide the percentage of CSR schools that have/had a CSR grant and that made AYP in reading/language arts and mathematics during SY 2006-07.

	Percentage
Reading/language	46.0
Mathematics	66.0
Comments: Correct based on current data	

Source – Manual entry by SEA into the online collection tool. Note: Mathematics was formerly part of section 2.5.2 of the SY 2005-06 CSPR.

2.5.2 CSR Grantees

In the table below, provide the number of schools that have/had a CSR grant since 1998.

	#
Schools that have/had a CSR grant since 1998?	48
Comments: Correct based on current information	

Source – Manual entry by SEA into the online collection tool. Note: This was formerly part of section 2.5.3 of the SY 2005-06 CSPR.

2.7 SAFE AND DRUG FREE SCHOOLS AND COMMUNITIES ACT (TITLE IV, PART A)

This section collects data on student behaviors under the Safe and Drug-Free Schools and Communities Act.

2.7.1 Performance Measures

In the table below, provide actual performance data. The first four columns (e.g., Performance Indicators, Instruments/Data Sources, Frequency of Collection/Baselines, and Targets) will be pre-populated from your State's SY 2005-06 CSPR submission.

Note: The information in the first four columns is provided for reference purposes only.

Performance Indicator	Instrument/ Data Source	Frequency of Collection	Targets	Actual Performance
Total number of Persistently Dangerous Schools	Maine Gun-Free School Reports and SDFS School Incident Data System Report	Frequency: Annual	2004-05 0 (zero)	2004-05 0 (zero)
			2005-06 0 (zero)	2005-06 0 (zero)
			2006-07 0 (zero)	2006-07 0 (zero)
		Year of most recent collection: 2006-07	2007-08 0 (zero)	Baseline: 0 (zero)
			2008-09 0 (zero)	Year Established: 2003-04
Comments: Corrent based on current information				

Source – Manual entry by the SEA into the online collection tool.

Performance Indicator	Instrument/ Data Source	Frequency of Collection	Targets	Actual Performance
Total number of School Incidents of Prohibited Behavior	Maine SDFS School Incident Data System Report	Frequency: Annual	2004-05 0 *	2004-05 12,379

2.7.2 Out-of-School Suspensions and Expulsions

The following questions collect data on the out-of-school suspension and expulsion of students by grade level (e.g., K through 5, 6 through 8, 9 through 12) and type of incident (e.g., violence, weapons possession, alcohol-related, illicit drug-related).

2.7.2.1 State Definitions

In the spaces below, provide the State definitions for each type of incident.

Incident Type	State Definition
Alcohol related	Possession, sale, manufacture, distribution, use or showing evidence of use of any alcohol substances. Includes alcohol distribution, alcohol possession and alcohol use.
Illicit drug related	Illegal drug possession, sale, manufacture, distribution, use, being under the influence of drugs other than tobacco or alcohol. Includes "huffing" or inhaling mind-altering substances. Includes substances represented as drugs. Includes drug paraphernalia possession or use of drugs such as steroids, speed, cocaine, heroine, etc. Includes taking or selling prescription drugs not intended for the individual involved, such as Ritalin or painkillers. Includes over the counter drugs or legal substances if abused by the student, including glue, substance in aerosol cans, paint thinner, etc. Includes marijuana distribution, marijuana possession; marijuana use; other drug distribution; other drug possession; and other drug use. EXCLUDES TOBACCO AND ALCOHOL.
Violent incident without physical injury	No state definition.
Violent incident with physical injury	No state definition.
Weapons possession	Includes assault with firearms; assault with another weapon; possession of firearm, possession of other weapon, sale or transfer of a weapon, and other weapon offense.
Comments: The State of Maine currently does not have a definition for "Violent incident without physical injury" and "Violent incident with physical injury".	

Source – Initially, pre-populated with definition from the SY 2005-06 CSPR. If necessary, it is updated by the SEA.

Note: This was formerly part of sections 2.7.2.3, 2.7.2.4, and 2.7.2.5 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the State definition of physical fighting data collection has been removed, however the data collection for violent incident without physical injury and violent incident with physical injury have been added.

2.7.2.2 Out-of-School Suspensions and Expulsions for Violent Incident Without Physical Injury

The following questions collect data on violent incident without physical injury.

2.7.2.2.1 Out-of-School Suspensions for Violent Incident Without Physical Injury

In the table below, provide the number of out-of-school suspensions for violent incident without physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident without physical injury, including LEAs that report no incidents.

Grades	# Suspensions for Violent Incident Without Physical Injury	# LEAs Reporting
K through 5		0
6 through 8		0
9 through 12		0
Comments: The State of Maine does not currently collect suspensions in the category "violent incident without physical injury."		

Source – Initially, pre-populated from EDFacts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: The tables in this section and 2.7.2.3 replace section 2.7.2.2 of the SY 2005-06 CSPR, which collected data on physical fighting.

2.7.2.2.2 Out-of-School Expulsions for Violent Incident Without Physical Injury

In the table below, provide the number of out-of school expulsions for violent incident without physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident without physical injury, including LEAs that report no incidents.

Grades	# Expulsions for Violent Incident Without Physical Injury	# LEAs Reporting
K through 5		0
6 through 8		0
9 through 12		0
Comments: The State of Maine does not currently collect expulsions in the category "violent incident without physical injury."		

Source – Initially, pre-populated from EDFacts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: The tables in this section and 2.7.2.3 replace section 2.7.2.2 of the SY 2005-06 CSPR, which collected data on physical fighting.

2.7.2.3 Out-of-School Suspensions and Expulsions for Violent Incident with Physical Injury

The following questions collect data on violent incident with physical injury.

2.7.2.3.1 Out-of-School Suspensions for Violent Incident with Physical Injury

In the table below, provide the number of out-of-school suspensions for violent incident with physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident with physical injury, including LEAs that report no incidents.

Grades	# Suspensions for Violent Incident with Physical Injury	# LEAs Reporting
K through 5		0
6 through 8		0
9 through 12		0
Comments: The State of Maine does not currently collect suspensions in the category "violent incident with physical injury."		

Source – Initially, pre-populated from EDFacts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: The tables in this section and 2.7.2.2 replace section 2.7.2.2 of the SY 2005-06 CSPR, which collected data on physical fighting.

2.7.2.3.2 Out-of-School Expulsions for Violent Incident with Physical Injury

In the table below, provide the number of out-of school expulsions for violent incident with physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident with physical injury, including LEAs that report no incidents.

Grades	# Expulsions for Violent Incident with Physical Injury	# LEAs Reporting
K through 5		0
6 through 8		0
9 through 12		0
Comments: The State of Maine does not currently collect expulsions in the category "violent incident with physical injury."		

Source – Initially, pre-populated from EDFacts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: The tables in this section and 2.7.2.2 replace section 2.7.2.2 of the SY 2005-06 CSPR, which collected data on physical fighting.

2.7.2.4 Out-of-School Suspensions and Expulsions for Weapons Possession

The following sections collect data on weapons possession.

2.7.2.4.1 Out-of-School Suspensions for Weapons Possession

In the table below, provide the number of out-of-school suspensions for weapons possession by grade level. Also, provide the number of LEAs that reported data on weapons possession, including LEAs that report no incidents.

Grades	# Suspensions for Weapons Possession	# LEAs Reporting
K through 5	N<10	149
6 through 8	13	86
9 through 12	37	126
Comments: The State of Maine only collects data on suspensions that are greater than 10 days.		

Source – Initially, pre-populated from ED Facts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: This table was formerly part of section 2.7.2.3 of the SY 2005-06 CSPR. The data collection requirement to report by elementary, middle and high school has changed to the grades K through 5, 6 through 8, and 9 through 12 for the SY 2006-07 CSPR.

2.7.2.4.2 Out-of-School Expulsions for Weapons Possession

In the table below, provide the number of out-of-school expulsions for weapons possession by grade level. Also, provide the number of LEAs that reported data on weapons possession, including LEAs that report no incidents.

Grades	# Expulsion for Weapons Possession	# LEAs Reporting
K through 5	0	149
6 through 8	N<10	86
9 through 12	16	126
Comments: Correct based on current information		

Source – Initially, pre-populated from ED Facts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: This table was formerly part of section 2.7.2.3 of the SY 2005-06 CSPR. The data collection requirement to report by elementary, middle and high school has changed to the grades K through 5, 6 through 8, and 9 through 12 for the SY 2006-07 CSPR.

2.7.2.5 Out-of-School Suspensions and Expulsions for Alcohol-Related Incidents

The following questions collect data on alcohol-related incidents.

2.7.2.5.1 Out-of-School Suspensions for Alcohol-Related Incidents

In the table below, provide the number of out-of-school suspensions for alcohol-related incidents by grade level. Also, provide the number of LEAs that reported data on alcohol-related incidents, including LEAs that report no incidents.

Grades	# Suspensions for Alcohol-Related Incidents	# LEAs Reporting
K through 5	0	149
6 through 8	N<10	86
9 through 12	21	126
Comments: The State of Maine only collects data on suspensions that are greater than 10 days.		

Source – Initially, pre-populated from EDFacts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: This table was formerly part of section 2.7.2.4 of the SY 2005-06 CSPR. The data collection requirement to report by elementary, middle and high school has changed to the grades K through 5, 6 through 8, and 9 through 12 for the SY 2006-07 CSPR.

2.7.2.5.2 Out-of-School Expulsions for Alcohol-Related Incidents

In the table below, provide the number of out-of-school expulsions for alcohol-related incidents by grade level. Also, provide the number of LEAs that reported data on alcohol-related incidents, including LEAs that report no incidents.

Grades	# Expulsion for Alcohol-Related Incidents	# LEAs Reporting
K through 5	0	149
6 through 8	0	86
9 through 12	N<10	126
Comments:		

Source – Initially, pre-populated from EDFacts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: This table was formerly part of section 2.7.2.4 of the SY 2005-06 CSPR. The data collection requirement to report by elementary, middle and high school has changed to the grades K through 5, 6 through 8, and 9 through 12 for the SY 2006-07 CSPR.

2.7.2.6 Out-of-School Suspensions and Expulsions for Illicit Drug-Related Incidents

The following questions collect data on illicit drug-related incidents.

2.7.2.6.1 Out-of-School Suspensions for Illicit Drug-Related Incidents

In the table below, provide the number of out-of-school suspensions for illicit drug-related incidents by grade level. Also, provide the number of LEAs that reported data on illicit drug-related incidents, including LEAs that report no incidents.

Grades	# Suspensions for Illicit Drug-Related Incidents	# LEAs Reporting
K through 5	N<10	149
6 through 8	16	86
9 through 12	73	126
Comments: The State of Maine only collects data on suspensions that are greater than 10 days.		

Source – Initially, pre-populated from ED Facts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: This table was formerly part of section 2.7.2.5 of the SY 2005-06 CSPR. The data collection requirement to report by elementary, middle and high school has changed to the grades K through 5, 6 through 8, and 9 through 12 for the SY 2006-07 CSPR.

2.7.2.6.2 Out-of-School Expulsions for Illicit Drug-Related Incidents

In the table below, provide the number of out-of-school expulsions for illicit drug-related incidents by grade level. Also, provide the number of LEAs that reported data on illicit drug-related incidents, including LEAs that report no incidents.

Grades	# Expulsion for Illicit Drug-Related Incidents	# LEAs Reporting
K through 5	N<10	149
6 through 8	17	86
9 through 12	44	126
Comments:		

Source – Initially, pre-populated from ED Facts file N/X030 for data group 523. If necessary, it is updated by the SEA.

Note: This table was formerly part of section 2.7.2.5 of the SY 2005-06 CSPR. The data collection requirement to report by elementary, middle and high school has changed to the grades K through 5, 6 through 8, and 9 through 12 for the SY 2006-07 CSPR.

2.7.3 Parent Involvement

In the table below, provide the types of efforts your State uses to inform parents of, and include parents in, drug and violence prevention efforts. Place a check mark next to the five most common efforts underway in your State. If there are other efforts underway in your State not captured on the list, add those in the other specify section.

Yes/No	Parental Involvement Activities
Yes	Information dissemination on Web sites and in publications, including newsletters, guides, brochures, and "report cards" on school performance
No	Training and technical assistance to LEAs on recruiting and involving parents
Yes	State requirement that parents must be included on LEA advisory councils
Yes	State and local parent training, meetings, conferences, and workshops
No	Parent involvement in State-level advisory groups
Yes	Parent involvement in school-based teams or community coalitions
Yes	Parent surveys, focus groups, and/or other assessments of parent needs and program effectiveness
Yes	Media and other campaigns (Public service announcements, red ribbon campaigns, kick-off events, parenting awareness month, safe schools week, family day, etc.) to raise parental awareness of drug and alcohol or safety issues
No	Other Specify 1
No	Other Specify 2
Comments:	

Source – Manual entry by SEA into the online collection tool. Note: This data collection has been changed from a manual text entry to a check box format for the SY 2006-07 CSPR.

2.8 INNOVATIVE PROGRAMS (TITLE V, PART A)

This section collects information pursuant to Title V, Part A of the Elementary and Secondary Education Act (ESEA), as amended.

2.8.1 Annual Statewide Summary

Section 5122 of ESEA, as amended, requires States to provide an annual Statewide summary of how Title V, Part A funds contribute to the improvement of student academic performance and the quality of education for students. In addition, these summaries must be based on evaluations provided to the State by LEAs receiving program funds.

Please attach your statewide summary. You can upload file by entering the file name and location in the box below or use the browse button to search for the file as you would when attaching a file to an e-mail. The maximum file size for this upload is 4 meg.

Note: This data collection was formerly section 2.8.8 of the SY 2005-06 CSPR.

2.8.2 Needs Assessments

In the table below, provide the number of LEAs that completed a Title V, Part A needs assessment that the State determined to be credible and the total number of LEAs that received Title V, Part A funds. The percentage column is automatically calculated.

	# LEAs	%
Completed credible Title V, Part A needs assessments	233	100.0
Total received Title V, Part A funds	233	
Comments:		

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly section 2.8.9 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the number of LEAs and percentage of LEAs that completed credible Title V, Part A needs assessments is a new data collection.

2.8.3 LEA Expenditures

In the table below, provide the amount of Title V, Part A funds expended by the LEAs. The percentage column will be automatically calculated.

The 4 strategic priorities are: (1) support student achievement, enhance reading and mathematics, (2) improve the quality of teachers, (3) ensure that schools are safe and drug free, and (4) promote access for all students to a quality education.

Activities authorized under Section 5131 of the ESEA that are included in the four strategic priorities are 1-5, 7-9, 12, 14-17, 19-20, 22, and 25-27. Authorized activities that are not included in the four strategic priorities are 6, 10-11, 13, 18, 21, and 23
24.

	\$ Amount	%
Title V, Part A funds expended by LEAs for the four strategic priorities	2840372	87.1
Total Title V, Part A funds expended by LEAs	3259504	
Comments:		

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly section 2.8.10 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the total amount of Title V, Part A funds expended by LEAs is a new data collection.

2.8.4 LEA Uses of Funds for the Four Strategic Priorities and AYP

In the table below, provide the number of LEAs:

1. That used at least 85 percent of their Title V, Part A funds for the four strategic priorities above and the number of these LEAs that met their State's definition of adequate yearly progress (AYP).
2. That did not use at least 85 percent of their Title V, Part A funds for the four strategic priorities and the number of these LEAs that met their State's definition of AYP.
3. For which you do not know whether they used at least 85 percent of their Title V, Part A funds for the four strategic priorities and the number of these LEAs that met their State's definition of AYP.

The total LEAs receiving Title V, Part A funds will be automatically calculated.

	# LEAs	# LEAs Met AYP
1. Used at least 85 percent of their Title V, Part A funds for the four strategic priorities	203	203
2. Did not use at least 85 percent of their Title V, Part A funds for the four strategic priorities	30	30
3. Not known whether they used at least 85 percent of their Title V, Part A funds for the four strategic priorities	0	0
Total LEAs receiving Title V, Part A funds	233	233
Comments:		

Source – Manual entry by SEA into the online collection tool.

Note: This table was formerly section 2.8.11 of the SY 2005-06 CSPR. For the SY 2006-07 CSPR, the data collection for States to report not knowing whether they used at least 85 percent of their Title V, Part A funds is a new data collection.

2.9 RURAL EDUCATION ACHIEVEMENT PROGRAM (REAP) (TITLE VI, PART B, SUBPARTS 1 AND 2)

This section collects data on the Rural Education Achievement Program (REAP) Title VI, Part B, Subparts 1 and 2.

2.9.1 LEA Use of Alternative Funding Authority Under the Small Rural Achievement (SRSA) Program (Title VI, Part B, Subpart 1)

In the table below, provide the number of LEAs that notified the State of their intent to use the alternative uses funding authority under Section 6211.

	# LEAs
# LEA's using SRSA alternative uses of funding authority	109
Comments:	

Source – Manual entry by SEA into the online collection tool.

2.9.2 LEA Use of Rural Low-Income Schools Program (RLIS) (Title VI, Part B, Subpart 2) Grant Funds

In the table below, provide the number of eligible LEAs that used RLIS funds for each of the listed purposes.

Purpose	# LEAs
1. Teacher recruitment and retention, including the use of signing bonuses and other financial incentives	4
2. Teacher professional development, including programs that train teachers to utilize technology to improve teaching and to train special needs teachers	38
3. Educational technology, including software and hardware as described in Title II, Part D	48
4. Parental involvement activities	5
5. Activities authorized under the Safe and Drug-Free Schools Program (Title IV, Part A)	14
6. Activities authorized under Title I, Part A	23
7. Activities authorized under Title III (Language instruction for LEP and immigrant students)	3
Comments:	

Source – Manual entry by SEA into the online collection tool. Note: This table was formerly section 2.9.2.1 of the SY 2005-06 CSPR.

2.9.2.1 Goals and Objectives

In the space below, describe the progress the State has made in meeting the goals and objectives for the Rural Low-Income Schools (RLIS) Program as described in its June 2002 Consolidated State application. Provide quantitative data where available.

The response is limited to 8,000 characters.

Title VI 06-07 Data

A. Improve student achievement:

Â· The Ellsworth School Department targeted readings as an area to work on improving achievement. The district purchased READ 180 to be used with 60 grade 3 to Grade 5 students who were not meeting standards in reading and were at least two grade levels to four grade levels below expected standards. The district provided extensive staff development and teacher support. Students stayed in the program until they improved at least two grade levels. By the end of the school year 50% of the students were discontinued from the program as a result of improved reading scores measured by two different tests.

Â· The Winthrop School Department used a proportion of its title VI funds to support a group of low achieving students with a reading lab during the school year and a two-week summer school follow-up. Seven students participated in the regular supplemental program and 4 of these also attended the summer school. All students showed improvement and reading confidence. All four that attended the summer school improved their reading scores anywhere from 4 to 12 points on the district assessment DRA2.

Â· SAD 49 used a portion of its title IV Rural Funds in a literacy/numeracy program where supplemental instruction was provided to at risk 7th and 8th graders. The teacher's works cooperatively with classroom teachers to reinforce and provide remediation assistance to identified students. Achievement results include: 100% of 7th graders improved CTBS assessments in reading and math; 92.3% of 8th graders scored at or above particularly meets on reading or math; 100% of the at risk students demonstrated improvement on the LAS; and 50% of the identified students demonstrated improved attendance.

B. Technology support to improve student achievement through the use of technology:

Â· SAD 1 Presque Isle uses its RLI funding to support the integration of technology into instruction and improving student achievement. Maine high standards the learning results support the integration of technology and the district provides staff development to assist teachers in using these tools. Success was determined by the fact the grade 11 students again met

AYP standards as part of NCLB.

Â· SAD 4 in Guilford is one of the State leaders in using technology as a tool for instruction. All teachers have laptop computers as well as all students in grades 7 to 12. K-6 using desktop technology and the district is almost at the level of a one to one ratio of computers to students. Students utilize on-line programs such as MARVEL, STAR Reading and mathematics, Lexia and United Streaming Video. Staff development is one the key components to the district's technology plan as all staff have and use laptops for administrative and instructional tasks. Students' achievement is at a high level as all schools are making AYP.

Â· The Winthrop school district uses most of its title VI funds as a source of funding to working on its district technology goals as found in its tech plan. One area of emphasis has been to increase the level of communications with parents by setting up a parent portal as part of its student information system. This year a pilot program was developed to test the system and train teacher leaders. Teachers were trained to use the system and set up communication links with the parents of their students. Parents were offered opportunities to be trained to use the system with allow communications, grading information and homework management. The system was set up and working to link teachers to parents through communications. The program is planned to be expanded across the entire system as the pilot proved to be a successful venture.

C. Safe and Drug-free Learning Environments:

Â· SAD 46 Dexter uses its title VI funds to supplement this Title IVA approved program called "Positive Action". This program is a systematic pro-active approach to addressing student problems. It involves the whole school, family, community and classroom. Disciplinary incidents have steadily declined since its inception. One important data fact is that violent behavior over 8 %.

Â· SAD 3 Unity used Title VI funding to implement phase two of the Olweus Bullying Prevention program. After a successful
Â· SAD 11 provided safe and drug-free after school clubs for its K-8 population. Providing this structured time decreases the opportunity for student involvement in otherwise unsafe and unlawful activities. The district goal was to have a 35% level of participation and they came close with 34.1% of the students being involved in experiences provided in a safe environment.

D. Improve Teacher Quality:

Â· The SAD 47 Oakland School Department worked very hard to improve mathematics instruction for its K-5 teachers. Professional development was provided daily at each of the five schools and included modeling, co-teaching, and conferencing following observations. The district used this instruction to implement a constructivist approach to teaching math. The decision was made after the data revealed low student achievement over a period of year along with limited mathematics college courses taken by teachers in their preparation for the profession. In addition to the coaching duties, the coach facilitated small, large and parent training courses. Achievement results were not available to trend, but teacher attitudes and efforts have moved in a very positive direction.

Â· SAD 49 Fairfield employed two literacy coaches who participate in the Literacy partnership offered by our state university. 1.5 FTE were supported by Title VI funding. Both instructors provided direct instruction to classroom teachers including staff development, sample lessons and observations/consulting. The results were impressive with 100% of the targeted students demonstrating proficiency in utilizing Literacy Collaborative strategies and 84% of students in grades three, four and five demonstrated a one year or greater gain in reading using the DRA.

Â· SAD 61 Bridgton uses some of its title VI funding in a teacher mentoring and induction program with the goal of retaining more of its beginning teachers. Training was provided on initial certification rules, listening and questioning skills and classroom data collection techniques. Following the training, mentors were matched with beginning teachers who worked together through the initial certification period to guide and enhance their professional growth and practice. All the new teachers worked through the program and were retained for the next school year.
