**Re: GE Pittsfield/Housatonic River Site  
Buildings 4, 5, and 6 Demolition and Site Restoration Program (GECD 140)  
Ambient Air Monitoring Station Locations**

Dear Mr. DiLorenzo:

This letter serves to notify the United States Environmental Protection Agency of the proposed polychlorinated biphenyl and particulate ambient air monitoring station locations at Buildings 4, 5, and 6 located at the General Electric Company facility in Pittsfield, Massachusetts. The proposed locations for the buildings are shown on the attached figure. These locations will be utilized for future ambient air monitoring associated with the Buildings 4, 5, and 6 demolition and restoration activities.

Please feel free to contact me with questions or comments.

Sincerely,

John F. Novotny, P.E.  
Manager, Facilities and Brownfields Programs
