

determined that, in order to meet increasing demands for additional inmate capacity, a new Federal correctional facility is needed in its system.

The Bureau of Prisons proposes to construct and operate either a high security United States Penitentiary or a medium security Federal Correctional Institution, both with an adjacent minimum security satellite camp, in Lassen County, California. The high security facility would have a rated capacity of approximately 1,000 inmates. The medium security facility would be designed to have a rated capacity of approximately 1,200 inmates, and the minimum security component would house approximately 150-300. The potential site also would be used for road access, administration, programs and services, parking, and support facilities.

In the process of evaluating several potential sites, several aspects will receive a detailed examination including utilities, traffic patterns, noise levels, visual intrusions, threatened and endangered species, cultural resources, and socio-economic impacts.

Alternatives

In developing the DEIS, the options of "no action" and "alternative sites" for the proposed facility will be fully and thoroughly examined.

Scoping Process

Informal discussions and meetings with local economic development staff have already been held on the proposed project, and during the preparation of the DEIS, there will be numerous other opportunities for public involvement. The public scoping meeting will begin at 7:00 p.m. on Wednesday June 16, 1999 at the Sierra Army Depot Theater, Building No. 2071 on Cascade Avenue and Columbia Street in Herlong, California. The meeting has been well publicized and is scheduled at a time that will make the meeting possible for the public and interested agencies or organizations to attend.

DEIS Preparation

Public notice will be given concerning the availability of the DEIS for public review and comment.

ADDRESSES: Questions concerning the proposed action and the DEIS can be answered by: David J. Dorworth, Chief, Site Selection and Environmental Review Branch, Administration Division, Federal Bureau of Prisons 320 First Street, N.W., Washington, DC 20534, Telephone: (202) 504-6470, Telefacsimile: (202) 616-6024, E-mail: siteselection@bop.gov.

DEPARTMENT OF LABOR

Employment Standards Administration; Wage and Hour Division

Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR Part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR Part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits

determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable of Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determinations frequently and in large volume causes procedures to be impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedes decisions thereto, contain no expiration dates and are effective from their date of notice in the **Federal Register**, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29 CFR Parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR Part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under The Davis-Bacon And Related Acts," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or governmental agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department. Further information and self-explanatory forms for the purpose of submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution Avenue, N.W., Room S-3014, Washington, D.C. 20210.

Withdrawn General Wage Determination Decisions

This is to advise all interested parties that the Department of Labor is withdrawing, from the date of this notice, General Wage Determination

Nos. MO990017, MO990019, MO990054, MO990055, MO990059 and MO990063 dated March 12, 1999. These Counties are now covered by MO990016.

Contracts for which bids have been opened shall not be affected by this notice. Also, consistent with 29 CFR 1.6(c)(2)(i)(A), when opening of bids is less than ten (10) days from the date of this notice, this action shall be effective unless agency finds that there is insufficient time to notify bidders of the change and the finding is documented in contract file.

SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdrawn From Listing and Registration; (Pre-Paid Legal Services, Inc., Common Stock, Par Value \$.01 Per Share) File No. 1-9203

May 21, 1999.

Pre-Paid Legal Services, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The reasons cited in the application for withdrawing the Security from listing and registration include the following:

The Security of the Company has been listed for trading on the Amex and, pursuant to a Registration Statement on Form 8-A which became effective on May 10, 1999, on the New York Stock Exchange, Inc. ("NYSE"). Trading of the Company's Security on the NYSE commenced at the opening of business on May 13, 1999.

The Company has complied with Rule 18 of the Amex by filing with the Exchange a certified copy of preambles and resolutions adopted by the Executive Committee of the Company's Board of Directors authorizing the withdrawal of its Security from listing on the Amex and by setting forth in detail to the Exchange the reasons for the proposed withdrawal, and the facts in support thereof. In making the decision to withdraw its Security from listing on the Amex, the Company considered, among other things, the desirability of avoiding the direct and indirect costs of, and the division of the market resulting from, listing the Security on both the Amex and the NYSE. The Amex has informed the Company that it has no objection to the withdrawal of the Company's Security from listing on the Exchange.

The Company's application relates solely to the withdrawal from listing of the Company's Security from the Amex and shall have no effect upon the continued listing of the Security on the NYSE. By reason of Section 12(d) of the Act and the rules and regulations of the Commission thereunder, the Company shall continue to be obligated to file reports under Section 13 of the Act with the Commission and the NYSE.

Any interested person may, on or before June 11, 1999, submit by letter to
