## **“Ready for Reuse” Determination Announced for Remington Arms Company**

The Arkansas Department of Environmental Quality (ADEQ) and U.S. Environmental Protection Agency (EPA) Region 6 will issue a “ready for reuse” determination for the Remington Arms Company ammunition manufacturing facility in Lonoke, Arkansas. The “ready for reuse” determination verifies the environmental conditions on this property are protective of human health and the environment based on its current use and anticipated future use.

**WHO:** Mayor Richard E. Greene, EPA Regional Administrator  
Marcus C. Devine, ADEQ Director  
Charles Knott, Remington Arms Company Maintenance and Facilities Manager  
Sammy Bates, Remington Arms Company Environmental Coordinator  
Stephen Shoemaker, DuPont Senior Consultant

**WHERE:** Second Floor Conference Room, Remington Arms Company  
Interstate 40 (Exit 169) and Arkansas Highway 15  
2592 Highway 15 N  
Lonoke, Arkansas

**WHEN:** 1 p.m., Thursday, January 27, 2005

**NOTE:** Special Arrangements: Twenty-four hours before the event, contact Sammy Bates at Remington, (501) 676-4185 or [Sammy.Bates@remington.com](mailto:Sammy.Bates@remington.com) to obtain a visitor’s authorization to attend the event.
