Lake whitefish

Round whitefish

Brook trout

Lake trout

Steelhead/Rainbow trout

Brown trout

The image shows four fish species arranged vertically on a wooden surface. From top to bottom: a Lake trout with a silvery body and a dark spot on its head; a Rainbow trout with a silvery body and a blue eye; a Brown trout with a dark, mottled pattern on its back and a blue eye; and a Coho salmon with a dark, silvery body and a blue eye. Each fish is shown in profile, facing right.
