

Reflects Well On You.

Driving a vehicle that is fuel-efficient, produces fewer greenhouse gases, and can save you money reflects well on its owner—especially these days, with growing concerns about climate change. The U.S. Environmental Protection Agency makes it easy to identify environmentally friendlier cars and trucks. Just look for the SmartWay® leaf. SmartWay will help change the way America drives.

For more on SmartWay certified cars and trucks, leaf through our website at www.epa.gov/smartway.

Reflects Well.

(And helps keep the air clean, too.)

Let's face it, anytime your fleet can boost fuel efficiency by 10% to 20%, it reflects well on you and your bottom line. U.S. EPA certified SmartWay® Tractors and Trailers allow you to do just that. You can also display the SmartWay certification mark, a symbol of environmental distinction, which also reflects well on you. The SmartWay leaf indicates to both industry and the public that you operate the cleanest and most efficient trucks and equipment available today.
