Previously Identified Issues

Issue	State Submission	OSEP Analysis	Required Action
<p><b>Indicator 1:</b> In its October 7, 2005 APR response letter, OSEP requested that the State report updated data regarding the timely provision of early intervention services as required by 34 CFR §§303.340(c), 303.342(e), and 303.344(f)(1).</p>	<p>In the SPP, pages 8-10, the State reported that 98% of IFSP services were provided in a timely manner, according to a selected review of child records.</p> <p>The State made findings of noncompliance in three regions from these data and required corrective action plans from these three regions.</p>	<p>The State reported a 98% level of compliance for Indicator 1, specifically the requirements at 34 CFR §§303.340(c), 303.342(e), and 303.344(f) (1).</p> <p>While this level of compliance is below 100% and requires improvement activities to achieve full compliance, OSEP recognizes the effort made by the State in working toward compliance with this requirement.</p>	<p>OSEP looks forward to reviewing data in the APR, due February 1, 2007, that demonstrate full compliance with this requirement.</p> <p>See Table A regarding other issues.</p>
<p><b>Indicator 8B:</b> In its October 7, 2005 APR response letter, OSEP could not determine how the State was implementing the Part C requirements for notifying the LEA for the area in which the child resides that the child will shortly reach the age of eligibility for preschool services under Part B, as required by 34 CFR §303.148(b)(1).</p>	<p>The State submitted a description of its procedures for notifying LEAs in the SPP, page 37.</p> <p>In Wyoming, Part C providers employed by regional Child Development Centers, (CDCs) provide services under Part C and are also designated as LEAs for providing services to preschool special education children.</p> <p>Part C staff provides reports of children potentially eligible for Part B to the directors of the CDCs and to the Wyoming Department of Health, the designated Intermediate Education Unit for Preschool Special Education.</p> <p>The Directors ensure that families know the differences between Part C and Part B, preschool services.</p>	<p>The State provided the information requested by OSEP.</p>	<p>No further action required.</p> <p>See Table A for issues regarding 8A and 8C.</p>

Issue	State Submission	OSEP Analysis	Required Action
<p><b>Indicators 10 and 13:</b> In its October 7, 2005 APR response letter, OSEP requested that the State report, in the SPP, whether the list of qualified, trained mediators and hearing officers were distributed and available on an ongoing basis as required by Part C.</p>	<p>The State submitted a letter, dated December 6, 2005, and electronic mail dated January 31, 2006, that the State distributed the list of mediators and hearing officers to early intervention providers in June 2004.</p> <p>The State further indicated that a list of qualified, trained mediators and hearing officers is on file, which is always available to the providers, and will be re-distributed to providers annually.</p>	<p>The State provided the information requested by OSEP.</p>	<p>No additional action required.</p> <p>Other: See Table A for other issues regarding Indicator 13.</p>
<p><b>Indicator 14:</b> OSEP’s February 23, 2004 letter regarding its verification visit to Wyoming raised a concern regarding the State’s system for collecting and reporting accurate data. OSEP’s August 2004 letter accepted the State’s plan to address this issue. In its October 7, 2005 APR response letter, OSEP requested that the State report in the SPP information related to the collecting and reporting of accurate data.</p>	<p>The State submitted a letter, dated December 6, 2005 regarding an update on the State’s strategies for collecting and reporting accurate data. The State also provided information to OSEP as part of a subsequent visit to the State in October 2005.</p>	<p>The State has provided information to OSEP regarding its system for collecting and reporting accurate data.</p>	<p>OSEP looks forward to reviewing updated information regarding Indicator 14 in the APR, due February 1, 2007.</p>
