Honorable John Conyers, Jr.  
Chairman  
Committee of the Judiciary  
U. S. House of Representatives  
2426 Rayburn Building  
Washington, DC 20515

Dear Mr. Conyers:

This is to respectfully submit to you our findings related to the acts of Mr. Eduardo Bhatia, Executive Director of the Puerto Rico Federal Affairs Administration in Washington, D.C. (hereinafter "Mr. Bathia") pertaining to the appointment and consideration of Ms. Rosa Emilia Rodríguez as Attorney General for the District of Puerto Rico (hereinafter "Ms. Rodríguez").

As Chairman of the Committee of the Judiciary of the Senate of Puerto Rico, and under the instructions of Mr. Kenneth McClintock, President of the Senate of Puerto Rico, we evaluated the participation of Mr. Bathia in the above referenced matter. We concluded that Mr. Bathia used his position and public funds to attack the aforementioned appointment of Ms. Rodríguez.

Furthermore, we concluded that Mr. Bathia's attack was based purely on political reasons and not based on any findings of wrongdoing by Ms. Rodríguez, who, as a matter of fact, has a long and impeccable trajectory as a public official.

For the above stated reasons, we respectfully ask you to take our findings into consideration when evaluating the complaint filed by Mr. Bathia at your office to investigate the acts of Ms. Rodríguez through the ongoing investigation of Governor Aníbal Acevedo-Vilá in relation to alleged illegal campaign funds received by Mr. Acevedo-Vilá.

For your files and evaluation, attached hereto please find a copy of our final report on to this matter.

Thanking you in advance for your time and attention to this matter, we remain.

Cordially,
