4 (a) SHORT TITLE.—This title may be cited as the  
5 “Animal Generic Drug User Fee Act of 2008”.

6 (b) REFERENCES IN ACT.—Except as otherwise spec-

1 **SEC. 2. FINDINGS.**

2 Congress finds as follows:

3 (1) Prompt approval of abbreviated applications  
4 for safe and effective generic new animal drugs will  
5 reduce animal healthcare costs and promote the well-  
6 being of animal health and the public health.

7 (2) Animal health and the public health will be  
8 served by making additional funds available for the  
9 purpose of augmenting the resources of the Food  
10 and Drug Administration that are devoted to the  
11 process for the review of abbreviated applications for  
12 the approval of generic new animal drugs.

13 (3) The fees authorized by this title will be  
14 dedicated toward expediting the generic new animal  
15 drug development process and the review of abbrevi-  
16 ated applications for generic new animal drugs,  
17 supplemental abbreviated applications for generic  
18 new animal drugs, and investigational submissions  
19 for generic new animal drugs as set forth in the  
20 goals identified in the letters from the Secretary of  
21 Health and Human Services to the Chairman of the  
22 Committee on Energy and Commerce of the House  
23 of Representatives and the Chairman of the Com-  
24 mittee on Health, Education, Labor, and Pensions  
25 of the Senate as set forth in the Congressional

14 **ANIMAL DRUG FEES.**

15 “(a) TYPES OF FEES.—Beginning with respect to fis-  
16 cal year 2009, the Secretary shall assess and collect fees  
17 in accordance with this section as follows:

18 “(1) ABBREVIATED APPLICATION FEE.—

19 “(A) IN GENERAL.—Each person that sub-  
20 mits, on or after July 1, 2008, an abbreviated  
21 application for a generic new animal drug shall  
22 be subject to a fee as established in subsection  
23 (b) for such an application.

24 “(B) PAYMENT.—The fee required by sub-  
25 paragraph (A) shall be due upon submission of  
26 the abbreviated application.

1           “(C) EXCEPTION FOR PREVIOUSLY FILED  
2           APPLICATION.—If an abbreviated application  
3           was submitted by a person that paid the fee for  
4           such application, was accepted for filing, and  
5           was not approved or was withdrawn (without a  
6           waiver or refund), the submission of an abbrevi-  
7           ated application for the same product by the  
8           same person (or the person’s licensee, assignee,  
9           or successor) shall not be subject to a fee under  
10          subparagraph (A).

11          “(D) REFUND OF FEE IF APPLICATION RE-  
12          FUSED FOR FILING.—The Secretary shall re-  
13          fund 75 percent of the fee paid under subpara-  
14          graph (B) for any abbreviated application which  
15          is refused for filing.

16          “(E) REFUND OF FEE IF APPLICATION  
17          WITHDRAWN.—If an abbreviated application is  
18          withdrawn after the application was filed, the  
19          Secretary may refund the fee or portion of the  
20          fee paid under subparagraph (B) if no substan-  
21          tial work was performed on the application  
22          after the application was filed. The Secretary  
23          shall have the sole discretion to refund the fee  
24          under this subparagraph. A determination by

1 the Secretary concerning a refund under this  
2 subparagraph shall not be reviewable.

3 “(2) GENERIC NEW ANIMAL DRUG PRODUCT  
4 FEE.—Each person—

5 “(A) who is named as the applicant in an  
6 abbreviated application or supplemental abbrevi-  
7 ated application for a generic new animal  
8 drug product which has been submitted for list-  
9 ing under section 510, and

10 “(B) who, after September 1, 2008, had  
11 pending before the Secretary an abbreviated ap-  
12 plication or supplemental abbreviated applica-  
13 tion,

14 shall pay for each such generic new animal drug  
15 product the annual fee established in subsection (b).  
16 Such fee shall be payable for the fiscal year in which  
17 the generic new animal drug product is first sub-  
18 mitted for listing under section 510, or is submitted  
19 for relisting under section 510 if the generic new  
20 animal drug product has been withdrawn from list-  
21 ing and relisted. After such fee is paid for that fiscal  
22 year, such fee shall be payable on or before January  
23 31 of each year. Such fee shall be paid only once for  
24 each generic new animal drug product for a fiscal  
25 year in which the fee is payable.

1           “(3) GENERIC NEW ANIMAL DRUG SPONSOR  
2 FEE.—

3           “(A) IN GENERAL.—Each person—

4                   “(i) who meets the definition of a ge-  
5 neric new animal drug sponsor within a  
6 fiscal year, and

7                   “(ii) who, after September 1, 2008,  
8 had pending before the Secretary an abbrevi-  
9 ated application, a supplemental abbrevi-  
10 ated application, or an investigational  
11 submission,

12 shall be assessed an annual fee established  
13 under subsection (b). The fee shall be paid on  
14 or before January 31 of each year.

15           “(B) AMOUNT OF FEE.—Each generic new  
16 animal drug sponsor shall pay only 1 such fee  
17 each fiscal year, as follows:

18                   “(i) 100 percent of the amount of the  
19 generic new animal drug sponsor fee pub-  
20 lished for that fiscal year under subsection  
21 (c)(3) for an applicant with more than 6  
22 approved abbreviated applications.

23                   “(ii) 75 percent of the amount of the  
24 generic new animal drug sponsor fee pub-  
25 lished for that fiscal year under subsection

1 (c)(3) for an applicant with more than 1  
2 and fewer than 7 approved abbreviated ap-  
3 plications.

4 “(iii) 50 percent of the amount of the  
5 generic new animal drug sponsor fee pub-  
6 lished for that fiscal year under subsection  
7 (c)(3) for an applicant with 1 or fewer ap-  
8 proved abbreviated applications.

9 “(b) FEE AMOUNTS.—Except as provided in sub-  
10 section (a)(1) and subsections (c), (d), (f), and (g), the  
11 fees required under subsection (a) shall be established to  
12 generate fee revenue amounts as follows:

13 “(1) TOTAL FEE REVENUES FOR APPLICATION  
14 FEES.—The total fee revenues to be collected in ab-  
15 breviated application fees under subsection (a)(1)  
16 shall be \$1,449,000 for fiscal year 2009, \$1,532,000  
17 for fiscal year 2010, \$1,619,000 for fiscal year  
18 2011, \$1,712,000 for fiscal year 2012, and  
19 \$1,809,000 for fiscal year 2013.

20 “(2) TOTAL FEE REVENUES FOR PRODUCT  
21 FEES.—The total fee revenues to be collected in ge-  
22 neric new animal drug product fees under subsection  
23 (a)(2) shall be \$1,691,000 for fiscal year 2009,  
24 \$1,787,000 for fiscal year 2010, \$1,889,000 for fis-

1 cal year 2011, \$1,997,000 for fiscal year 2012, and  
2 \$2,111,000 for fiscal year 2013.

3 “(3) TOTAL FEE REVENUES FOR SPONSOR  
4 FEES.—The total fee revenues to be collected in ge-  
5 neric new animal drug sponsor fees under subsection  
6 (a)(3) shall be \$1,691,000 for fiscal year 2009,  
7 \$1,787,000 for fiscal year 2010, \$1,889,000 for fis-  
8 cal year 2011, \$1, 997,000 for fiscal year 2012, and  
9 \$2,111,000 for fiscal year 2013.

10 “(c) ADJUSTMENTS.—

11 “(1) WORKLOAD ADJUSTMENT.—The fee reve-  
12 nues shall be adjusted each fiscal year after fiscal  
13 year 2009 to reflect changes in review workload.  
14 With respect to such adjustment:

15 “(A) This adjustment shall be determined  
16 by the Secretary based on a weighted average  
17 of the change in the total number of abbrevi-  
18 ated applications for generic new animal  
19 drugs, manufacturing supplemental abbreviated  
20 applications for generic new animal drugs, in-  
21 vestigational new animal drug study submis-  
22 sions, and generic investigational new animal  
23 drug protocol submissions submitted to the Sec-  
24 retary. The Secretary shall publish in the Fed-

1           eral Register the fees resulting from this ad-  
2           justment and the supporting methodologies.

3           “(B) Under no circumstances shall this  
4           workload adjustment result in fee revenues for  
5           a fiscal year that are less than the fee revenues  
6           for that fiscal year established in subsection  
7           (b).

8           “(2) FINAL YEAR ADJUSTMENT.—For fiscal  
9           year 2013, the Secretary may further increase the  
10          fees to provide for up to 3 months of operating re-  
11          serves of carryover user fees for the process for the  
12          review of abbreviated applications for generic new  
13          animal drugs for the first 3 months of fiscal year  
14          2014. If the Food and Drug Administration has car-  
15          ryover balances for the process for the review of ab-  
16          breviated applications for generic new animal drugs  
17          in excess of 3 months of such operating reserves,  
18          then this adjustment shall not be made. If this ad-  
19          justment is necessary, then the rationale for the  
20          amount of the increase shall be contained in the an-  
21          nual notice setting fees for fiscal year 2013.

22          “(3) ANNUAL FEE SETTING.—The Secretary  
23          shall establish, 60 days before the start of each fis-  
24          cal year beginning after September 30, 2008, for  
25          that fiscal year, abbreviated application fees, generic

1 new animal drug sponsor fees, and generic new ani-  
2 mal drug product fees based on the revenue amounts  
3 established under subsection (b) and the adjust-  
4 ments provided under this subsection.

5 “(4) LIMIT.—The total amount of fees charged,  
6 as adjusted under this subsection, for a fiscal year  
7 may not exceed the total costs for such fiscal year  
8 for the resources allocated for the process for the re-  
9 view of abbreviated applications for generic new ani-  
10 mal drugs.

11 “(d) FEE WAIVER OR REDUCTION.—The Secretary  
12 shall grant a waiver from or a reduction of 1 or more fees  
13 assessed under subsection (a) where the Secretary finds  
14 that the generic new animal drug is intended solely to pro-  
15 vide for a minor use or minor species indication.

16 “(e) EFFECT OF FAILURE TO PAY FEES.—An abbre-  
17 viated application for a generic new animal drug sub-  
18 mitted by a person subject to fees under subsection (a)  
19 shall be considered incomplete and shall not be accepted  
20 for filing by the Secretary until all fees owed by such per-  
21 son have been paid. An investigational submission for a  
22 generic new animal drug that is submitted by a person  
23 subject to fees under subsection (a) shall be considered  
24 incomplete and shall not be accepted for review by the Sec-  
25 retary until all fees owed by such person have been paid.

1 The Secretary may discontinue review of any abbreviated  
2 application for a generic new animal drug, supplemental  
3 abbreviated application for a generic new animal drug, or  
4 investigational submission for a generic new animal drug  
5 from a person if such person has not submitted for pay-  
6 ment all fees owed under this section by 30 days after  
7 the date upon which they are due.

8 “(f) ASSESSMENT OF FEES.—

9 “(1) LIMITATION.—Fees may not be assessed  
10 under subsection (a) for a fiscal year beginning after  
11 fiscal year 2008 unless appropriations for salaries  
12 and expenses of the Food and Drug Administration  
13 for such fiscal year (excluding the amount of fees  
14 appropriated for such fiscal year) are equal to or  
15 greater than the amount of appropriations for the  
16 salaries and expenses of the Food and Drug Admin-  
17 istration for the fiscal year 2003 (excluding the  
18 amount of fees appropriated for such fiscal year)  
19 multiplied by the adjustment factor, with the base or  
20 comparator being October 2002, applicable to the  
21 fiscal year involved.

22 “(2) AUTHORITY.—If the Secretary does not  
23 assess fees under subsection (a) during any portion  
24 of a fiscal year because of paragraph (1) and if at  
25 a later date in such fiscal year the Secretary may as-

1       sess such fees, the Secretary may assess and collect  
2       such fees, without any modification in the rate, for  
3       abbreviated applications, generic new animal drug  
4       sponsors, and generic new animal drug products at  
5       any time in such fiscal year notwithstanding the pro-  
6       visions of subsection (a) relating to the date fees are  
7       to be paid.

8       “(g) CREDITING AND AVAILABILITY OF FEES.—

9               “(1) IN GENERAL.—Fees authorized under sub-  
10       section (a) shall be collected and available for obliga-  
11       tion only to the extent and in the amount provided  
12       in advance in appropriations Acts. Such fees are au-  
13       thorized to be appropriated to remain available until  
14       expended. Such sums as may be necessary may be  
15       transferred from the Food and Drug Administration  
16       salaries and expenses appropriation account without  
17       fiscal year limitation to such appropriation account  
18       for salary and expenses with such fiscal year limita-  
19       tion. The sums transferred shall be available solely  
20       for the process for the review of abbreviated applica-  
21       tions for generic new animal drugs.

22               “(2) COLLECTIONS AND APPROPRIATION  
23       ACTS.—

24               “(A) IN GENERAL.—The fees authorized  
25       by this section—

1 “(i) shall be retained in each fiscal  
2 year in an amount not to exceed the  
3 amount specified in appropriation Acts, or  
4 otherwise made available for obligation for  
5 such fiscal year; and

6 “(ii) shall only be collected and avail-  
7 able to defray increases in the costs of the  
8 resources allocated for the process for the  
9 review of abbreviated applications for ge-  
10 neric new animal drugs (including in-  
11 creases in such costs for an additional  
12 number of full-time equivalent positions in  
13 the Department of Health and Human  
14 Services to be engaged in such process)  
15 over such costs, excluding costs paid from  
16 fees collected under this section, for fiscal  
17 year 2008 multiplied by the adjustment  
18 factor, with the base or comparator being  
19 October 2007.

20 “(B) COMPLIANCE.—The Secretary shall  
21 be considered to have met the requirements of  
22 subparagraph (A)(ii) in any fiscal year if the  
23 costs funded by appropriations and allocated for  
24 the process for the review of abbreviated appli-  
25 cations for generic new animal drugs—

1 “(i) are not more than 3 percent  
2 below the level specified in subparagraph  
3 (A)(ii); or

4 “(ii)(I) are more than 3 percent below  
5 the level specified in subparagraph (A)(ii),  
6 and fees assessed for the fiscal year fol-  
7 lowing the subsequent fiscal year are de-  
8 creased by the amount in excess of 3 per-  
9 cent by which such costs fell below the  
10 level specified in subparagraph (A)(ii); and

11 “(II) such costs are not more than 5  
12 percent below the level specified in sub-  
13 paragraph (A)(ii).

14 “(3) AUTHORIZATION OF APPROPRIATIONS.—  
15 There are authorized to be appropriated for fees  
16 under this section—

17 “(A) \$4,831,000 for fiscal year 2009;

18 “(B) \$5,106,000 for fiscal year 2010;

19 “(C) \$5,397,000 for fiscal year 2011;

20 “(D) \$5,706,000 for fiscal year 2012; and

21 “(E) \$6,031,000 for fiscal year 2013;

22 as adjusted to reflect adjustments in the total fee  
23 revenues made under this section and changes in the  
24 total amounts collected by abbreviated application

1 fees, generic new animal drug sponsor fees, and ge-  
2 neric new animal drug product fees.

3 “(4) OFFSET.—If the sum of the cumulative  
4 amount of fees collected under this section for the  
5 fiscal years 2009 through 2011 and the amount of  
6 fees estimated to be collected under this section for  
7 fiscal year 2012 exceeds the cumulative amount ap-  
8 propriated under paragraph (3) for the fiscal years  
9 2009 through 2012, the excess amount shall be  
10 credited to the appropriation account of the Food  
11 and Drug Administration as provided in paragraph  
12 (1), and shall be subtracted from the amount of fees  
13 that would otherwise be authorized to be collected  
14 under this section pursuant to appropriation Acts  
15 for fiscal year 2013.

16 “(h) COLLECTION OF UNPAID FEES.—In any case  
17 where the Secretary does not receive payment of a fee as-  
18 sessed under subsection (a) within 30 days after it is due,  
19 such fee shall be treated as a claim of the United States  
20 Government subject to subchapter II of chapter 37 of title  
21 31, United States Code.

22 “(i) WRITTEN REQUESTS FOR WAIVERS, REDUC-  
23 TIONS, AND REFUNDS.—To qualify for consideration for  
24 a waiver or reduction under subsection (d), or for a refund  
25 of any fee collected in accordance with subsection (a), a

1 person shall submit to the Secretary a written request for  
2 such waiver, reduction, or refund not later than 180 days  
3 after such fee is due.

4 “(j) CONSTRUCTION.—This section may not be con-  
5 strued to require that the number of full-time equivalent  
6 positions in the Department of Health and Human Serv-  
7 ices, for officers, employees, and advisory committees not  
8 engaged in the process of the review of abbreviated appli-  
9 cations for generic new animal drugs, be reduced to offset  
10 the number of officers, employees, and advisory commit-  
11 tees so engaged.

12 “(k) DEFINITIONS.—In this section and section 742:
