WASHINGTON D.C. 20548

January 29, 1982

The Honorable Ronald W. Haughton
Chairman, Federal Labor Relations
Authority

117397

Dear Mr. Haughton:

Subject: [Approval of Statement of Accounting Principles
and Standards for Federal Labor Relations
Authority] (AFMD-82-29)

It is my pleasure to approve the Federal Labor Relations Authority's Statement of Accounting Principles and Standards, which was submitted by Dr. Rankin on December 2, 1981. We found the Statement to be adequate and in conformity in all material respects with our prescribed principles and standards.

The approved principles and standards apply to all of the agency's accounting operations. Should it appear necessary to supplement or depart from the approved principles and standards, planned changes should be discussed with our representatives and, if deemed significant, be submitted formally for approval.

We commend you and your staff for the progress achieved and for the planned improvement of the agency's accounting system. Our representative will continue to be available for consultation during preparation of the accounting system design.

Sincerely yours,

Milton J. Poslaw

Acting Comptroller General
of the United States
