Monday, April 16, 2007

- 1:30 – 3:00 You Don't Have to be Rich: Practical Ways Depositories Can Mine the Intangible Wealth of Community (1:30-2:15) *Silver*
- David Cismowski, Senior Librarian, California State Library
- This presentation will examine the creative, yet inexpensive, techniques used by the Benton Harbor Public Library (2006 Depository of the Year) to provide outstanding depository service in a community challenged by poverty and unemployment. Using this example, the presentation will then suggest approaches toward service excellence that can be considered for adoption by depositories of any size and budget.*
- Land Grant Depository Centennial: A Gov Doc Research Celebration (2:15-3:00)
- Marianne Ryan, Associate Dean for Learning, Purdue University Libraries
 - Catherine Jervey, Director, Editorial Operations, Legislative, Historical, and Public Policy Services, LexisNexis Academic and Library Solutions
- To commemorate the centennial of 43 land grant institutions entering the depository program, this presentation will highlight how sources such as the Serial Set, congressional hearings, and the Congressional Record can illustrate impacts of the land grant program over time, including shifts in program's mission and school curricula, the role of land grant issues in public policy, and the significance of land grant colleges for women's education and racial equality.*
- 3:00 – 3:30 Break *S. Convention Lobby*
- 3:30 – 5:00 Educational Session: Serving the Public in the Next Century: Models of Virtual FDLP Cooperative Public Service *Grand Ballroom II*
- John Shuler, Facilitator - Bibliographer for Government Information and Urban Planning, University of Illinois at Chicago
 - Edwin B. Burgess, Director, Combined Arms Research Library, Fort Leavenworth, KS
 - Cindy Etkin, Program Planning Specialist, Library Services & Content Management, U.S. GPO
- Learn how government information librarians form cooperative agreements to create virtual reference services that reaches out across institutions and geography. Join in a discussion how the Government Printing Office can incorporate these models into its plans for the depository library program.*

Monday, April 16, 2007
