Dear Senator Hatfield:

In accordance with your request dated July 31, 1972, and subsequent discussions with your office, we have examined into possible irregularities in the use of Federal funds in the administration of the Chemawa Indian School in Marion County, Oregon.

Recently, we advised your office that we had completed our examination and that it did not disclose any material evidence of irregularities in the use of funds at the Chemawa Indian School. We were informed that a detailed written report to you would not be necessary.

We trust that this information will be of assistance to you.

Sincerely yours,
