L Funds Agency and Service Training Materials Request Form

In August 2005, the Thrift Savings Plan (TSP) introduced the five Lifecycle (L) Funds. A key component of our communication campaign was the mailing of two versions of a DVD introducing the L Funds to Federal employees, one for civilians and one for the uniformed services. In addition, a package of L Fund training materials is now available for use by agency and service TSP representatives.

The package contains basic information about the L Funds and a DVD that includes the two versions of the presentation introducing the L Funds, an L Funds Information Sheet, a Quick Reference Guide, and Questions & Answers about the L Funds. (This information is also available on the TSP Web site.)

If you would like a training package, please complete the form below and telefax it to the Office of Participant Services, Federal Retirement Thrift Investment Board, at (202) 942-1451, or e-mail the requested information to us at agyhelp@tsp.gov. If you have already submitted a request, we have it on file. We began mailing the packages the week of March 26, 2006.

If you have any questions about this package, please call us at 202-942-1450.
