NATIONAL PREPAREDNESS MONTH 2007 COALITION MEMBERS AS OF JUNE 08, 2007

The U.S. Department of Homeland Security is working with a wide variety of public and private sector organizations to educate the public about the importance of emergency preparedness. Throughout the summer and fall, these organizations will provide information, host events and sponsor activities that disseminate emergency preparedness messages to their customers, members, employees, stakeholders and communities across the nation. Below is a listing of the national organizations who are members of the National Preparedness Month 2007 coalition as of June 08, 2007. In addition, more than 625 regional, state and local organizations have also signed on.
