Definition of Holder.

The Holder is the person or organization other than the Lender who holds all or part of the guaranteed portion of the loan with no servicing responsibilities. Holders are prohibited from obtaining any part(s) of the Guaranteed portion of the loan with proceeds from any obligation, the interest on which is excludable from income, under Section 103 of the Internal Revenue Code of 1954, as amended (IRC). When the Lender assigns a part(s) of the guaranteed loan to an assignee, the assignee become a Holder only when Form RD 449-36, "Assignment Guarantee Agreement," is used.

Definition of Lender.

The Lender is the person or organization making and servicing the loan which is guaranteed under the provisions of the applicable subpart of 7 C.F.R. part 1980. The Lender is also the party requesting a loan guarantee.

**CONDITIONS OF GUARANTEE**

1. Loan Servicing.

Lender will be responsible for servicing the entire loan, and Lender will remain mortgagee and/or secured party of record notwithstanding the fact that another party may hold a portion of the loan. When multiple notes are used to evidence a loan, Lender will structure repayments as provided in the loan agreement. In the case of Farm Ownership, Soil and Water, or Operating Loans, the Lender agrees that if liquidation of the account becomes imminent, the Lender will consider the Borrower for an Interest Rate Buydown under Exhibit C of subpart B of 7 C.F.R., part 1980, and request a determination of the Borrower's eligibility by Government. The Lender may not initiate foreclosure action on the loan until 60 days after a determination has been made with respect to the eligibility of the Borrower to participate in the Interest Rate Buydown Program.

2. Priorities.

The entire loan will be secured by the same security with equal lien priority for the guaranteed and unguaranteed portions of the loan. The unguaranteed portion of the loan will not be paid first nor given any preference or priority over the guaranteed portion.

3. Full Faith and Credit.

The Loan Note Guarantee constitutes an obligation supported by the full faith and credit of the United States and is incontestable except for fraud or misrepresentation of which Lender or any Holder has actual knowledge at the time it became such Lender or Holder or which Lender or any Holder participates in or condones. If the note to which this is attached or relates provides for the payment of interest on interest, then this loan Note Guarantee is void. However, in the case of the Farm Credit Programs loans, the capitalization of interest when restructuring loans will not void this Loan Note Guarantee. In addition, the Loan Note Guarantee will be unenforceable by Lender to the extent any loss is occasioned by the violation of usury laws, negligent servicing, or failure to obtain the required security regardless of the time at which Government acquires knowledge of the foregoing. Any losses occasioned will be unenforceable to the extent that loan funds are used for purposes other than those specifically approved by Government in its Conditional Commitment for Guarantee. Negligent servicing is defined as the failure to perform those services which a reasonably prudent lender would perform in servicing its own portfolio of loans that are not guaranteed. The term includes not only the concept of a failure to act but also not acting in a timely manner or acting in a manner contrary to the manner in which a reasonably prudent lender would act up to the time of loan maturity or until a final loss is paid.

4. Rights and Liabilities.

The guarantee and right to require purchase will be directly enforceable by Holder notwithstanding any fraud or misrepresentation by Lender or any unenforceability of this Loan Note Guarantee by Lender. Nothing contained herein will constitute any waiver by Government of any rights it possesses against the Lender will be liable for and will promptly pay to Government any payment made by Government to Holder which if such Lender had held the guaranteed portion of the loan, Government would not be required to make.

5. Payments.

Lender will receive all payments of principal, or interest, and any loan subsidy on account of the entire loan and will promptly remit to Holder(s) its pro rata share thereof determined according to its respective interest in the loan, less only Lender's servicing fee.

6. Protective Advances.

Protective advances made by Lender pursuant to the regulations will be guaranteed against a percentage of loss to the same extent as provided in this Loan Note Guarantee notwithstanding the guaranteed portion of the loan that is held by another.

7. Repurchase by Lender.

The Lender has the option to repurchase the unpaid guaranteed portion of the loan from the Holder(s) within 30 days of written demand by the Holder(s) when: (a) the borrower is in default not less than 60 days on principal or interest due on the loan or (b) the Lender has failed to remit to the Holder(s) its pro rata share of any payment made by the borrower or any loan subsidy within 30 days of its receipt thereof. The repurchase by the Lender will be for an amount equal to the unpaid guaranteed portion of principal and accrued interest (including any loan subsidy) less the Lender's servicing fee. The Loan Note Guarantee will not cover the note interest to the Holder on the guaranteed loan(s) accruing after 90 days from the date of the demand letter to the Lender requesting the repurchase. Holder(s) will concurrently send a copy of demand to Government. The Lender will accept an assignment without recourse from the Holder(s) upon repurchase. The Lender is encouraged to repurchase the loan to facilitate the accounting for funds, resolve the problem, and to permit the borrower to cure the default, where reasonable. The Lender will notify the Holder(s) and Government of its decision.

(18a) Insert total guaranteed amount which should equal Item (11).

EXAMPLE:

Multi-note option with 3 notes issued @ 90% guarantee on the principal loan amount of \$1,000,000.

The guaranteed portion of the loan is \$900,000 which is ninety (90%) percent of loan principal. The principal amount of loan is evidenced by three note(s) (includes binds as appropriate) described below. The guaranteed portion of each note is indicated below. This instrument is attached to note series A, #101 in three face amount of \$450,000 and is numbers one of three.

<b>TOTAL</b>	<b>\$ 1,000,000</b>	<b>100 %</b>	<b>\$ 900,000</b>

8. Government Purchase.

If Lender does not repurchase as provided by paragraph 7 hereof, Government will purchase from Holder the unpaid principal balance of the guaranteed portion together with accrued interest (including any loan subsidy) to date of repurchase less Lender's servicing fee, within thirty (30) days after written demand to Government from Holder. The Loan Note Guarantee will not cover the note interest to the Holder on the guaranteed loan(s) accruing after 90 days from the date of the original demand letter of the Holder to the Lender requesting the repurchase. Such demand will include a copy of the written demand made upon the Lender. The Holder(s) or its duly authorized agent will also include evidence of its right to require payment from Government. Such evidence will consist of either the original of the Loan Note Guarantee properly endorsed to Government or the original of the Assignment Guarantee Agreement properly assigned to Government without recourse including all rights, title, and interest in the loan. Government will be subrogated to all rights of Holder(s). The Holder(s) will include in its demand the amount due including unpaid principal, unpaid interest (including any loan subsidy) to date of demand and interest (including any loan subsidy) subsequently accruing from date of demand to proposed payment date. Unless otherwise agreed to by Government, such proposed payment will not be later than 30 days from the date of demand.

The Government will promptly notify the Lender of its receipt of the Holder(s)'s demand for payment. The Lender will promptly provide the Government with the information necessary for Government determination of the appropriate amount due the Holder(s). Any discrepancy between the amount claimed by the Holder(s) and the information submitted by the Lender must be resolved before payment will be approved. Government will notify both parties who must resolve the conflict before payment by Government will be approved. Such conflict will suspend the running of the 30 day payment requirement. Upon receipt of the appropriate information, Government will review the demand and submit it to the State Director for verification. After reviewing the demand the State Director will transmit the request to the Government Finance Office for issuance of the appropriate check. Upon issuance, the Finance Office will notify the office servicing the borrower and State Director and remit the check(s) to the Holder(s).

9. Lender's Obligations.

Lender consents to the purchase by Government and agrees to furnish on request by Government a current statement certified by an appropriate authorized officer of the Lender of the unpaid principal and interest then owed by Borrowers on the loan and the amount including any loan subsidy then owed to any Holder(s). Lender agrees that any purchase by Government does not change, alter or modify any of the Lender's obligations to Government arising from said loan or guarantee nor does it waive any of Government's rights against Lender, and that Government will have the right to set-off against Lender all rights inuring to Government as the Holder of this instrument against Government's obligation to Lender under the Loan Note Guarantee.

10. Repurchase by Lender for Servicing.

If, in the opinion of the Lender, repurchase of the guaranteed portion of the loan is necessary to adequately service the loan, the Holder will sell the portion of the loan to the Lender for an amount equal to the unpaid principal and interest (including any loan subsidy) on such portion less Lender's servicing fee. The Loan Note Guarantee will not cover the note interest to the Holder on the guaranteed loans accruing after 90 days from the date of the demand letter of the Lender or Government to the Holder(s) requesting the Holder(s) to tender their guaranteed portion(s).

- a. The Lender will not repurchase from the Holder(s) for arbitrage purposes or other purposes to further its own financial gain.
- b. Any repurchase will only be made after the Lender obtains Government written approval.
- c. If the Lender does not repurchase the portion from the Holder(s), Government at its option may purchase such guaranteed portions for servicing purposes.

11. Custody of Unguaranteed Portion.

The Lender may retain, or sell the unguaranteed portion of the loan only through participation. Participation, as used in this instrument, means the sale of an interest in the loan wherein the Lender retains the note, collateral securing the note, and all responsibility for loan servicing and liquidation.

12. When Guarantee Terminates.

This Loan Note Guarantee will terminate automatically (a) upon full payment of the guaranteed loan; or (b) upon full payment of any loss obligation hereunder; or (c) upon written notice from the Lender to Government that the guarantee will terminate 30 days after the date of notice, provided the Lender holds all of the guaranteed portion and the Loan Note Guarantee(s) are returned to be cancelled by Government.

13. Settlement.

The amount due under this instrument will be determined and paid as provided in the applicable subpart of 7 C.F.R. part 1980 in effect on the date of this instrument.

14. Loan Subsidy.

\*In addition to the interest rate of the note attached hereto, Government will pay a loan subsidy of                     (19)                     percent per year. Payments will be made annually.

15. Interest Capitalization.

In the case of Farm Credit Programs loans, the Lender/Holder(s) may capitalize interest only when the note is restructured. When delinquent interest is so treated as principal, the new principal amount may exceed the principal amount of the loan listed herein, but may not exceed statutory loan limits. The new principal amount and new guaranteed portion will be identified at restructuring in an addendum to this Loan Note Guarantee. Such capitalized interest will be covered by this loan Note Guarantee. References to "principal and interest" and "principal advanced" herein, therefore, shall include any capitalized interest on the guaranteed portion of the loan resulting from the restructuring of a Guaranteed Farm Credit Programs loans and not exceeding statutory loan limits.
