Ferebee Restroom

Wayah District Ranger, Michael Wilkins announced that a contract to construct a new restroom facility at the Ferebee Memorial Picnic Area was recently awarded. The contract was awarded to Mountain Shores of Arden, North Carolina. The restroom facility will be just like the restroom at the Nantahala River Launch Site. The project includes a septic system, drain field, sidewalks and potable water. Funding for the project was a combination of special congressionally appropriated money for the Nantahala River and the Recreation Use Fees received from the public. Ranger Wilkins stated that the project will correct a basic health and safety concern and greatly improve service to those who recreate on the Nantahala River.
