Shuster Statement on Landmark Supreme Court Decision on Second Amendment

Decision a Victory for Individual Rights, Gun Owners Everywhere

Washington, D.C.—Congressman **Bill Shuster** released the following statement upon learning of the Supreme Court’s decision in *District of Columbia v. Heller*:

“For decades, the Second Amendment has been attacked by elitist special interest groups and politicians who considered gun owners to be “bitter” and marginalized them as second class citizens.

Today, those opponents were silenced when the Court rightly decided in a 5-4 decision that the Second Amendment is a fundamental right as vital as the right to free speech and our freedom of assembly.”
