The license application shall be in triplicate, in a form to be prescribed by the director of the Idaho state police, and shall ask the name, address, description and signature of the licensee, date of birth, social security number, military status, and the driver's license number or state identification card number of the licensee if used for identification in applying for the license. The application shall indicate that provision of the social security number is optional. The license application shall contain a warning substantially as follows:

CAUTION: Federal law and state law on the possession of weapons and firearms differ. If you are prohibited by federal law from possessing a weapon or a firearm, you may be prosecuted in federal court. A state permit is not a defense to a federal prosecution.

The sheriff shall require any person who is applying for original issuance of a license to submit his fingerprints in addition to the other information required in this subsection. Within five (5) days after the filing of an application, the sheriff shall forward the application and fingerprints to the Idaho state police for a records check of state and national files. The Idaho state police shall conduct a national fingerprint-based records check and return the results to the sheriff within seventy-five (75) days. The sheriff shall not issue a license before receiving the results of the records check and must deny a license if the applicant is disqualified under any of the criteria listed in paragraphs (a) through (n) of subsection (1) of this section.

The license will be in a form substantially similar to that of the Idaho driver's license. It will bear the signature, name, address, date of birth, picture of the licensee, expiration date and the driver's license number or state identification card number of the licensee if used for identification in applying for the license. Upon issuing a license under the provisions of this section, the sheriff will notify the Idaho state police on a form or in a manner prescribed by the state police. Information relating to an applicant or licensee received or maintained pursuant to this section by the sheriff or Idaho state police is confidential and exempt from disclosure under section 9-338, Idaho Code.

(2) The fee for original issuance of a four (4) year license shall be twenty dollars (\$20.00) paid to the sheriff for the purpose of enforcing the provisions of this chapter. The sheriff may collect any additional fees necessary to cover

the cost of processing fingerprints lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state.

(3) The fee for renewal of the license shall be twelve dollars (\$12.00). The sheriff may collect any additional fees necessary to cover the processing costs lawfully required by any state or federal agency or department, and the cost of materials for the license lawfully required by any state agency or department, which costs shall be paid to the state. If a licensee applying for renewal has not previously been required to submit fingerprints, the sheriff shall require the licensee to do so and may collect any additional fees necessary to cover the cost of processing fingerprints lawfully required by any state or federal agency or department.

(4) A licensee may renew a license if the licensee applies for renewal at any time before or within ninety (90) days after the expiration date of the license. The sheriff shall require the licensee applying for renewal to complete an application. The sheriff shall submit the application to the Idaho state police for a records check of state and national databases. The Idaho state police shall conduct the records check and return the results to the sheriff within thirty (30) days. The sheriff shall not issue a renewal before receiving the results of the records check and must deny a license if the applicant is disqualified under any of the criteria listed in subsection (1), paragraphs (a) through (n) of this section. A renewal license shall be valid for a period of four (4) years. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license shall pay a late renewal penalty of ten dollars (\$10.00) in addition to the renewal fee. The fee shall be paid to the sheriff for the purpose of enforcing the provisions of this chapter.

(5) Notwithstanding the requirements of this section, the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section.

(6) A city, county or other political subdivision of this state shall not modify the requirements of this section, nor may a political subdivision ask the applicant to voluntarily submit any information not required in this section. A civil action may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section. The civil action may be brought in the county in which the application was made or in Ada county at the discretion of the petitioner. Any person who prevails against a public agency in any action in the courts for a violation of subsections (1) through (5) of this section, shall be awarded costs, including reason-
