

DECISION

**THE COMPTROLLER GENERAL
OF THE UNITED STATES**
WASHINGTON, D. C. 20548

FILE: B-220192.3 **DATE:** March 4, 1986

MATTER OF: Intelcom Educational Services,
Inc.--Request for Reconsideration

DIGEST:

Request for reconsideration of prior decision is dismissed where prior decision was issued in response to a request from a court and the court has not requested reconsideration of the decision.

Intelcom Educational Services, Inc. requests reconsideration of our decision in Intelcom Educational Services, Inc., B-220192.2, Jan. 24, 1986, 86-1 C.P.D. ¶ _____. We issued that decision in response to a request from the United States District Court for the Western District of Washington in connection with Civil Action No. 85-1836D.

It is our policy not to decide matters where, as here, the issues are before a court of competent jurisdiction unless the court requests that we do so. 4 C.F.R. § 21.9(a) (1985). Once we have issued that decision to the court, our involvement in the matter is over unless the court requests that we reconsider the decision. Since the court has not expressed any interest in our reconsideration of the prior decision, we will take no further action on the merits of this matter. See Inventive Packaging Corp.--Reconsideration, B-214578.2, Aug. 24, 1984, 84-2 C.P.D. ¶ 223.

Accordingly, the request for reconsideration is dismissed.
