TO : ADP Liaisons

FROM : Senior Associate Director, FGMS Division /  W. L. Anderson

SUBJECT: ADP-related Reports and Other ADP Documents

The latest version of a FGMSD/ADP compilation of ADP-related documents is attached. This listing is primarily GAO ADP-related reports from 1958 through December 1979. It also includes some agency responses to GAO reports, Comptroller General Decisions or General Counsel Opinions relating to ADP and some (non-Federal Information Processing Publications--FIPS-PUBS) guidance documents relating to ADP. We are publishing this list for two reasons:

- (1) To make the list available to those doing ADP audits in hopes that prior reports or documents may be of some value.
- (2) To allow other groups within GAO to notify us of reports or documents that they feel should be added to the list.

We have two copies of all the documents listed, with these exceptions:

<u>B-Number</u>	<u>Date</u>
146732	12/24/63
146732	4/30/64
146732	1/27/65

All documents except the missing ones noted above will be made available from our ADP Library on a loan basis only.

If you have copies of any of the three missing reports, know of additional documents that should be added to our list, need the loan of any of these documents, or need to locate and keep copies of documents that are not available from Reports Distribution, please contact Edwin Rodda on 275-6187.
