CONSTITUENT SERVICE GUIDE

**Congress of the United States
House of Representatives**

Dear Neighbor,

As your new Congresswoman, my job is to help you and your family.

Whether it's helping you solve a problem with a government agency, ensuring you receive your full Social Security benefits, or assisting your family with information on how to pay for college, I am here to help.

Since taking office, I have come home almost every weekend to meet with 39th District residents. I know people lead busy lives, and to better listen to your concerns, I have created "Neighborhood Office Hours," where I stand in front of a local grocery store or public library to hear your opinions and concerns. To see when I will be in your neighborhood, please call my District Office in Lakewood at 562-429-8499.

Please look inside for examples of ways that I can help your family. If you need assistance or information for problems you are experiencing, please call my district office or visit my website: www.house.gov/lindasanchez.

Very Truly Yours,
