

# Congresswoman Linda Sánchez

## Getting Results Around The Region And In Your Hometown...

### DELIVERING MORE FEDERAL MONEY FOR LOCAL PROJECTS

In less than two years, Congresswoman Linda Sánchez has brought millions of federal dollars back to the community to boost economic development, improve transportation, and help schools and police.

### GIVING SCHOOLS THE RESOURCES THEY NEED

Congresswoman Sánchez is fighting to build and renovate schools, protect Head Start, provide scholarships to new teachers, and restore maximum funding for the “No Child Left Behind Act.”

### MAKING PRESCRIPTION DRUGS AFFORDABLE FOR SENIORS

Many seniors are discovering that the new prescription drug program just doesn't cover their basic needs. Linda is working to expand coverage and allow Americans to purchase cheaper prescription drugs from developed countries like Canada.

### EXPANDING HEALTH COVERAGE FOR YOUTH

The first step in resolving our national health care crisis is making sure children have health insurance. That's why Linda is working to expand funding for children's health insurance to include uninsured young adults in California.

### SINCE COMING TO CONGRESS, SHE HAS SPONSORED A:

- ▶▶ Career Fair
- ▶▶ Health Fair with cancer screenings
- ▶▶ “Preparing for College” workshop for students
- ▶▶ Senior Fair with free medical testing
- ▶▶ Community Meeting on bullying/gang prevention
