BATHYMETRIC MAP

ATLANTIC OCEAN
LYDONIA CANYON

Bathymetry compiled by the National Ocean Survey (NOS). Bathymetry compiled from NOS Hydrographic Surveys supplemented by other hydrographic sources (see index). Bathymetric survey data complies with International Hydrographic Organization (IHO) Special Publication 44 accuracy standards or standards used as of the date of the survey. This information is not intended for navigational purposes.

Lack of sufficient data on portions of this map require the use of generalized depth contours.

Universal Transverse Mercator Grid, Zone 18, 1000-meter grid (1:100,000) shown inside the wreath.

Oblique projection survey data, plotted in red, compiled by the Bureau of Land Management. Heavy lines indicate limits of BLM Outer Continental Shelf Official Protection Diagram. The Protection on this map are not for Federal leasing purposes; for such purposes refer to the OCS Official Protection Diagram available from the Bureau of Land Management.
