United States Senators
Washington DC

Dear Senators,

On behalf of all the Anglicans and Episcopalians that you serve, thank you for your dedication to this great nation.

It is because of our great national history we write. We are very concerned about what is commonly referred to as "Judicial Activism" and the negative impact it will have on this nation's future. NOEL believes all judges should seek to uphold the Constitution of the United States; therefore we strongly support the nomination of John Roberts for the U.S. Supreme Court.

We urge you to help preserve this nation's history and vote yes to confirm Judge Roberts and prevent any type of filibuster.

Again, thank you for serving our country.

Respectfully,

Georgette Forney
