Chairman

Office of Management and Budget
725 17th St., N.W., Room 113

Dear Mr. Johnson:

As part of the Committee's continuing review of the investigation of the President's Executive Councils on Integrity and Efficiency (PCIE) of allegations against Robert Cobb, inspector general of the National Aeronautics and Space Administration (NASA), I am requesting additional documents from the Record of Investigation which are under the control of the PCIE.

By this letter, I am requesting an unredacted copy of the following documents:

All transcripts of interviews conducted with Courtney Stadd, former NASA chief of staff; Roberta Gross, former NASA inspector general; Michael Wholley, NASA general counsel; and Sean O'Keefe, former NASA administrator.

It is my understanding that there may have been multiple interviews with some of the persons named above. Our request encompasses transcripts of all of the interviews.

Please provide these documents to the offices of the Subcommittee on Investigations and Oversight, B-374 Rayburn House Office Building, by 5 p.m. on Monday, June 4, 2007. If your staff has any questions, please contact Edith Holleman, Subcommittee staff counsel, at (202) 225-8459.

Thank you for your assistance in this matter.

Sincerely,

BRAD MILLER

Oversight
