

STATEMENT OF FINDINGS IN SESSIONS-DOMENICI AMENDMENT THAT EVERY GOP SENATOR VOTED FOR - MARCH 13, 2001

(a) FINDINGS. – The Congress finds that –

(1) the Balanced Budget Act of 1997 and strong economic growth have ended decades of deficit spending;

(2) the Government is able to meet its current obligations without using the social security and medicare surpluses;

(3) fiscal pressures will mount as an aging population increases the Government's obligations to provide retirement income and health services;

(4) social security and medicare hospital insurance surpluses should be used to reduce the debt held by the public until legislation is enacted that reforms social security and medicare;

(5) preserving the social security and medicare hospital insurance surpluses would restore confidence in the long-term financial integrity of social security and medicare; and

(6) strengthening the Government's fiscal position through debt reduction would increase national savings, promote economic growth, and reduce interest payments.
