20 (a) IN GENERAL.—The Secretary of Defense shall
21 carry out reforms in the recruiting systems of the Army,
22 Navy, Air Force, and Marine Corps in order to improve
23 the quality of new recruits and to reduce attrition among
24 recruits.

1 (b) SPECIFIC REFORMS.—As part of the reforms in
2 military recruiting systems to be undertaken under sub-
3 section (a), the Secretary shall take the following steps:

4 (1) Improve the system of separation codes
5 used for recruits who are separated during recruit
6 training by (A) revising and updating those codes to
7 allow more accurate and useful data collection about
8 those separations, and (B) prescribing regulations to
9 ensure that those codes are interpreted in a uniform
10 manner by the military services.

11 (2) Develop a reliable database for (A) analyz-
12 ing service-wide data on reasons for attrition of new
13 recruits, and (B) undertaking service-wide measures
14 to control and manage such attrition.

15 (3) Require that the Secretary of each military
16 department (A) adopt or strengthen incentives for
17 recruiters to thoroughly prescreen potential can-
18 didates for recruitment, and (B) link incentives for
19 recruiters, in part, to the ability of a recruiter to
20 screen out unqualified candidates before enlistment.

21 (4) Require that the Secretary of each military
22 department include as a measurement of recruiter
23 performance the percentage of persons enlisted by a
24 recruiter who complete initial combat training or
25 basic training.

1 (1) Require that each applicant for service in
2 the Army, Navy, Air Force, or Marine Corps (A)
3 provide to the Secretary the name of the applicant's
4 medical insurer and the names of past medical pro-
5 viders, and (B) sign a release allowing the Secretary
6 to request and obtain medical records of the appli-
7 cant.

8 (2) Require that the forms and procedures for
9 medical prescreening of applicants that are used by
10 recruiters and by Military Entrance Processing
11 Commands be revised so as to ensure that medical
12 questions are specific, unambiguous, and tied di-
13 rectly to the types of medical separations most com-
14 mon for recruits during basic training and follow-on
15 training.

16 (3) Add medical screening tests to the examina-
17 tions of recruits carried out by Military Entrance
18 Processing Station, provide more thorough medical
19 examinations to selected groups of applicants, or
20 both, to the extent that the Secretary determines
21 that to do so could be cost effective in reducing at-
22 trition at basic training.

23 (4) Assign the responsibility for evaluating
24 medical conditions of a recruit that are missed dur-
25 ing accession processing to an agency or contractor

1 other than the Military Entrance Processing Com-
2 mand which carried out the accession processing of
3 that recruit (such command being the organization
4 responsible for accession medical exams).

5 (5) Require that the Secretary of each military
6 department test an applicant for entrance into the
7 Armed Forces for use of illegal drugs at the Military
8 Entrance Processing Station which carries out the
9 accession processing of that recruit (in addition to
10 any subsequent drug testing that may be required).

11 **SEC. 533. IMPROVEMENTS IN PHYSICAL FITNESS OF RE-**
12 **CRUITS.**

13 (a) IN GENERAL.—The Secretary of Defense shall
14 take steps to improve the physical fitness of recruits before
15 they enter basic training.

16 (b) SPECIFIC STEPS.—As part of those improve-
17 ments, the Secretary shall take the following steps:

18 (1) Direct the Secretary of each military de-
19 partment to implement programs under which new
20 recruits who are in the Delayed Entry Program are
21 encouraged to participate in physical fitness activi-
22 ties before reporting to basic training.

23 (2) Develop a range of incentives for new re-
24 cruits to participate in physical fitness programs, as
25 well as for those recruits who improve their level of

1 fitness while in the Delayed Entry Program, which
2 may include the use of monetary or other incentives,
3 access to Department of Defense military fitness fa-
4 cilities, and access to military medical facilities in
5 the case of a recruit who is injured while participat-
6 ing in physical activities with recruiters or other
7 military personnel.

8 (3) Evaluate whether partnerships between re-
9 cruiters and reserve components, or other innovative
10 arrangements, could provide a pool of qualified per-
11 sonnel to assist in the conduct of physical training
12 programs for new recruits in the Delayed Entry Pro-
13 gram.

16 **SEC. 541. INDEPENDENT PANEL TO REVIEW MILITARY** 17 **BASIC TRAINING.**

18 (a) ESTABLISHMENT.—There is hereby established a
19 panel to review the basic training programs of the Army,
20 Navy, Air Force, and Marine Corps and to make rec-
21 ommendations on improvements to those programs.

22 (b) COMPOSITION.—(1) The panel shall be composed
23 of seven members, appointed as follows:

24 (A) Three members shall be appointed jointly
25 by the chairman and ranking minority party member

1 of the Committee on National Security of the House
2 of Representatives.

3 (B) Three members shall be appointed jointly
4 by the chairman and ranking minority party member
5 of the Committee on Armed Services of the Senate.

6 (C) One member shall be appointed by the Sec-
7 retary of Defense.

8 (2) The members of the panel shall choose one of the
9 members to chair the panel.

10 (c) QUALIFICATIONS.—Members of the panel shall be
11 appointed from among private United States citizens with
12 knowledge and expertise in one or more of the following:

13 (1) Training of military personnel.

14 (2) Social and cultural matters affecting en-
15 trance into the Armed Forces and affecting military
16 service, military training, and military readiness,
17 such knowledge and expertise to have been gained
18 through recognized research, policy making and
19 practical experience, as demonstrated by retired mili-
20 tary personnel, representatives from educational or-
21 ganizations, and leaders from civilian industry and
22 other Government agencies.

23 (3) Factors that define appropriate military job
24 qualifications, including physical, mental, and edu-
25 cational factors.

1 (4) Combat or other theater of war operations.

2 (d) PANEL FUNCTIONS RELATING TO BASIC TRAIN-
3 ING PROGRAMS GENERALLY.—The panel shall review the
4 course objectives, structure, and length of the basic train-
5 ing programs of the Army, Navy, Air Force, and Marine
6 Corps. As part of that review, the panel shall (with respect
7 to each of those services) take the following measures:

8 (1) Determine the current end-state objectives
9 established for graduates of basic training, particu-
10 larly in regard to—

11 (A) physical conditioning;

12 (B) technical and physical skills pro-
13 ficiency;

14 (C) knowledge;

15 (D) military socialization, including the in-
16 culcation of service values and attitudes; and

17 (E) basic combat operational requirements.

18 (2) Assess whether those current end-state ob-
19 jectives, and basic training itself, should be modified
20 (in structure, length, focus, program of instruction,
21 training methods or otherwise) based, in part, on the
22 following:

23 (A) An assessment of the perspectives of
24 operational units on the quality and qualifica-
25 tions of the initial entry training graduates

1 being assigned to those units, considering in
2 particular whether the basic training system
3 produces graduates who arrive in operational
4 units with an appropriate level of skills, phys-
5 ical conditioning, and degree of military social-
6 ization to meet unit requirements and needs.

7 (B) An assessment of the demographics,
8 backgrounds, attitudes, experience, and physical
9 fitness of new recruits entering basic training,
10 considering in particular the question of wheth-
11 er, given the entry level demographics, edu-
12 cation, and background of new recruits, the
13 basic training systems and objectives are most
14 efficiently and effectively structured and con-
15 ducted to produce graduates who meet service
16 needs.

17 (C) An assessment of the perspectives of
18 personnel who conduct basic training with re-
19 gard to measures required to improve basic
20 training.

21 (e) PANEL FUNCTIONS RELATING TO GENDER-INTE-
22 GRATED AND GENDER-SEGREGATED BASIC TRAINING.—
23 The panel shall review the basic training policies of each
24 of the Army, Navy, Air Force, and Marine Corps with re-
25 gard to gender-integrated and gender-segregated basic

1 training. As part of that review, the panel shall (with re-
2 spect to each of those services) take the following meas-
3 ures:

4 (1) Determine the historical rationales for the
5 establishment and disestablishment of gender-inte-
6 grated or gender-segregated basic training.

7 (2) Examine the current rationales for the use
8 of gender-integrated or gender-segregated basic
9 training and, as part of such examination, evaluate
10 whether at the time any of the services made a deci-
11 sion to integrate, or to segregate, basic training by
12 gender, the Secretary of the military department
13 concerned had substantive reason to believe, or has
14 since developed data to support, any of the follow-
15 ing:

16 (A) That gender-integrated basic training,
17 or gender-segregated basic training, improves
18 the readiness or performance of operational
19 units

20 (B) That the entry level of new recruits
21 with regard to physical condition, attitudes, and
22 values is so different from that required and ex-
23 pected in the military services in general, and
24 in operational units in particular, that an in-
25 tense period of focused training is required, free

1 from the additional challenges of training males
2 and females together.

3 (C) That a significant percentage of
4 women entering basic training experienced sex-
5 ual abuse or assault before entering military
6 service and that gender-segregated basic train-
7 ing (with same-sex drill instructors) provides
8 the best opportunity for such women to have
9 positive military female role models as mentors
10 and to enter gender-integrated operational
11 forces from a position of confidence, strength,
12 and knowledge.

13 (3) Assess whether the concept of “training as
14 you will fight” is a valid rationale for gender-inte-
15 grated basic training or whether the training re-
16 quirements and objectives for basic training are suf-
17 ficiently different from those of operational unit so
18 that such concept, when balanced against other fac-
19 tors relating to basic training, might not be a suffi-
20 cient rationale for gender-integrated basic training.

21 (4) Assess the degree to which different stand-
22 ards have been established, or if not established are
23 in fact being implemented, for males and females in
24 basic training for matters such as physical fitness,
25 physical performance (such as confidence and obsta-

1 cle courses), military skills (such as marksmanship
2 and hand-grenade qualifications), and nonphysical
3 tasks required of individuals and, to the degree that
4 differing standards exist or are in fact being imple-
5 mented, assess the effect of the use of those differ-
6 ing standards.

7 (5) Assess the degree to which performance
8 standards in basic training are based on military
9 readiness.

10 (6) Review Department of Defense and military
11 department efforts to objectively measure or evaluate
12 the effectiveness of gender-integrated basic training,
13 as compared to gender-segregated basic training,
14 particularly with regard to the adequacy and scope
15 of the efforts and with regard to the relevancy of
16 findings to operational unit requirements.

17 (7) Compare the pattern of attrition in gender-
18 integrated basic training units with the pattern of
19 attrition in gender-segregated basic training units
20 and assess the relevancy of the findings of such com-
21 parison.

22 (8) Compare the level of readiness and morale
23 of gender-integrated basic training units with the
24 level of readiness and morale of gender-segregated

1 units and assess the relevancy of the findings of
2 such comparison.

3 (f) RECOMMENDATIONS.—The panel shall prepare—

4 (1) an evaluation of gender-integrated and gen-
5 der-segregated basic training programs, based upon
6 the review under subsection (e); and

7 (2) recommendations for such changes to the
8 current system of basic training as the panel consid-
9 ers warranted.

10 (g) REPORTS.—(1) Not later than six months after
11 the members of the panel are appointed, the panel shall
12 submit an interim report on its findings and conclusions
13 to the Secretary of Defense.

14 (2) Not later than one year after establishment of
15 the panel, the panel shall submit a final report to the Sec-
16 retary of Defense. The final report shall include rec-
17 ommendations for legislative and administrative changes
18 to basic training programs to improve the readiness and
19 performance of initial entry training graduates and to re-
20 duce attrition, both during training and in the first term
21 of enlistment.

22 (h) SUBMISSION OF REPORTS TO CONGRESS.—Not
23 later than one month after receipt of the panel's interim
24 report and one month after receipt of the panel's final re-
25 port, the Secretary of Defense shall submit the report to

1 Congress together with the views of the Secretary regard-
2 ing the report and the matter covered in the report.

3 (i) PAY AND EXPENSES OF MEMBERS.—(1) Each
4 member of the panel who is not an employee of the Gov-
5 ernment shall be paid at a rate equal to the daily equiva-
6 lent of the annual rate of basic pay payable for level IV
7 of the Executive Schedule under section 5315 of title 5,
8 United States Code, for each day (including travel time)
9 during which the member is engaged in the performance
10 of the duties of the panel.

11 (2) The members of the panel shall be allowed travel
12 expenses, including per diem in lieu of subsistence, at
13 rates authorized for employees of agencies under sub-

20 (b) MEASURES TO BE TAKEN.—As part of such re-
21 form, the Secretary shall undertake the following meas-
22 ures (unless, in the case of any such measure, the Sec-
23 retary determines that that measure would not result in
24 improved effectiveness and efficiency in the drill sergeant
25 selection and training process):

1 (1) Review the overall process used by the De-
2 partment of the Army for selection of drill sergeants
3 to determine—

4 (A) if that process is providing drill ser-
5 geant candidates in sufficient quantity and
6 quality to meet the needs of the training sys-
7 tem; and

8 (B) whether duty as a drill sergeant is a
9 career-enhancing assignment (or is seen by po-
10 tential drill sergeant candidates as a career-en-
11 hancing assignment) and what steps could be
12 taken to ensure that such duty is in fact a ca-
13 reer-enhancing assignment.

14 (2) Incorporate into the selection process for all

3 person” assessment that gives insight into the quali-
4 fications and suitability of a drill sergeant candidate
5 beyond the candidate’s ability to accomplish required
6 performance tasks.

7 (6) Revise the Army military personnel records
8 system so that, under specified conditions and cir-
9 cumstances, a drill sergeant trainee who fails to
10 complete the training to be a drill sergeant and is
11 denied graduation will not have the fact of that fail-
12 ure recorded in those records. The conditions and
13 circumstances under which the authority provided in
14 the preceding sentence may be shall be prescribed by
15 the Secretary in regulations.

16 (7) Provide each drill sergeant in training with

20 **DEPARTMENT OF DEFENSE CIVIL MILITARY**

24 (1) by redesignating subsections (g) and (h) as

1 (2) by inserting after subsection (f) the follow-
2 ing new subsection:

3 “(g) TREATMENT OF MEMBER’S PARTICIPATION IN
4 PROVISION OF SUPPORT OR SERVICES.—(1) The Sec-
5 retary of a military department may not require or request
6 a member of the armed forces to submit for consideration
7 by a selection board (including a promotion board, com-
8 mand selection board, or any other kind of selection
9 board) evidence of the member’s participation in the provi-

1 three years before being considered by a selection
2 board.”.

3 **SEC. 567. CONTINUATION OF SUPPORT TO SENIOR MILI-**
4 **TARY COLLEGES.**

5 (a) DEFINITION OF SENIOR MILITARY COLLEGES.—

6 For purposes of this section, the term “senior military col-
7 leges” means the following:

8 (1) Texas A&M University.

9 (2) Norwich University.

10 (3) The Virginia Military Institute.

11 (4) The Citadel.

12 (5) Virginia Polytechnic Institute and State
13 University.

14 (6) North Georgia College and State University.

15 (b) FINDINGS.—Congress finds the following:

16 (1) The senior military colleges consistently
17 have provided substantial numbers of highly quali-
18 fied, long-serving leaders to the Armed Forces.

19 (2) The quality of the military leaders produced
20 by the senior military colleges is, in part, the result
21 of the rigorous military environment imposed on stu-
22 dents attending the senior military colleges by the
23 colleges, as well as the result of the long-standing
24 close support relationship between the Corps of Ca-
25 dets at each college and the Reserve Officer Train-

1 ing Corps personnel at the colleges who serve as ef-
2 fective leadership role models and mentors.

3 (3) In recognition of the quality of the young
4 leaders produced by the senior military colleges, the
5 Department of Defense and the military services
6 have traditionally maintained special relationships
7 with the colleges, including the policy to grant active
8 duty service in the Army to graduates of the colleges
9 who desire such service and who are recommended
10 for such service by their ROTC professors of mili-
11 tary science.

12 (4) Each of the senior military colleges has
13 demonstrated an ability to adapt its systems and op-
14 erations to changing conditions in, and requirements
15 of, the Armed Forces without compromising the
16 quality of leaders produced and without interruption
17 of the close relationship between the colleges and the
18 Department of Defense.

19 (c) SENSE OF CONGRESS.—In light of the findings
20 in subsection (b), it is the sense of Congress that—

21 (1) the proposed initiative of the Secretary of
22 the Army to end the commitment to active duty
23 service for all graduates of senior military colleges
24 who desire such service and who are recommended
25 for such service by their ROTC professors of mili-

1 tary science is short-sighted and contrary to the
2 long-term interests of the Army;

3 (2) as they have in the past, the senior military
4 colleges can and will continue to accommodate to
5 changing military requirements to ensure that future
6 graduates entering military service continue to be of-
7 ficers of superb quality who are quickly assimilated
8 by the Armed Forces and fully prepared to make
9 significant contributions to the Armed Forces
10 through extended military careers; and

11 (3) decisions of the Secretary of Defense or the
12 Secretary of a military department that fundamen-
13 tally and unilaterally change the long-standing rela-
14 tionship of the Armed Forces with the senior mili-
15 tary colleges are not in the best interests of the De-
16 partment of Defense or the Armed Forces and are
17 patently unfair to students who made decisions to
18 enroll in the senior military colleges on the basis of
19 existing Department and Armed Forces policy.

20 (d) CONTINUATION OF SUPPORT FOR SENIOR MILI-
21 TARY COLLEGES.—Section 2111a of title 10, United
22 States Code, is amended—

23 (1) by redesignating subsection (d) as sub-
24 section (g); and

1 (2) by inserting after subsection (c) the follow-
2 ing new subsections:

3 “(d) ADDITIONAL SUPPORT.—(1) The Secretaries of
4 the military departments shall ensure that each unit of
5 the Senior Reserve Officers’ Training Corps at a senior
6 military college provides support to the Corps of Cadets
7 at the college over and above the level of support associ-
8 ated with the conduct of the formal Senior Reserve Offi-
9 cers’ Training Corps course of instruction.

10 “(2) This additional support shall include the follow-
11 ing:

12 “(A) Mentoring, teaching, coaching, counseling
13 and advising cadets and cadet leaders in the areas
14 of leadership, military, and academic performance.

15 “(B) Involvement in cadet leadership training,
16 development, and evaluation, as well as drill, cere-
17 monies, parades, and inspections.

18 “(3) This additional support may include the follow-
19 ing:

20 “(A) Advising cadet teams, clubs, and organiza-
21 tions.

22 “(B) Involvement in matters of discipline and
23 administration of the Corps of Cadets so long as
24 such involvement does not interfere with the conduct
25 of the formal Senior Reserve Officers’ Training

1 Corps course of instruction or the support required
2 by paragraph (2).

3 “(e) TERMINATION OR REDUCTION OF PROGRAM
4 PROHIBITED.—The Secretary of Defense and the Sec-
5 retaries of the military departments may not take or au-
6 thorize any action to terminate or reduce a unit of the
7 Senior Reserve Officers’ Training Corps at a senior mili-
8 tary college unless the termination or reduction is specifi-
9 cally requested by the college.

10 “(f) ASSIGNMENT TO ACTIVE DUTY.—(1) The Sec-
11 retary of the Army shall ensure that a graduate of a senior
12 military college who desires to serve as a commissioned
13 officer on active duty upon graduation from the college,
14 who is medically and physically qualified for active duty,
15 and who is recommended for such duty by the professor
16 of military science at the college, shall be assigned to ac-
17 tive duty. This paragraph shall apply to a member of the
18 program at a senior military college who graduates from
19 the college after March 31, 1997.

20 “(2) Nothing in this section shall be construed to pro-
21 hibit the Secretary of the Army from requiring a member
22 of the program who graduates from a senior military col-
23 lege to serve on active duty.”.

1 (e) TECHNICAL CORRECTIONS.—Subsection (g) of
2 such section, as redesignated by subsection (d)(1), is
3 amended—

4 (1) in paragraph (2), by striking out “College”
5 and inserting in lieu thereof “University”; and

6 (2) in paragraph (6), by inserting before the pe-
7 riod the following: “and State University”.

12 sections at the beginning of chapter 103 of title 10, United
13 States Code, is amended to read as follows:

15 **QUARTERS, VARIABLE HOUSING ALLOWANCE,**
16 **AND OVERSEAS HOUSING ALLOWANCES.**

17 (a) CONSOLIDATION OF ALLOWANCES.—Section 403
18 of title 37, United States Code, is amended to read as
19 follows:

20 **“§ 403. Basic allowance for housing**

21 “(a) COMPONENTS OF BASIC ALLOWANCE FOR
22 HOUSING.—The basic allowance for housing consists of
23 the following components:

24 “(1) A basic allowance for quarters for mem-
25 bers of the uniformed services stationed in the Unit-

1 ed States and, under certain circumstances, mem-
2 bers on duty outside of the United States whose de-
3 pendents continue to reside in the United States.

4 “(2) A overseas station housing allowance for
5 members on duty outside of the United States to re-
6 flect housing costs incurred by the members.

7 “(3) A family separation housing allowance for
8 members with dependents when the movement of the
9 dependents to the members’ permanent station is
10 not authorized at the expense of the United States.

11 “(b) ELIGIBILITY FOR ALLOWANCE.—(1) Except as
12 otherwise provided by law, a member of a uniformed serv-
13 ice who is entitled to basic pay shall receive the component
14 or components of the basic allowance for housing to which
15 the member is entitled under this section at the monthly
16 rates prescribed in connection with the component under
17 this section or other provision of law. The amount of the
18 allowance for a member will vary according to the pay
19 grade in which the member is assigned or distributed for
20 basic pay purposes and the member’s dependency status.

21 “(2) The basic allowance for housing may be paid in
22 advance.

23 “(c) EFFECT OF ASSIGNMENT TO GOVERNMENT
24 QUARTERS.—(1) Except as otherwise provided by law, a
25 member of a uniformed service who is assigned to quarters

1 of the United States appropriate to the grade, rank, or
2 rating of the member and adequate for the member and
3 dependents, if with dependents, is not entitled to a basic
4 allowance for housing. In this section, the term ‘quarters
5 of the United States’ includes a housing facility under the
6 jurisdiction of a uniformed service.

7 “(2) A member without dependents who is in a pay
8 grade above pay grade E–6 and is assigned to quarters
9 of the United States may elect not to occupy those quar-
10 ters and instead receive the basic allowance for housing
11 to which the member is otherwise entitled.

12 “(3) A member without dependents who is in pay
13 grade E–6 and is assigned to quarters of the United
14 States that do not meet the minimum adequacy standards
15 established by the Secretary of Defense for members in
16 such pay grade may elect not to occupy those quarters
17 and instead to receive the basic allowance for housing to
18 which the member is otherwise entitled. The Secretary
19 concerned may deny the right to make an election under
20 this paragraph if the Secretary determines that the exer-
21 cise of such an election would adversely affect a training
22 mission, military discipline, or military readiness.

23 “(4) In the case of a member with dependents who
24 is assigned to quarters of the United States at a location
25 or under circumstances that, as determined by the Sec-

1 retary concerned, require the member's dependents to re-
2 side at different location, the member shall receive a basic
3 allowance for housing as if the member were assigned to
4 duty in the area in which the dependents reside and did
5 not reside in quarters of the United States.

6 “(d) EFFECT OF FIELD DUTY AND SEA DUTY.—(1)
7 The Secretary concerned may deny the basic allowance for
8 housing to a member of a uniformed service without de-
9 pendents when the member is assigned to field duty with
10 a unit conducting field operations.

11 “(2) A member of a uniformed service without de-
12 pendents who is in a pay grade below pay grade E-6 is
13 not entitled to a basic allowance for housing while on sea
14 duty. After taking into consideration the availability of
15 quarters for members serving in pay grade E-5, the Sec-
16 retary concerned may authorize the payment of a basic
17 allowance for housing to a member without dependents
18 who is serving in such pay grade and is assigned to sea
19 duty.

20 “(3) Notwithstanding section 421 of this title, two
21 members of the uniformed services in a pay grade below
22 pay grade E-6 who are married to each other, have no
23 other dependents, and are simultaneously assigned to sea
24 duty are jointly entitled to one basic allowance for housing
25 during the period of such simultaneous sea duty. The

1 amount of the allowance shall be based on the without de-
2 pendants rate for the pay grade of the senior member of
3 the couple. However, this paragraph shall not apply to a
4 couple if one or both of the members are entitled to a
5 basic allowance for housing under paragraph (2).

6 “(4) For purposes of this subsection, the Secretary
7 of Defense shall prescribe, by regulation, definitions of the
8 terms ‘field duty’ and ‘sea duty’.

9 “(e) BASIC ALLOWANCE FOR QUARTERS.—(1) The
10 Secretary of Defense shall determine the costs of adequate
11 housing in a military housing area for all members of the
12 uniformed services entitled to a basic allowance for quar-
13 ters in that area. The Secretary shall base the determina-
14 tion upon the costs of adequate housing for civilians with
15 comparable income levels in the same area.

16 “(2) The monthly amount of a basic allowance for
17 quarters for an area of the United States for a member
18 of a uniformed service is equal to difference between—

19 “(A) the monthly cost of housing in that area,
20 as determined by the Secretary of Defense, for mem-
21 bers of the uniformed services serving in the same
22 pay grade and with the same dependency status as
23 the member; and

24 “(B) 15 percent of the national average month-
25 ly cost of housing in the United States, as deter-

1 mined by the Secretary, for members of the uni-
2 formed services serving in the same pay grade and
3 with the same dependency status as the member.

4 “(3) The rates of basic allowance for quarters shall
5 be reduced as necessary to comply with this paragraph.
6 The total amount that may be paid for a fiscal year for
7 the basic allowance for quarters is the product of—

8 “(A) the total amount authorized to be paid for
9 such allowance for the preceding fiscal year (as ad-
10 justed under paragraph (5)); and

11 “(B) a fraction—

12 “(i) the numerator of which is the index of
13 the national average monthly cost of housing
14 for June of the preceding fiscal year; and

15 “(ii) the denominator of which is the index
16 of the national average monthly cost of housing
17 for June of the fiscal year before the preceding
18 fiscal year.

19 “(4) An adjustment in the rates of basic allowance
20 for quarters as a result of the Secretary’s redetermination
21 of housing costs in an area shall take effect on the same
22 date as the effective date of the next increase in basic pay
23 under section 1009 of this title or other provision of law.

24 “(5) In making a determination under paragraph (3)
25 for a fiscal year, the amount authorized to be paid for

1 the preceding fiscal year for the basic allowance for quar-
2 ters shall be adjusted to reflect changes during the year
3 for which the determination is made in the number, grade
4 distribution, geographic distribution, and dependency sta-
5 tus of members of the uniformed services entitled to the
6 allowance from the number of such members during the
7 preceding fiscal year.

8 “(6) So long as a member of a uniformed service re-
9 tains uninterrupted eligibility to receive a basic allowance
10 for quarters within an area of the United States, the
11 monthly amount of the allowance for the member may not
12 be reduced as a result of changes in housing costs in the
13 area, changes in the national average monthly cost of
14 housing, or the promotion of the member.

15 “(f) OVERSEAS STATION HOUSING ALLOWANCE.—
16 (1) The Secretary of Defense may prescribe an overseas
17 station housing allowance for a member of a uniformed
18 service who is on duty outside of the United States. The
19 Secretary shall base the station housing allowance on
20 housing costs in the overseas area in which the member
21 is assigned.

22 “(2) So long as a member of a uniformed service re-
23 tains uninterrupted eligibility to receive an overseas sta-
24 tion housing allowance in an overseas area and the actual
25 monthly cost of housing for the member is not reduced,

1 the monthly amount of the overseas station housing allow-
2 ance may not be reduced as a result of changes in housing
3 costs in the area or the promotion of the member. The
4 monthly amount of the allowance may be adjusted to re-
5 flect changes in currency rates.

6 “(g) FAMILY SEPARATION HOUSING ALLOWANCE.—

7 (1) A member of a uniformed service with dependents who
8 is on permanent duty at a location described in paragraph
9 (2) is entitled to a family separation housing allowance
10 under this subsection at a monthly rate equal to the rate
11 of basic allowance for quarters or overseas station housing
12 allowance established for that location for members with-
13 out dependents in the same grade.

14 “(2) A permanent duty location referred to in para-
15 graph (1) is a location—

16 “(A) to which the movement of the member’s
17 dependents is not authorized at the expense of the
18 United States under section 406 of this title, and
19 the member’s dependents do not reside at or near
20 the location; and

21 “(B) at which quarters of the United States are
22 not available for assignment to the member.

23 “(3) The allowance provided under this subsection is
24 in addition to any other allowance or per diem that the
25 member is otherwise entitled to under this title.

1 “(h) PARTIAL ALLOWANCE.—(1) The Secretary of
2 Defense may prescribe a partial basic allowance for hous-
3 ing for a member of a uniformed service without depend-
4 ents who is not entitled to the allowance pursuant to sub-
5 section (c) or (d).

6 “(2) In the case of a member of a uniformed service
7 who is assigned to quarters of the United States and pays
8 child support, the Secretary of Defense may authorize the
9 payment of a partial basic allowance for housing, at a rate
10 prescribed by the Secretary, on account of the member’s
11 payment of the child support. The allowance shall be at
12 a reduced rate to reflect the member’s assignment to quar-
13 ters of the United States. The amount of the partial allow-
14 ance shall not exceed the monthly rate of the member’s
15 child support. The payment of a partial allowance under
16 this paragraph to a member may be in addition to any
17 allowance paid to the member under paragraph (1).

18 “(i) SPECIAL RULES FOR CERTAIN MEMBERS.—
19 (1)(A) In the case of a member of a reserve component
20 of a uniformed service without dependents who is called
21 or ordered to active duty (other than for training) or a
22 retired member without dependents ordered to active duty
23 under section 688(a) of title 10, the member shall be con-
24 sidered to be assigned to duty at the location of the pri-
25 mary residence of the member at the time of the call or

1 order for purposes of determining the amount of the mem-
2 ber's basic allowance for housing.

3 “(B) If a member described in subparagraph (A) is
4 called or ordered to active duty for less than 30 days, the
5 Secretary of Defense shall prescribe the amount of the
6 basic allowance for housing to be paid to the member.

7 “(C) This paragraph shall not apply to a member de-
8 scribed in subparagraph (A) if the member is authorized
9 transportation of household goods under section 406 of
10 this title as part of the call or order to active duty or if
11 the primary residence of the member is not owned by the
12 member or the member is not responsible for rental pay-
13 ments.

14 “(2) A member of a uniformed service without de-
15 pendants who is in pay grade E-4 (four or more years'
16 service), or above, is entitled to a basic allowance for hous-
17 ing while the member is in a travel or leave status between
18 permanent duty stations, including time granted as delay
19 en route or proceed time, when the member is not assigned
20 to quarters of the United States. Notwithstanding sub-
21 section (e)(2), the rate of basic allowance for quarters for
22 such a member shall be equal to the national average
23 monthly cost of housing in the United States, as deter-
24 mined by the Secretary, for members of the uniformed

1 services serving in the same pay grade and with the same
2 dependency status as the member.

3 “(3) The eligibility of an aviation cadet of the Navy,
4 Air Force, Marine Corps, or Coast Guard for a basic al-
5 lowance for housing shall be determined as if the aviation
6 cadet were a member of the uniformed services in pay
7 grade E-4.

8 “(4) In the case of a member without dependents who
9 is assigned to duty inside the United States, the location
10 or the circumstances of which make it necessary that the
11 member be reassigned under the conditions of low cost or
12 no cost permanent change of station or permanent change
13 of assignment, the member may be treated as if the mem-
14 ber were not reassigned if the Secretary concerned deter-
15 mines that it would be inequitable to base the member’s
16 entitlement to, and amount of, a basic allowance for hous-
17 ing on the area to which the member is reassigned.

18 “(j) ADMINISTRATION.—(1) The Secretary concerned
19 may make such determinations as may be necessary to ad-
20 minister this section, including determinations of depend-
21 ency and relationship. When warranted by the cir-
22 cumstances, the Secretary concerned may reconsider and
23 change or modify any such determination. This authority
24 may be delegated by the Secretary concerned. Any deter-
25 mination made under this section with regard to a member

1 of the uniformed services is final and is not subject to re-
2 view by any accounting officer of the United States or a
3 court, unless there is fraud or gross negligence.

4 “(2) Parking facilities (including utility connections)
5 provided members of the uniformed services for house
6 trailers and mobile homes not owned by the Government
7 shall not be considered to be quarters for the purposes
8 of this section or any other provision of law. Any fees es-
9 tablished by the Government for the use of such a facility
10 shall be established in an amount sufficient to cover the
11 cost of maintenance, services, and utilities and to amortize
12 the cost of construction of the facility over the 25-year
13 period beginning with the completion of such construction.

14 “(k) TEMPORARY CONTINUATION OF ALLOWANCE.—
15 (1) The Secretary of Defense, or the Secretary of Trans-
16 portation in the case of the Coast Guard when not operat-
17 ing as a service in the Navy, may allow the dependents
18 of a member of the armed forces who dies while on active
19 duty and whose dependents are occupying family housing
20 provided by the Department of Defense, or by the Depart-
21 ment of Transportation in the case of the Coast Guard,
22 other than on a rental basis on the date of the member’s
23 death to continue to occupy such housing without charge
24 for a period of 180 days.

1 “(2) The Secretary concerned may pay an allowance
2 for housing to the dependents of a member of the uni-
3 formed services who dies while on active duty and whose
4 dependents are not occupying a housing facility under the
5 jurisdiction of a uniformed service on the date of the mem-
6 ber’s death or are occupying such housing on a rental
7 basis on such date, or whose dependents vacate such hous-
8 ing sooner than 180 days after the date of the member’s
9 death. The amount of the allowance shall be the same
10 amount that would otherwise be payable to the deceased
11 member under this section if the member had not died.
12 The payment of an allowance under this paragraph shall
13 terminate 180 days after the date of the member’s
14 death.”.

9 (1) There are many ongoing studies that inves-
10 tigate risk factors which may be associated with the
11 health problems experienced by Persian Gulf veter-
12 ans; however, there have been no studies which ex-
13 amine health outcomes and the effectiveness of the
14 treatment received by such veterans.

15 (2) The medical literature and testimony pre-
16 sented in hearings on Gulf War illnesses indicate
17 there are therapies, such as cognitive behavioral
18 therapy, which have been effective in treating pa-
19 tients with symptoms similar to those seen in many
20 Persian Gulf veterans.

21 (b) ESTABLISHMENT OF PROGRAM.—The Secretary
22 of Defense and the Secretary of Veterans Affairs, acting
23 jointly, shall establish a program of cooperative clinical

22 were released into theater.

23 (4) A large number of United States military
24 veterans and allied veterans who served in the

1 Southwest Asia theater of operations have been
2 stricken with a variety of severe illnesses.

3 (5) Previous efforts to discern the causes of
4 those illnesses have been inadequate, and those ill-
5 nesses are affecting the health of both veterans and
6 their families.

7 (b) SENSE OF CONGRESS.—It is the sense of Con-
8 gress that all promising technology and treatments relat-
9 ing to Gulf War illnesses should be fully explored and test-
10 ed to facilitate treatment for members of the Armed
11 Forces and veterans who served the United States in the
12 Persian Gulf conflict and are stricken with unexplainable
13 illness.

11 **SEC. 904. CENTER FOR THE STUDY OF CHINESE MILITARY**
12 **AFFAIRS.**

13 (a) FINDINGS.—The Congress finds the following:

14 (1) The strategic relationship between the Unit-
15 ed States and the People’s Republic of China will be
16 very important for future peace and security, not
17 only in the Asia-Pacific region but around the world.

18 (2) The United States does not view China as
19 an enemy, nor consider that the coming century nec-
20 essarily will see a new great power competition be-
21 tween the two nations.

22 (3) The end of the Cold War has eliminated
23 what had been the one fundamental common strate-

1 geic interest of the United States and China, that of
2 containing the Soviet Union.

3 (4) The rapid economic rise and stated geo-
4 political ambitions of China will pose challenges that
5 will require careful management in order to preserve
6 peace and protect the national security interests of
7 the United States.

8 (5) The ability of the Department of Defense,
9 and the United States Government more generally,
10 to develop sound security and military strategies is
11 hampered by a limited understanding of Chinese
12 strategic goals and military capabilities. The low pri-
13 ority accorded the study of Chinese strategic and
14 military affairs within the Government and within
15 the academic community has contributed to this lim-
16 ited understanding.

17 (6) There is a need for a United States national
18 institute for research and assessment of political,
19 strategic, and military affairs in the People's Repub-
20 lic of China. Such an institute should be capable of
21 providing analysis for the purpose of shaping United
22 States military strategy and policy with regard to
23 China and should be readily accessible to senior
24 leaders within the Department of Defense, but
25 should maintain academic and intellectual independ-

6 “(c) AREAS OF STUDY.—The Center shall conduct
7 research relating to the People’s Republic of China as fol-
8 lows:

9 “(1) To assess the potential of that nation to

11 research that considers the policies and capabilities
12 of that nation in a regional and world-wide context,
13 including Central Asia, Southwest Asia, Europe, and
14 Latin America, as well as the Asia-Pacific region.

15 “(2) To provide a fuller assessment of the areas
16 of study referred to in paragraph (1), the Center
17 shall conduct research on—

18 “(A) economic trends relative to strategic
19 goals and military capabilities;

20 “(B) strengths and weaknesses in the sci-
21 entific and technological sector; and

22 “(C) relevant demographic and human re-
23 source factors on progress in the military
24 sphere.

1 “(3) The Center shall conduct research on the
2 armed forces of the People’s Republic of China, tak-
3 ing into account the character of those armed forces
4 and their role in Chinese society and economy, the
5 degree of their technological sophistication, and their
6 organizational and doctrinal concepts. That research
7 shall include inquiry into the following matters:

8 “(A) Concepts concerning national inter-
9 ests, objectives, and strategic culture.

10 “(B) Grand strategy, military strategy,
11 military operations, and tactics.

12 “(C) Doctrinal concepts at each of the four
13 levels specified in subparagraph (B).

14 “(D) The impact of doctrine on China’s
15 force structure choices.

16 “(E) The interaction of doctrine and force
17 structure at each level to create an integrated
18 system of military capabilities through procure-
19 ment, officer education, training, and practice
20 and other similar factors.

21 “(d) FACULTY OF THE CENTER.—(1) The core fac-
22 ulty of the Center should comprise mature scholars capa-
23 ble of providing diverse perspectives on Chinese political,
24 strategic, and military thought. Center scholars shall dem-
25 onstrate the following competencies and capabilities:

1 “(A) Analysis of national strategy, military
2 strategy, and doctrine.

3 “(B) Analysis of force structure and military
4 capabilities.

5 “(C) Analysis of—

6 “(i) issues relating to weapons of mass de-
7 struction, military intelligence, defense econom-
8 ics, trade, and international economics; and

9 “(ii) the relationship between those issues
10 and grand strategy, science and technology, the
11 sociology of human resources and demography,
12 and political science.

13 “(2) A substantial number of Center scholars shall
14 be competent in the Chinese language. The Center shall
15 include a core of junior scholars capable of providing lin-
16 guistics and translation support to the Center.

17 “(e) ACTIVITIES OF THE CENTER.—The activities of
18 the Center shall include other elements appropriate to its
19 mission, including the following:

20 “(1) The Center should include an active con-
21 ference program with an international reach.

22 “(2) The Center should conduct an inter-
23 national competition for a Visiting Fellowship in
24 Chinese Military Affairs and Chinese Security Is-
25 sues. The term of the fellowship should be for one

1 year, renewable for a second. The visitor should con-
2 tract to produce a major publication in the visitor's
3 area of expertise.

4 “(3) The Center shall provide funds to support
5 at least one trip per analyst per year to China and
6 the region and to support visits of Chinese military
7 leaders to the Center.

8 “(4) The Center shall support well defined, dis-
9 tinguished, signature publications.

10 “(5) Center scholars shall have appropriate ac-

24 pared to contribute, to multinational military activi-
25 ties worldwide.

1 (b) AUTHORITIES TO ENCOURAGE ACTIONS BY
2 UNITED STATES ALLIES.—In seeking the actions de-
3 scribed in subsection (a) with respect to any nation, or
4 in response to a failure by any nation to undertake one
5 or more of such actions, the President may take any of
6 the following measures to the extent otherwise authorized
7 by law:

8 (1) Reduce the end strength level of members
9 of the Armed Forces assigned to permanent duty
10 ashore in that nation.

11 (2) Impose on that nation fees or other charges
12 similar to those that such nation imposes on United
13 States forces stationed in that nation.

14 (3) Reduce (through rescission, impoundment,
15 or other appropriate procedures as authorized by
16 law) the amount the United States contributes to
17 the NATO Civil Budget, Military Budget, or Secu-
18 rity Investment Program.

19 (4) Suspend, modify, or terminate any bilateral
20 security agreement the United States has with that
21 nation, consistent with the terms of such agreement.

22 (5) Reduce (through rescission, impoundment
23 or other appropriate procedures as authorized by
24 law) any United States bilateral assistance appro-
25 priated for that nation.

1 (6) Take any other action the President deter-
2 mines to be appropriate as authorized by law.

3 (c) REPORT ON PROGRESS IN INCREASING ALLIED
4 BURDENSARING.—Not later than March 1, 1998, the
5 Secretary of Defense shall submit to Congress a report
6 on—

7 (1) steps taken by other nations to complete the
8 actions described in subsection (a);

9 (2) all measures taken by the President, includ-
10 ing those authorized in subsection (b), to achieve the
11 actions described in subsection (a);

12 (3) the difference between the amount allocated
13 by other nations for each of the actions described in
14 subsection (a) during the period beginning on March
15 1, 1996, and ending on February 28, 1997, and dur-
16 ing the period beginning on March 1, 1997, and
17 ending on February 28, 1998; and

18 (4) the budgetary savings to the United States
19 that are expected to accrue as a result of the steps
20 described under paragraph (1).

21 (d) REPORT ON NATIONAL SECURITY BASES FOR
22 FORWARD DEPLOYMENT AND BURDENSARING RELA-
23 TIONSHIPS.—(1) In order to ensure the best allocation of
24 budgetary resources, the President shall undertake a re-
25 view of the status of elements of the United States Armed

1 Forces that are permanently stationed outside the United
2 States. The review shall include an assessment of the fol-
3 lowing:

4 (A) The alliance requirements that are to be
5 found in agreements between the United States and
6 other countries.

7 (B) The national security interests that support
8 permanently stationing elements of the United
9 States Armed Forces outside the United States.

10 (C) The stationing costs associated with the
11 forward deployment of elements of the United States
12 Armed Forces.

13 (D) The alternatives available to forward de-
14 ployment (such as material prepositioning, enhanced
15 airlift and sealift, or joint training operations) to
16 meet such alliance requirements or national security
17 interests, with such alternatives identified and de-
18 scribed in detail.

19 (E) The costs and force structure configura-
20 tions associated with such alternatives to forward
21 deployment.

22 (F) The financial contributions that allies of
23 the United States make to common defense efforts
24 (to promote democratization, economic stabilization,
25 transparency arrangements, defense economic con-

1 version, respect for the rule of law, and internation-
2 ally recognized human rights).

3 (G) The contributions that allies of the United
4 States make to meeting the stationing costs associ-
5 ated with the forward deployment of elements of the
6 United States Armed Forces.

7 (H) The annual expenditures of the United
8 States and its allies on national defense, and the rel-
9 ative percentages of each nation's gross domestic
10 product constituted by those expenditures.

11 (2) The President shall submit to Congress a report
12 on the review under paragraph (1). The report shall be
13 submitted not later than March 1, 1998, in classified and
14 unclassified form.

15 **SEC. 1206. PRESIDENTIAL CERTIFICATIONS CONCERNING**
16 **DETARGETING OF RUSSIAN INTERCONTI-**
17 **NENTAL BALLISTIC MISSILES.**

18 (a) **REQUIRED CERTIFICATIONS.**—Not later than
19 January 1, 1998, the President shall submit to Congress
20 a report containing a certification by the President of each
21 of the following:

22 (1) Whether it is possible for the United States
23 to verify by technical means that a Russian ICBM
24 is or is not targeted at a site in the United States.

1 pended for the costs of such expansion until that percent-
2 age is reduced to below 10 percent.

3 **SEC. 1208. SENSE OF THE CONGRESS RELATING TO LEVEL**
4 **OF UNITED STATES MILITARY PERSONNEL IN**
5 **THE ASIA AND PACIFIC REGION.**

6 (a) FINDINGS.—The Congress finds the following:

7 (1) The stability of the Asia-Pacific region is a
8 matter of vital national interest affecting the well-
9 being of all Americans.

10 (2) The nations of the Pacific Rim collectively
11 represent the United States largest trading partner
12 and are expected to account for almost one-third of
13 the world's economic activity by the start of the next
14 century.

15 (3) The increased reliance by the United States
16 on trade and Middle East oil sources has reinforced
17 United States security interests in the Southeast
18 Asia shipping lanes through the South China Sea
19 and the key straits of Malacca, Sunda, Lombok, and
20 Makassar.

21 (4) The South China Sea is a vital conduit for
22 United States Navy ships passing from the Pacific
23 to the Indian Ocean and the Persian Gulf.

1 (5) Maintaining freedom of navigation in the
2 South China Sea is a fundamental interest of the
3 United States.

4 (6) The threats of proliferation of weapons of
5 mass destruction, the emerging nationalism amidst
6 long-standing ethnic and national rivalries, and the
7 unresolved territorial disputes combine to create a
8 political landscape of potential instability and con-
9 flict in this region that would jeopardize the inter-
10 ests of the United States and the safety of United
11 States nationals.

12 (7) A critical component of the East Asia strat-
13 egy of the United States is maintaining forward de-
14 ployed forces in Asia to ensure broad regional stabil-
15 ity, to help to deter aggression, to lessen the pres-
16 sure for arms races, and to contribute to the politi-
17 cal and economic advances of the region from which
18 the United States benefits.

19 (8) The forward presence of the United States
20 in Northeast Asia enables the United States to re-
21 spond to regional contingencies, to protect sea lines
22 of communication, to sustain influence, and to sup-
23 port operations as distant as operations in the Per-
24 sian Gulf.

1 (9) The military forces of the United States
2 serve to prevent the political or economic control of
3 the Asia-Pacific region by a rival, hostile power or
4 coalition of such powers, thus preventing any such
5 group from obtaining control over the vast resources,
6 enormous wealth, and advanced technology of the re-
7 gion.

8 (10) Allies of the United States in the region
9 can base their defense planning on a reliable Amer-
10 ican security commitment, a reduction of which
11 could stimulate an arms buildup in the region.

12 (11) The Joint Announcement of the United
13 States-Japan Security Consultative Committee of
14 December 1996, acknowledged that “the forward
15 presence of U.S. forces continues to be an essential
16 element for pursuing our common security objec-
17 tives”.

18 (12) The administration has committed itself
19 on numerous occasions to maintain approximately
20 100,000 troops in the region, most recently by the
21 President in Australia, the Secretary of Defense in
22 the Quadrennial Defense Review, and the Secretary
23 of State in the Republic of Korea.

24 (13) The United States and Japan signed the
25 United States-Japan Security Declaration in April

1 1996, in which the United States reaffirmed its com-
2 mitment to maintain this level of 100,000 United
3 States military personnel in the region.

4 (14) The United States military presence is rec-
5 ognized by the nations of the region as serving sta-
6 bility and signaling United States engagement.

7 (15) The nations of East Asia and the Pacific
8 consider the commitment of the forces of the United
9 States to be so vital to their future that they scruti-
10 nize actions of the United States for any sign of
11 weakened commitment to the security of the region.

12 (16) The reduction of forward-based military
13 forces could negatively affect the ability of the Unit-
14 ed States to contribute to the maintenance of peace
15 and stability of the Asia and Pacific region.

16 (17) Recognizing that while the United States
17 must consider the overall capabilities of its forces in
18 its decisions to deploy troops, nevertheless any re-
19 duction in the number of forward-based troops may
20 reduce the perception of American capability and
21 commitment in the region that cannot be completely
22 offset by modernization of the remaining forces.

23 (18) During time of crisis, redeployment of
24 forces previously removed from the area might itself
25 be deemed an act of provocation that could be used

1 as a pretext by a hostile power for armed aggression
2 within the region, and the existence of that possibil-
3 ity might hinder such a deployment.

4 (19) Proposals to reduce the forward presence
5 of the United States in Asia or drastically subordi-
6 nate security interests to United States domestic
7 budgetary concerns can erode the perception of the
8 commitment of the United States to its alliances and
9 interests in the region.

10 (b) SENSE OF THE CONGRESS.—It is the sense of
11 the Congress that the United States should maintain ap-
12 proximately 100,000 United States military personnel in
13 the Asia and Pacific region until such time as there is
14 a peaceful and permanent resolution to the major security
15 and political conflicts in the region.

16 **SEC. 1209. SENSE OF THE CONGRESS ON NEED FOR RUS-**
17 **SIAN OPENNESS ON THE YAMANTAU MOUN-**
18 **TAIN PROJECT.**

19 (a) FINDINGS.—Congress finds as follows:

20 (1) The United States and Russia have been
21 working in the post-Cold War era to establish a new
22 strategic relationship based on cooperation and
23 openness between the two nations.

24 (2) This effort to establish a new strategic rela-
25 tionship has resulted in the conclusion or agreement

1 in principle on a number of far-reaching agreements,
2 including START I, II, and III, a revision in the
3 Conventional Forces in Europe Treaty, and a series
4 of other agreements (such as the Comprehensive
5 Test Ban Treaty and the Chemical Weapons Con-
6 vention), designed to further reduce bilateral threats
7 and limit the proliferation of weapons of mass de-
8 struction.

9 (3) These far-reaching agreements were based
10 on the understanding between the United States and
11 Russia that there would be a good faith effort on
12 both sides to comply with the letter and spirit of the
13 agreements, that both sides would end their Cold
14 War competition, and that neither side would seek
15 to gain or maintain unilateral strategic advantage
16 over the other.

17 (4) Reports indicate that Russia has been pur-
18 suing construction of a massive underground facility
19 of unknown purpose at Yamantau Mountain and the
20 city of Mezhgorye (formerly the settlements of
21 Beloretsk-15 and Beloretsk-16) that is designed to
22 survive a nuclear war and appears to exceed reason-
23 able defense requirements.

24 (5) The Yamantau Mountain project does not
25 appear to be consistent with the lowering of strate-

1 gic threats, openness, and cooperation that is the
2 basis of the post-Cold War strategic partnership be-
3 tween the United States and Russia.

4 (6) Russia appears to have engaged in a cam-
5 paign to deliberately conceal and mislead the United
6 States about the purpose of the Yamantau Mountain
7 project, as shown by the following:

8 (A) General and Bashkortostan, People's
9 Deputy Leonid Akimovich Tsirkunov, com-
10 mandant of Beloretsk-15 and Beloretsk-16,
11 stated in 1991 and 1992 that the purpose of
12 the construction there was to build a mining
13 and ore-processing complex, but later claimed
14 that it was an underground warehouse for food
15 and clothing.

16 (B) M.Z. Shakiorov, a former communist
17 official in the region, alleged in 1992 that the
18 Yamantau Mountain facility was to become a
19 shelter for the Russian national leadership in
20 case of nuclear war.

21 (C) Sources of the Segodnya newspaper in
22 1996 claimed that the Yamantau Mountain
23 project was associated with the so-called "Dead
24 Hand" nuclear retaliatory command and con-
25 trol system for strategic missiles.

1 (D) Then Commander-in-Chief of the Stra-
2 tegic Rocket Forces General Igor Sergeyev de-
3 nied that the facility was associated with nu-
4 clear forces.

5 (E) R. Zhukov, a Deputy in the State As-
6 sembly, in 1996 claimed that the Yamantau
7 Mountain facility belonged to “atomic sci-
8 entists” and posed a serious environmental haz-
9 ard.

10 (F) Russia’s 1997 federal budget lists the
11 project as a closed territory containing installa-
12 tions of the Ministry of Defense, while First
13 Deputy Defense Minister Andrey Kokoshin re-
14 cently stated that the Ministry of Defense has
15 nothing to do with the project.

16 (7) Continued cooperation and progress on
17 forging a new strategic relationship between the
18 United States and Russia requires that both nations
19 make transparent to one another major projects un-
20 derway or plans under consideration that could alter
21 the strategic balance sought in arms control agree-
22 ments or otherwise be construed by the other side as
23 an important new potential threat.

24 (8) The United States has allowed senior Rus-
25 sian military and government officials to have access

1 to key strategic facilities of the United States by
2 providing tours of the North American Air Defense
3 (NORAD) command at Cheyenne Mountain and the
4 United States Strategic Command (STRACOM)
5 headquarters in Omaha, Nebraska, among other
6 sites, and by providing extensive briefings on the op-
7 erations of those facilities.

8 (b) SENSE OF CONGRESS.—In light of the findings
9 in subsection (a), it is the sense of Congress that—

10 (1) the Russian government should provide to
11 the United States a written explanation on the prin-
12 cipal and secondary purposes of the Yamantau
13 Mountain project, specifically identifying the in-
14 tended end user and explaining the heavy investment
15 in that project;

16 (2) the Russian government should allow a
17 United States delegation, including officials of the
18 executive branch, Members of Congress, and United
19 States experts on underground facilities, to have ac-
20 cess to the Yamantau Mountain project to inspect
21 the facility and all rail-served buildings in the south-
22 ern and northern settlements located near
23 Yamantau; and

24 (3) the Russian government should direct senior
25 officials responsible for the Yamantau Mountain

1 project to explain to such a United States delegation
2 the purpose and operational concept of all completed
3 and planned underground facilities at Yamantau
4 Mountain in sufficient detail (including through the
5 use of drawings and diagrams) to support a high-
6 confidence judgment by the United States delegation
7 that the design is consistent with the official expla-
8 nations.

9 **SEC. 1210. UNITED STATES ARMED FORCES IN BOSNIA.**

10 (a) **LIMITATION.**—Funds appropriated or otherwise
11 made available for the Department of Defense may not
12 be obligated for the deployment of any ground elements
13 of the United States Armed Forces in the Republic of
14 Bosnia and Herzegovina after—

15 (1) June 30, 1998; or

16 (2) such later date as may be specifically pre-
17 scribed by law after the date of the enactment of
18 this Act, based upon a request from the President
19 or otherwise as the Congress may determine.

20 (b) **EXCEPTIONS.**—The limitation in subsection (a)
21 shall not apply to the extent necessary to support (1) a
22 limited number of United States military personnel suffi-
23 cient only to protect United States diplomatic facilities in
24 existence on the date of the enactment of this Act, and
25 (2) noncombat military personnel sufficient only to advise

1 the commanders North Atlantic Treaty Organization
2 peacekeeping operations in the Republic of Bosnia and
3 Herzegovina.

4 (c) CONSTRUCTION OF SECTION.—Nothing in this
5 section shall be deemed to restrict the authority of the
6 President under the Constitution to protect the lives of
7 United States citizens.

8 **SEC. 1211. LIMITATION ON SUPPORT FOR LAW ENFORCE-**
9 **MENT ACTIVITIES IN BOSNIA.**

10 None of the funds appropriated or otherwise made
11 available to the Department of Defense may be obligated
12 or expended after the date of the enactment of this Act
13 for the conduct of, or direct support for, law enforcement
14 activities in the Republic of Bosnia and Herzegovina, ex-
15 cept for the training of law enforcement personnel or to
16 prevent imminent loss of life.

17 **SEC. 1212. PRESIDENTIAL REPORT ON POLITICAL AND**
18 **MILITARY CONDITIONS IN BOSNIA.**

19 (a) REPORT.—Not later than December 15, 1997,
20 the President shall submit to Congress a report on the
21 political and military conditions in the Republic of Bosnia
22 and Herzegovina (hereafter in this section referred to as
23 Bosnia-Herzegovina). Of the funds available to the Sec-
24 retary of Defense for fiscal year 1998 for the operation
25 of United States ground forces in Bosnia-Herzegovina

1 during that fiscal year, no more than 60 percent may be
2 expended before the report is submitted.

3 (b) MATTERS TO BE INCLUDED.—The report under
4 subsection (a) shall include a discussion of the following:

5 (1) An identification of the specific steps taken
6 by the United States Government to transfer the
7 United States portion of the peacekeeping mission in
8 the Republic of Bosnia and Herzegovina to Euro-
9 pean allied nations or organizations.

10 (2) A detailed discussion of the proposed role
11 and involvement of the United States in supporting
12 peacekeeping activities in the Republic of Bosnia
13 and Herzegovina following the withdrawal of United
14 States ground forces from the Republic of Bosnia
15 and Herzegovina pursuant to section 1205.

16 (3) A detailed explanation and timetable for
17 carrying out the President's commitment to with-
18 draw all United States ground forces from Bosnia-
19 Herzegovina by the end of June 1998, including the
20 planned date of commencement and completion of
21 the withdrawal.

22 (4) The date on which the transition from the
23 multinational force known as the Stabilization Force
24 to the planned multinational successor force to be
25 known as the Deterrence Force will occur and how

1 the decision as to that date will impact the estimates
2 of costs associated with the operation of United
3 States ground forces in Bosnia-Herzegovina during
4 fiscal year 1998 as contained in the President's
5 budget for fiscal year 1998.

6 (5) The military and political considerations
7 that will affect the decision to carry out such a tran-
8 sition.

9 (6) Any plan to maintain or expand other
10 Bosnia-related operations (such as the operation
11 designated as Operation Deliberate Guard) if ten-
12 sions in Bosnia-Herzegovina remain sufficient to
13 delay the transition from the Stabilization Force to
14 the Deterrence Force and the estimated cost associ-
15 ated with each such operation.

16 (7) Whether allied nations participating in the
17 Bosnia mission have similar plans to increase and
18 maintain troop strength or maintain ground forces
19 in Bosnia-Herzegovina and, if so, the identity of
20 each such country and a description of that coun-
21 try's plans.

22 (c) STABILIZATION FORCE DEFINED.—As used in
23 this section, the term “Stabilization Force” (referred to
24 as “SFOR”) means the follow-on force to the Implementa-
25 tion Force (known as “IFOR”) in the Republic of Bosnia

1 and Herzegovina and other countries in the region, au-
2 thorized under United Nations Security Council Resolu-
3 tion 1008 (December 12, 1996).

7 **SEC. 1231. FINDINGS.**

8 Congress finds as follows:

9 (1) There have been numerous reports of Unit-
10 ed States-origin supercomputers being obtained by
11 countries of proliferation concern for use in weapon
12 development programs.

13 (2) China is considered by the United States
14 Government to be a country of proliferation concern.

15 (3) According to United States officials, China
16 has acquired at least 47 United States-origin super-
17 computers.

18 (4) Recent reports indicate that China has pur-
19 chased hundreds of supercomputers for use in its
20 weapons programs and that the United States is un-
21 sure of the location of those supercomputers or the
22 purposes for which they are being used.

23 (5) China has refused to allow the United
24 States to conduct post-shipment verifications of
25 dual-use items exported from the United States to

1 ensure that those items are not diverted to military
2 use.

3 (6) China has in the past diverted dual-use
4 items intended for civilian use to military purposes.

5 **SEC. 1232. EXPORT APPROVALS FOR SUPERCOMPUTERS.**

6 (a) **PRIOR APPROVAL OF EXPORTS AND REEX-**
7 **PORTS.**—The President shall require that no digital com-
8 puter with a composite theoretical performance of more
9 than 2,000 millions of theoretical operations per second
10 (MTOPS) may be exported or reexported to a country
11 specified in subsection (b) without the prior written ap-
12 proval of the Secretary of Commerce, the Secretary of De-
13 fense, the Secretary of Energy, the Secretary of State, and
14 the Director of the Arms Control and Disarmament Agen-
15 cy.

16 (b) **COVERED COUNTRIES.**—For purposes of sub-
17 section (a), the countries specified in this subsection are
18 the countries listed as “computer tier 3” eligible countries
19 in section 740.7(d) of title 15 of the Code of Federal Reg-
20 ulations, as in effect on June 10, 1997.

21 (c) **TIME LIMIT.**—The Secretary of Commerce, the
22 Secretary of Defense, the Secretary of Energy, the Sec-
23 retary of State, and the Director of the Arms Control and
24 Disarmament Agency shall provide a written response to
25 an application for export approval under subsection (a)

1 within 10 days after the application is received. If any
2 such Secretary or the Director declines to approve the ex-
3 port of a computer, the computer may be exported or reex-
4 ported only pursuant to a license issued by the Secretary
5 of Commerce under the Export Administration Regula-
6 tions of the Department of Commerce, and without regard
7 to the licensing exceptions otherwise authorized under sec-
8 tion 740.7 of title 15 of the Code of Federal Regulations,
9 as in effect on June 10, 1997.

10 **SEC. 1233. REPORT ON EXPORTS OF SUPERCOMPUTERS.**

11 (a) REPORT.—Not later than 30 days after the date
12 of the enactment of this Act, the President shall provide
13 to the congressional committees specified in subsection (d)
14 a report identifying all exports of digital computers with
15 a composite theoretical performance of over 2,000 millions
16 of theoretical operations per second (MTOPS) to all coun-
17 tries since January 25, 1996. For each export, the report
18 shall identify—

19 (1) whether an export license was applied for
20 and whether one was granted;

21 (2) the date of the transfer of the computer;

22 (3) the United States manufacturer and ex-
23 porter of the computer;

24 (4) the MTOPS level of the computer; and

25 (5) the recipient country and end user.

1 (b) ADDITIONAL INFORMATION ON EXPORTS TO
2 CERTAIN COUNTRIES.—In the case of exports to countries
3 specified in subsection (c), the report under subsection (a)
4 shall identify the intended end use for the exported com-
5 puter and the assessment by the executive branch of
6 whether the end user is a military end user or an end user
7 involved in activities relating to nuclear, chemical, or bio-
8 logical weapons or missile technology. Information pro-
9 vided under this subsection may be submitted in classified
10 form if necessary.

11 (c) COVERED COUNTRIES.—For purposes of sub-
12 section (b), the countries specified in this subsection are—

13 (1) the countries listed as “computer tier 3” eli-
14 gible countries in section 740.7(d) of title 15 of the
15 Code of Federal Regulations, as in effect on June
16 10, 1997; and

17 (2) the countries listed in section 740.7(e) of
18 title 15 of the Code of Federal Regulations, as in ef-
19 fect on June 10, 1997.

20 (d) CONGRESSIONAL COMMITTEES.—For purposes of
21 subsection (a), the congressional committees specified in
22 this subsection are the following:

23 (1) The Committee on Banking, Housing, and
24 Urban Affairs and the Committee on Armed Serv-
25 ices of the Senate.

1 (2) The Committee on International Relations
2 and the Committee on National Security of the
3 House of Representatives.

4 **SEC. 1234. POST-SHIPMENT VERIFICATION OF EXPORT OF**
5 **SUPERCOMPUTERS.**

6 (a) **REQUIRED POST-SHIPMENT VERIFICATION.**—
7 The Secretary of Commerce shall conduct post-shipment
8 verification of each supercomputer that is exported from
9 the United States, on or after the date of the enactment
10 of this Act, to a country specified in subsection (c).

11 (b) **COVERED SUPERCOMPUTERS.**—Subsection (a)
12 applies with respect to a digital computer with a composite
13 theoretical performance in excess of 2,000 millions of theo-
14 retical operations per second (MTOPS).

15 (c) **COVERED COUNTRIES.**—For purposes of sub-
16 section (a), the countries specified in this subsection are
17 the countries listed as “computer tier 3” eligible countries
18 in section 740.7 of title 15 of the Code of Federal Regula-
19 tions, as in effect on June 10, 1997.

20 (d) **ANNUAL REPORT.**—The Secretary of Commerce
21 shall submit to the congressional committees specified in
22 subsection (f) an annual report on the results of post-ship-
23 ment verifications conducted under this section during the
24 preceding year. Each such report shall include a list of
25 all such items exported from the United States to such

1 countries during the previous year and, with respect to
2 each such export, the following:

3 (1) The destination country.

4 (2) The date of export.

5 (3) The intended end use and intended end
6 user.

7 (4) The results of the post-shipment verifica-
8 tion.

9 (e) EXPLANATION WHEN VERIFICATION NOT CON-
10 DUCTED.—If a post-shipment verification has not been
11 conducted in accordance with subsection (a) with respect
12 to any such export during the period covered by a report,
13 the Secretary shall include in the report for that period
14 a detailed explanation of the reasons why such a post-ship-
15 ment verification was not conducted.

16 (f) CONGRESSIONAL COMMITTEES.—For purposes of
17 subsection (a), the congressional committees specified in
