The Honorable Philip L. Crane,
Chairman, Committee on Ways and Means
United States House of Representatives
1102 Longworth Building
Washington, DC 20515

Dear Chairman Crane,

Solutia Inc. respectfully submits our objection to the following three (3) proposed duty suspension bills:

H.R. 4202, a bill to suspend temporarily duty on Polycaprolactam-pigment concentrate.

H.R. 4203, a bill to suspend temporarily duty on Polycaprolactam

H.R. 4204, a bill to suspend temporarily duty on Poly (hexamethylene adipamide).

Solutia Inc. manufactures nylon products in Alabama, Florida and South Carolina. Any reduction of tariff on these imports would put our company, and others in the case of HR 4202, at a competitive disadvantage.

Please feel free to call me with any comments or questions. Thank you for your attention to this matter.

Respectfully submitted,

Bradley W. Hill
Vice President Marketing & Business Management
