from the Copyright Office, Library of Congress, Washington, D.C.

COPYRIGHT OFFICE ZIP CODE CHANGED TO 20559

The ZIP CODE of the Copyright Office has been changed to 20559. The change is effective January 1, 1973. All future mail addressed to the Copyright Office should bear the new ZIP CODE.

It is not necessary, however, to take any steps with respect to any items bearing the former ZIP CODE that have already been mailed or to change for this reason any printed matter or documents received from the Copyright Office. You should merely use the new ZIP CODE as a part of the address on any pieces of mail you send to the Copyright Office in the future.
