

Title IX - Energy

Four Steps Towards Producing Advanced Biofuels:

1. Growing crops for advanced biofuels

Sec. 9004: Biomass Crop Transition Assistance Program – \$160 million

2. Building refineries for advanced biofuels

Sec. 9005: Biorefinery and Repowering Assistance Program – \$300 million

3. Expanding the use of advanced biofuel crops

Sec. 9006: Bioenergy Program – \$245 million

4. Improving research on advanced biofuels

Sections 9008-9012: Biomass Research and Development Programs – \$140 million
