The Honorable Emily J. Reynolds
Secretary of the United States Senate

Subject: Agreed-Upon Procedures: Senate Office of Public Records Revolving Fund
Fiscal Years 2003-2005

Dear Ms. Reynolds:

We performed the agreed-upon procedures you requested related to receipt and disbursement processing and related procedures applicable to the Office of Public Records Revolving Fund's (the Fund's) fiscal years 2003-2005. In summary, the procedures we agreed with you to perform involved inspecting supporting documentation for Fund-related receipt and disbursement activities processed through the Office of Public Records (OPR) and Senate Disbursing Office (SDO) and reconciliation procedures performed by OPR.

We conducted our work in accordance with U.S. generally accepted government auditing standards, which incorporate the attestation standards established by the American Institute of Certified Public Accountants. These standards also provide guidance on performing and reporting on the results of agreed-upon procedures. By specifying the procedures we agreed to perform, OPR, SDO, and your office were responsible for ensuring that the procedures were sufficient to meet your purposes and we make no representation in that respect. Enclosure I contains the procedures we agreed to perform and the results we obtained.

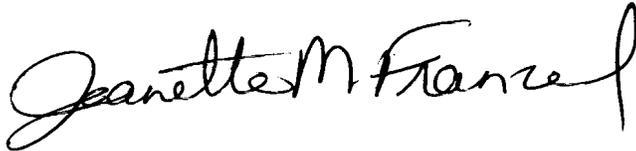

Consistent with our work on previous agreed-upon procedures engagements involving the Office of Public Records Revolving Fund, and, as agreed with you, our objective was not to express an opinion, and we do not express an opinion on the receipt and disbursement activities and related fund balances of the Fund for fiscal year 2003-2005, which would have entailed additional procedures. Such additional procedures might have identified other matters, if they existed, that would have been

reported to you.³ We initiated our agreed-upon procedures on January 10, 2006, and, after certain disbursement documentation was retrieved from storage, completed our work on the procedures on February 27, 2006.

We provided a draft of this report along with its enclosure to officials from OPR, SDO and your office for review and comment. They provided us with technical comments that have been incorporated as appropriate. This report is intended for the use of OPR, SDO, and your Office and is not intended to be and should not be used by those who have not agreed to the procedures or have not taken responsibility for the sufficiency of the procedures for their purposes. The report is a matter of public record and its distribution will not be limited.

If you have any questions, you may contact me at (202) 512-9406 or franzelj@gao.gov or John Reilly, Assistant Director, at (202) 512-9517 or reillyj@gao.gov.
