**Grant Programs Directorate Information Bulletin
No. 280
March 05, 2008**

TO: All State Administrative Agency Heads
All State Administrative Agency Points of Contact
All State Homeland Security Directors
All Port Security Grant Applicants

FROM: Tracey Trautman
Director, Grant Development & Administration
Grant Programs Directorate
Federal Emergency Management Agency

SUBJECT: FY 2008 Port Security Grant Program (PSGP), Eligible Ferry System
Clarification

The purpose of this Information Bulletin (IB) is to clarify proper eligible ferry systems listed in the FY 2008 Port Security Grant Program, Eligible Ferry Systems.

Table 3 and Appendix C of the FY 2008 Port Security Grant Program Guidance and Application Kit lists eligible ferry systems.

Under the port area of Los Angeles/Long Beach, the Catalina Passenger Ferry System is incorrectly listed as an eligible ferry system. The proper eligible ferry system is "Catalina Express."

Under the port area of Providence, Rhode Island, "Martha's Vineyard Ferry" is incorrectly listed as an eligible ferry system. The proper name for the eligible ferry system is "Woods Hole, Martha's Vineyard and Nantucket Steamship Authority."

For specific guidance on FY 2008 PSGP ferry system application requirements, applicants should refer to Appendix C of the FY 2008 Port Security Grant Program Guidance and Application Kit.

Additional guidance and information on the FY 2008 Port Security Grant Program can be obtained by contacting the FEMA Call Center at (866) 927-5646 or via e-mail to ask-OGO@dhs.gov or portsecuritygrants@dhs.gov.
