

On August 15, 2008, the court will initiate a new procedure for the processing of proposed Orders to Pay Wages in Chapter 13 cases. The CM/ECF Request for Entry of Order to Pay Wages event will no longer be used.

Attorneys will submit their proposed Orders to Pay Wages using a new format, whether they are filing electronically or conventionally. Forms for original and amended Orders to Pay Wages in the required format are posted in the Official Bankruptcy Forms section of the Court Internet Site. Attorneys who E-File will use a new selection in E-Orders to upload their original proposed pay orders (Upload Pay Order).

Attorneys will not upload or otherwise tender proposed Amended Orders to Pay Wages directly to the court. Proposed Amended Orders to Pay Wages are prepared using the new format and submitted directly to the appropriate Chapter 13 trustee. The proposed Amended Orders to Pay Wages will be uploaded by Chapter 13 Trustees following their review and approval.
