Public Meetings to be held regarding the Alabama-Coosa-Tallapoosa River Basin Water Control Manual

The U.S. Army Corps of Engineers, Mobile District, will hold four public scoping meetings during the month of September as part of its review and update of the Water Control Manual (WCM) for the Alabama-Coosa-Tallapoosa (ACT) River Basin. The public is invited to attend the scoping meetings which will provide information on the WCM update process and afford the opportunity to receive input from the public about their issues and concerns regarding that process.

All four public meetings will be held using an open house format, allowing time for participants to review specific information and to provide comments to the resource staff attending the meeting.

The meeting dates and locations are as follows:

Cobb County, Ga.: Sept.15, 2008
5 p.m. – 8 p.m (EDT)
