

Postcards from Iraq

From the Gulf Region Division Safety Office

Now that I am getting ready to leave Iraq again, I think about all the good times and the excitement that I have had this tour and about all the wonderful people and friends I have met and made this trip.

What a remarkable bunch of professionals we have in GRD and in our three districts and how they always respond and provide input to whatever task you assign them. The leadership here is simply, to use an often overused word "awesome."

I really feel sorry for those individuals who don't take advantage of this wonderful situation and volunteer to come over and help a young country learn to stand on its own two feet...this is really an opportunity of a lifetime and I wholeheartedly encourage anyone who might read this simple card to give thought to coming over and lending a hand...It is a opportunity that seldom comes along in a lifetime....

Wonderful people, great experiences,

Above: Running buddies. Top right: Friends from GRD. Right: GRD Safety Office staff.

excitement, fabulous memories and new friends....what more could you ask for?...Try it. I am sure you will come away feeling as I do...What a trip!...Essays!!!!
