Synopsis

The document consist of notes or the agenda from a meeting on the situation in the Horn of Africa, and a letter from Al-Wali on training.

Key Themes

The first part of the document appears to be either notes from a meeting, or the agenda for a meeting. The meeting apparently revolves around the relationship with Sheik Hassan, the military situation in Kismayo, the disposition of al-Qaeda operatives in the region, especially Ogaden.

In the section part, Al-Wali writes a letter to Maurib, in which he suggests to Maurib that he arrange for two hours off every day for training for the Arab brothers. Yusif Jan Muhammad Ahmed is never to compete with the Afghans, although training is fine.
