## **Corps of Engineers announces new gate schedule at Waco Lake**

*FORT WORTH, Texas* – The U.S. Army Corps of Engineers, Fort Worth District, will utilize a separate summer and winter gate schedule at Bosque Park and the Waco Dam Hike and Bike Trail entrances beginning in 2007. These changes will help with management of the parks for the hours when the majority of people like to use the facilities. Between November and March, the gates will remain open from 6:00 a.m. to 7:00 p.m., while from April through October the gates will open at 6:00 a.m. and close at 10:00 p.m. to accommodate longer summer month daylight hours. Changes go into effect Jan. 1, 2007. For further information please contact the Waco Lake office at 254-756-5359.
