## GUIDE TO CORPS ABBREVIATIONS, ACRONYMS AND NUMBERS

The following list defines some of the more frequently used abbreviations and acronyms that you may encounter in working with us and reading our documents. Some of these entries are common throughout business, government or the construction industry, many are unique to the Army or the Corps. Most are informal products of the civil works business; the official. Army list is in "Authorized Abbreviations, Brevity Codes and Acronyms" (Army regulation number AR 310-50, dated 15 November 1985).
