### **Key Themes**

Abu Ahmed al-Adni is thanked for his role in killing Masoud (presumably Ahmed Shah Masoud, the Afghani military leader killed on September 9, 2001) and unspecified Americans. Al-Shamaly also mentions a money transfer to al-Adni, presumably as a reward for his successful mission or to cover the costs of the operation. Al-Shamaly mentions that he is living in Afghanistan's Lowgar province with his family.
