

# PUBLIC NOTICE

## New York District

THE U.S. ARMY CORPS OF ENGINEERS, New York District, announces a meeting of the Restoration Advisory Board for the Fort Totten Coast Guard Station project in Bayside, Queens, under the Corps' Formerly Used Defense Sites (FUDS) remediation program. This meeting will focus on the upcoming investigation of soil, air and groundwater on the 10-acre upland area of the property, and the development of a report analyzing the results of that investigation.

The public is welcome.
