

U.S. Army Corps of Engineers  
Albuquerque District

Alpine Border Patrol Station

**February 2006**

## **CUSTOMS & BORDER PROTECTION, DEPARTMENT OF HOMELAND SECURITY**

The U.S. Army Corps of Engineers, Albuquerque District has provided support to the U.S. Immigration and Naturalization Service (now Customs and Border Protection, Department of Homeland Security) since 1997. In that period, the District has provided design and construction management services for both the Detention and Deportation and U.S. Border Patrol arms of the INS.

Currently, the District's support of the Department of Homeland Security (DHS) in design and construction services is through the Architect-Engineer Resource Center in Fort Worth District, Corps of Engineers. The following is a list of the projects, recently completed or underway:

Typical El Paso Sector
